THEIR HEAT, OUR FAN

Holy tits and ass, Batman, HUSTLER does it again. Thank you for that poolside bombshell Shaney in the November '89 issue. What a bod! I thought I'd need my new antilock brakes with all her curves. And as far as tits and ass, I died and went to heaven. This girl makes you wish you were the sun caressing her soft, ever-so-smooth features. And let's not leave out Lacey and Margo in "Lofty Pleasures." I was there. I felt their heat, their sweat, the soft comforters against their bodies and the fan cooling us after a twilight delight. *Whew!* I'm still trying to get the pages unstuck. Thanks, HUSTLER, and keep it cumming! —J. C.

Detroit, Michigan

POETIC JUSTICE

I recently had the pleasure of reading your October '89 issue. In my opinion, Claire is one of the most beautiful women my eyes have ever seen. I've been writing poetry for some years, and her beauty inspired this short poem:

Beauty's bounty is now so fair
Beauty I have witnessed in Claire.
Love made from Venus and favor
Love that makes man die in labor.
Beauty beyond sight and reason
Beauty that blossoms in season.
Love shining in bluest eyes
Love shining in the deepest thighs.
Beauty's been unleashed in this time
Beauty that will never be mine!
Love, I asked for her sweetest lips
Love's my dream, where Claire
is my bliss! —A. F.

Dannemora, New York

BEAVER BREASTS. . .

I just fell madly in love with Monique in the November '89 *Beaver Hunt*. I have long been a mini-titty fancier, and Monique has the perfect set. I could not imagine a more flawless pair of breasts. I am really attracted to her pert, erect nipples. Her facial expression says it all: *I got it, you want it, come and get it*. I've had to stroke my prick more times over Monique than over any other Beaver in the history of HUSTLER. I lust over you, Monique! —J. L.

North Tonawanda, New York

. . . AND BEAVER BEAVER. . .

Thanks for Linda from Tucson, Arizona, in your November '89 *Beaver Hunt*. She has the best-looking pussy I've seen in a long time. I'd like to be in her husband's place. He's a very lucky man. —J. L.

South Bend, Indiana

. . . AND BEAVER?

Why do you request that a young lady send a photo ID (i.e., driver's license) in order to be considered for *Beaver Hunt*? I can't imagine why you would insist on obtaining an ID of such obvious everyday importance (i.e., driving one's car, for one thing!). I am assuming the ID would become property of your magazine. Please give me the *complete* lowdown. Also, I would be thrilled if you printed an extended photofeature Beaver in every issue. Come on! Some readers, myself included, get thrilled to the core by these lady-next-door types. By the way, I am an average, long-haired housewife who has fantasized about appearing in *Beaver Hunt*. —L. P.

San Diego, California

Claire: Legs for Days!

We don't want to take away your driver's license, L. P. We just want a photocopy of it. This helps us write the check ($250, you know) to the right person. As for a full photo-layout on a Beaver Hunt *winner, keep an eye on upcoming issues, and you'll get what you want to see.*

TOE JAM

You folks really have your fingers (and dicks) on the pulse of adult erotica! My girlfriend and I were both turned-on by the unusual accent just visible on your model Leslie on the top of page 47 in the October issue's "A Shore Thing" layout. She is wearing a gold ring on one of her toes as she clenches those delectable bare little piggies. My lover is also into body jewelry and started wearing a single gold ring on her left index toe when she discovered her submissive side. Apparently, folks into B&D role playing or other variations know what a ring on the toe signifies. We've also heard that rings on the toes go way back to the

beginning of the world's oldest profession, when it was the custom for prostitutes to wear such rings. To us, it is symbolic of shackles on a slave girl's ankles! How about more unusual pictorials with models showing pierced nipples, ringed toes or even pierced labia? Lately, porn star Tori Welles has posed wearing her trademark diamond stud on the side of her pierced nose. Please keep the KINK coming!
—L. K.
Rochester, New York

Toe rings are just the tip of the iceberg as far as secret messages in HUSTLER *are concerned. Keep looking!*

NOT AN ADVICE COLUMN
You have the most sexually attractive and beautiful women in HUSTLER. I'm constantly jerking off over the sexy flesh in your magazine. Girls tell me I'm cute and attractive, but I never get any pussy. I get it about once a month, if I'm lucky. Any suggestions? —R. C.
Vinton, Virginia

Try a mouthwash. Other than that, we're stumped.

I've been reading your magazine for as long as I can remember. I have a problem that I hope you can help me with. I can't keep a hard-on while I am actually with a naked woman getting ready to fuck her. I can keep a hard-on thinking about it or while I am looking at the nude pictures in your magazine. When I read *Hot Letters*, I can't wait until I can fuck the shit out of something. When I masturbate, my dick stays hard, and it takes a little time before I come, but when I get with a real woman—when I get ready to fuck her—my dick goes limp. I don't know what to do.
—P. S.
Denver, Colorado

There's nothing we can really do to help, but since jack-off mags work well for you, write our subscription office, and we'll send you all the info you need on how to subscribe to CHIC, CHIC LETTERS, HUSTLER FANTASIES *and more.*

I like to have a good book so I can order a few things from you. I go down between her legs and eat her cunt out. I my dick stay hard that I can get the job over. I like to buy few things from you. I like to have a good times with a very nice woman. Will you write back to me. —T. W.
Charlottesville, Virginia

Huh?

HOMOS FUCKING HETEROS?
I am a 19-year-old female. I opened a HUSTLER Magazine for the first time today. I just about got sick when I saw homosexuals and heterosexuals throughout your magazine engaging in sexual activities. I am all for freedom of the press, but tell me, what good does your magazine actually do for society? I'm not saying HUSTLER encourages sexual crimes, but I can't see how it discourages them either. I'm sure you won't print my letter, and, if you do, plenty of people out there will disagree with me. However, I feel better knowing that at least someone out there (me!) has the guts to speak out and say, "SHAME ON YOU!" —G. D.
Kenai, Alaska

THE WORD FROM B. M.
This magazine was owned by Larry Flint (sic) some time ago, and at that time he claimed to be a Christian. How sad. All I have to say is please change the format of your magazine to more professional journalism like *The New Yorker*, *Harpers* or *The Atlantic*. I'm afraid for young people growing up, and I'm afraid that they *do* see magazines such as yours. Do you want your children, grandchildren, nieces and nephews to read this magazine? Please don't bring in the silly angle of civil rights. —B. M.
Minneapolis, Minnesota

Rarely have we come across a pair of initials that fit a letter as well as yours do, B. M. If you're looking for The New Yorker *of porn magazines, go after* Playboy. HUSTLER *is in a league by itself. As for the silly angle of civil rights—fuck you.*

ANOTHER B. M.
I am thoroughly disgusted by your publication and your brazen hypocrisy. I bought your issue of November '89 and noted the following:

(1) *AIDSWatch* contains a half-baked criticism of the medical profession, while on page 31 you run a cartoon making tasteless and hypocritical fun of a desperate homosexual with AIDS.

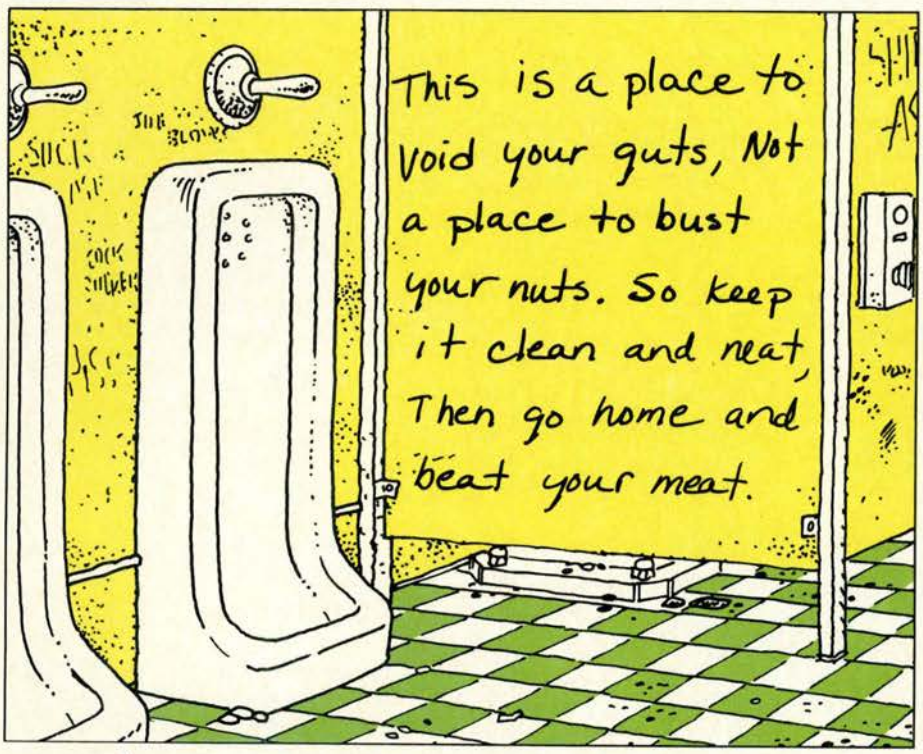

(2) *They're Fucking With Your Mind!* (page 32) actually is a well-done exposé of mass manipulation. However, your two full-page ads (page 28 and inside back cover) for lookalike drugs expose your utter hypocrisy. These ads clearly appeal to the not-too-swift-of-mind who are simply looking for a cheap fix and who very well might buy in bulk from your ad and then misrepresent and resell to innocent youngsters with fatal results. And you pride yourself on your antismoking stance! Unbelievable.

(3) Your attack on Lech Walesa in "Asshole of the Month" revealed utter ignorance of real-world political necessity.

(4) Finally, your history of cartoons ridiculing Jesus Christ, the handicapped

I LOVE A WOMAN *With A* COCK

Busting a Sex-Change Cherry

Photos and Story by Annie Sprinkle

After 12 surgical operations, spending $50,000, weekly counseling sessions, lots of hormone shots and a new wardrobe, a beautiful woman named Linda Helen Nichols became a handsome man named Les Nichols. Les's new surgically constructed penis was only two months old when we met, and he chose *me* to be the first to try it out. He would be my first female-to-male transsexual lover.

For Les and I it was love—and lust—at first sight. We caught each other's eyes at my friend Johnny A.'s F2M social. (F2M stands for "female to male" among transsexuals and crossdressers.) For the past year Johnny A. has been networking F2Ms through his newsletter, *Rites of Passage*. Occasionally he has a get-together exclusively for F2Ms and the women who love them. I had known Johnny when he was a full-time F2M crossdresser. Johnny now lives as any other man, but without a penis.

The party was the best I'd been to in years. There were 14 F2Ms and a dozen women-women. Most all of the transsexuals looked totally like men—they take hormones that make them grow facial hair and give them very deep voices. We sat in a large circle, and people talked about their lives, their lovers and their doctors. A few showed us their operations, and we ate pizza. The roomful of men with pussies gave this bisexual sex-adventuress quite a thrill. Many of the "new" men were very attractive, and I flirted with several. Mostly I flirted with Les.

Les was kind of a cross between Elvis Presley, a leather dyke on a bike and a circus performer. His background was French and Greek, which, according to him, makes him a *Freek*. Born 35 years ago, he is a triple Gemini, which means that he is someone with many personalities. He has a fabulously sexy smile and the most beautiful, seductive, fun-loving eyes I think I've ever seen. Before long we were necking on the couch. His kisses

were delicious, marshmallow-soft, sensitive and feminine. He possessed that incredible subtle power of seduction that women have (men are much less subtle—more outwardly aggressive), plus an irresistible boyish charm. Before long he popped the question: Would I like to be the first woman to try out his brand-new penis? I considered it for about a tenth of a second. How could I possibly resist? Unfortunately, the penis still needed a bit more healing around the head; so we made our date for two weeks later.

According to Johnny A., who has been researching F2Ms, there are thousands of them. We don't hear much about them, as they prefer to live undetected, and they blend easily into society. Most feel they are men born into the wrong bodies. They don't want to be known as transsexuals, but as men.

At present it is possible for doctors to make a penis. The plastic-surgery operation, called phalloplasty, is still in the experimental stages; it's painful, there are often complications, and it is very expensive. Most F2Ms don't get the phalloplasty. Only a few are done each year.

There are three types of phalloplasty. One is genitoplasty, in which doctors change the vagina, freeing the clitoris so it protrudes as a very tiny penis that can be urinated through. The genitoplasty clitoris/penis is very sensitive. Then there is microsurgery, which is the most expensive. Skin, fat, veins and nerves are taken from the forearm and are attached with microsurgery. The resultant cock is sensitive and natural-looking.

Linda (Les) chose the abdominal tube method—a simple operation—for his phalloplasty. A piece of the abdomen and a piece of the stomach wall are rolled into a hollow tube and covered with skin grafts from the buttocks; the base of the neopenis is then attached at the upper line of the pubic hair, and the tip is attached just below the navel, like a suitcase handle. A second operation, a "tube released," follows after that heals for eight weeks. The top of the "handle" is cut loose, and a penis head is fashioned from another graft.

With some of these operations, a transsexual risks losing the new penis as well as all sexual sensation. Linda always loved sex and valued her sensitivity highly. Les told the doctor, Dr. Biber (Trinidad, Colorado), that if she lost any sensitivity at all, she would kill him. Dr. Biber heeded the warning and decided to leave Linda's vagina intact. (Most transsexuals opt to have their vaginas closed up to form a scrotum.) So now Linda is actually a surgically made hermaphrodite. She had already had her breasts removed, a hysterectomy, liposuction on her hips and buttocks to make her shape more manly, and had two round saline sack implants put into her mons to make testicles. Now, no one would ever know that Les wasn't born a man, unless he told them. If he didn't tell a girl there was a pussy under his balls, she wouldn't think to look.

During the two weeks that we impatiently waited for Les's penis to heal completely, we carried on our romance by phone and by mail. (Les lives in Boston, and I live in Manhattan.) I asked him a million questions about his life and his sex change. He sent me photos of Linda. She had been a very beautiful, sexy, "femmy" lesbian woman with long brown hair, a pretty face, a curvaceous body with large breasts, and she wore Frederick's of Hollywood-style clothes. She joined the army at 29 and became butch, cut her hair to a crew cut, started wearing men's clothes and acted more masculine.

Eventually Linda decided to start taking hormones and make the complete change. Why? Lots of reasons. Perhaps the seed was planted as a little girl when she found herself attracted to other little girls. She thought she would need to be a boy to love and marry a girl. She had been abused a lot and felt she might be safer if she were a guy. She saw men getting more respect than women. She wanted the male privilege. She was attracted to heterosexual women more than lesbians and felt that a penis could better satisfy her lovers. She was always highly sexual, looking for sex with lots of partners—a behavior more acceptable for men. Linda imagined that being a man would solve a lot of emotional problems and improve her life in general.

Mostly our long-distance phone conversations were about sex and what we were going to do with each other once we got together. I'm very sexually adventurous and always anxious to try something new. I was very aroused by the thought of making love with Les/Linda and could barely wait. He/she was my bisexual dream-come-true.

He drove down from Boston and finally arrived at my door. We planned to spend three days and nights together. After just five minutes, we were kissing, hugging, humping, rubbing and getting undressed. Why wait? (I would have wanted to fuck Les even if he wasn't a great kisser—or even if I didn't like him that much—just for the novelty of it. To be so attracted to him was a nice bonus.) I couldn't decide if I was kissing a man or a woman or both at the same time, a new twist on the ménage à trois.

Les undressed me, complimenting me on my figure, my softness, my perfume and my smooth, white skin. He sure knows what a girl likes to hear. After all, he had been one.

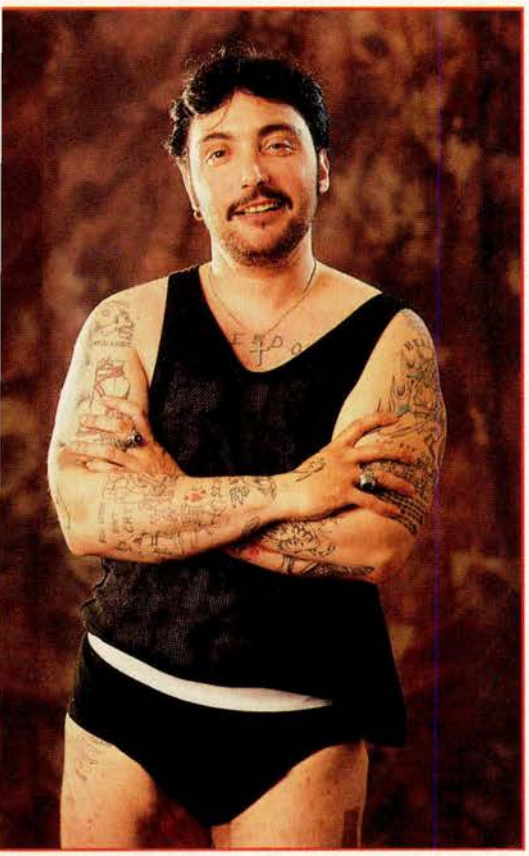

I took off his shirt. His arms and chest were covered with tattoos. He had large, succulent nipples, the kind made for feeding babies. Below the nipples were scars where his breasts had been removed. I took a nipple between my lips and nursed,

which he liked very much. I pulled off his pants and thought how much of his life he had worn silky, lacy panties; now he wore men's briefs, which I then took down. There it was, his brand-new cock, with a shiny, red bow tied around it, presented to me as a precious gift. I was delighted with the gift and with Les's creativity and playfulness.

It was a fat, fleshy penis, remarkably large, considering it was all patchwork. The head looked very realistic, except that there were long hairs growing out of the tip of it, which I found to be a total turn-on. The shaft was quite scarred; it bent to the left, was natural in color and shape and very. . .unique. Like a typical man he asked: "Is it big enough?" I assured him it was perfect in every way.

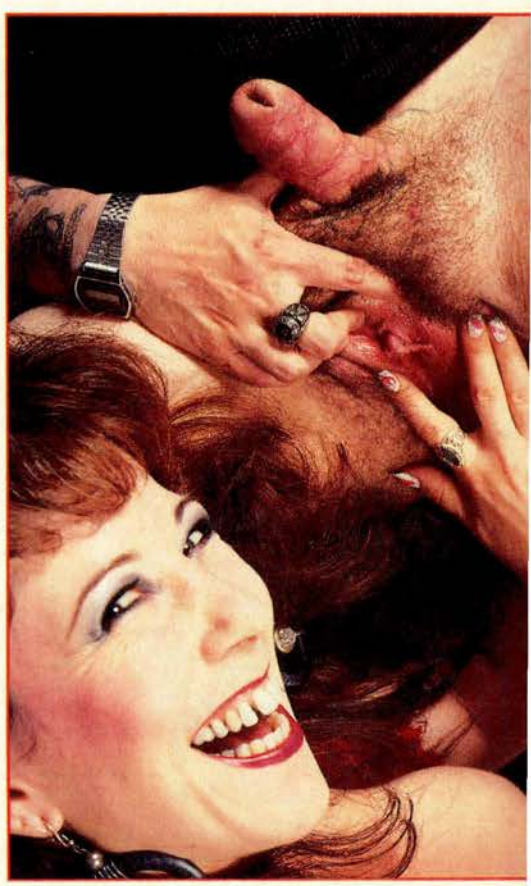

He was considering getting another operation to get bigger testicles, and he asked my opinion on the matter. His balls were tight looking, yet very realistic. I liked them just the way they were. I've always liked a woman's mound, and I preferred to think of his balls as an exceptionally mountainous mons. When I ventured down, it was there under his balls that I discovered a lovely treasure—a succulent, large, red clitoris with a huge purple head and a very moist, pink pussy. When Les proudly displayed both sets of genitals, I went into ecstasy, panting and moaning, amazed by my good fortune. What more could a bi-girl want? I scooped his penis into my mouth and gave it a passionate, wet suck. Then I licked and kissed my way down to his pussy and sucked that clit like I'd never sucked a man's clit before. . .and indeed I hadn't. It was wild and strange, like I was in some sort of parallel reality or hallucinating.

I informed Les that I was having the last day of my period. He said, "Great," found my Tampax string and pulled. What man could be more understanding and unintimidated by a little blood than a man who used to menstruate? He slipped his index finger inside me and went right to my G spot, fingering my pussy like only a lesbian could. Les had no doubt been to bed with many, many women before me. He obviously loved women and their bodies. He had charm and charisma, and a woman could trust him and feel safe with him.

Because we were both very anxious for the "big defloweration," we kept foreplay to a bare minimum. I lit some candles and incense and ritualized the initiation with an invocation of the goddess, a blessing of the new penis and of Les for being such a brave pioneer, and then I gave a brief moment of gratitude. Never before in history has humankind been able to change people's gender so completely. I felt honored to be one of the first women in the world to try a man-made penis. I prayed that Les's first fuck be joyful and healing.

FEEDBACK

(continued from page 6)

and blacks reveals your true spiritual deadness.

I challenge you to print this letter and my full name. —J. S.

New York, New York

Funny as it may seem, J. S., printing your full name is a breach of our code of ethics. We'd print your name, your phone number and your address too if it didn't appear to us to be a grossly unethical thing to do.

THE VOICE OF REASON

I want to stress to all HUSTLER readers that censorship is becoming a sad reality in America! Wake up, America! If every freedom-loving person who is reading this letter will take five minutes to write their senator, we won't have a minority deciding what is good for the majority! Just write and say: I demand my right to freedom of choice! I demand strict separation of church and state! I demand my right to judge by myself what is indecent, obscene or offensive! Then make two ten-cent copies and address one to each of your U.S. senators! Address them to Your Senator, The U.S. Senate, Washington, D.C. 20510. It's a small price to pay compared to what we stand to lose. —R. B.

Chicago, Illinois

What can we say? We're writing!

OI BOY

Oi! I was just reading your July '89 issue and found my name in it, in the article on skinheads (*Skinned Alive*). In the article, you had a few things wrong, such as the skin-girl haircuts. You had it backward—the girls cut the crown of their hair short and leave the bangs long all the way around. You said they shave the sides and leave the top long, which is describing a pinhead, not a skinhead. I love the way skinhead girls dress! Micro-minis, black fishnet stockings showing garter strap, Doc Marten boots, Fred Perry shirts. You should do a pictorial of a skinhead girl, or maybe hire a model to shave the top of her head (not the sides). Dress her up as I mentioned and take some sexy photos of her. I think that would be hot! Oi! —C. M.

Joliet, Illinois

EYE ON TWAT

I want to thank you for the wonderful "Pussymania" layout in the November '89 issue. I have been reading HUSTLER virtually since the first issue, and I never get tired of looking at the infinite assortment of pussy shapes and sizes. "Pussymania" displayed Venus's and Keisha's to their full advantage.

The main reason for writing is to ask about one of the ladies in the background of several scenes. She is wearing red and blue tights and a blue headband. She is really built, with firm muscles to boot. There appears to be a tattoo on her one forearm. Who is this woman, and can you entice her into posing for one of your splendid layouts?

Thank you very much for all of the enjoyment you bring to your faithful readers. I'll continue to subscribe as long as you continue to provide the goods. Thanks! —D. H.

Santa Clara, California

You certainly have an eye for detail. Jillian, or the Big Jill, is quite happy just hanging around the office striking poses for HUSTLER *editors. However, if she will allow us, count on seeing the rest of her tattoos in a layout guaranteed to produce a big stiffy.*

PENT UP

In regard to your October '89 issue, I think I got screwed. The layout titled "Undressed Rehearsal" with Derrick and Raquel was swell till I got to my October '89 issue of *Penthouse* (given a subscription as a gift!), and there they were as Jaqui and Ken. Just thought I'd write you and get the straight scoop. As far as I'm concerned someone owes me a free issue. Surprised no one else picked up on it. —B. J.

—Brockton, Massachusetts

P. S. Do you recommend I write *Penthouse* and give them some shit?

Our saving grace is that our photos are so much hotter than those that appeared in Penthouse. *(Have you ever seen a guy in any of their photos with a hard-on?) In any case, we will take steps to make sure this never happens again. As far as giving* Penthouse *some shit, we think enough of it appears in their pages. Send it to the "friend" who gave you the "gift subscription."*

Do you have a comment, suggestion or complaint? We want to hear it. Send your letters (typed or neatly handwritten) to Feedback, HUSTLER, *9171 Wilshire Boulevard, Suite 300, Beverly Hills, CA 90210. Please include a phone number if you want your letter considered for publication.*

ASSHOLE OF THE MONTH

The Reverend Jim Holley

If there's one thing an asshole can't stand, it's being recognized for the shit-dam it is. To disguise the reality of being no more than a constricted spigot holding back a torrent of turds, the rectal ring surrounds itself in a noxious cloud of rhetoric-like gas that obscures cool scrutiny, just like February 1990 Asshole of the Month Jim Holley.

Pastor of the 3,500-member Little Rock Baptist Church of Detroit, Michigan, spiritual-leader Holley has taken to mixing religion with politics. The highest office held by Holley so far is that of president of the local chapter of Operation PUSH (People United to Save Humanity). Evidently, humanity, to Holley's eyes, comes in only one color.

Commenting on the campaign for Detroit's city-council and mayoral seats, man-of-God Holley warned blacks that Caucasian councilwoman Maryann Mahaffey must not be allowed to win the council presidency, as such a victory would put a white person "only a heartbeat away from the top job" of mayor.

Although Holley has yet to explain how his divisive remarks fit in with the agenda of uniting and saving humanity, he did solidify his reputation as a pillar of righteousness in a *Detroit News* editorial column. Using a dingy logic all his own, Holley fends off accusations of racism by deftly claiming that his attitudes and motivations are no different than those of white South Africans, a social group revered worldwide for their Christ-like tolerance and compassion toward ethnic groups other than their own.

All Holley asks is that no white person be within a heartbeat of the mayor's desk. This is easily accomplished. Should honkie Mahaffey earn the council presidency through the electoral acclamation of Detroit's overwhelmingly black majority, her heartbeat need simply be stopped. If any further peckerwood council members stand between Mahaffey and the next black in line for mayor, their heartbeats must also be summarily stopped.

But why stop there? What about the heartbeats of brutalizing cracker cops, discriminatory ofay landlords and stereotyping white-bread employers? Let's give Reverend Holley the power to stop their heartbeats too. While he's at it, he may as well stop all the white heartbeats.

But Holley recognizes that oppressors are not limited by skin color, as evidenced by his broadsides against the Detroit Pistons professional basketball team, a predominantly black group of tall men whom Holley likened to field hands working on massah's plantation.

After halting the heartbeats of the Pistons, Goddish Holley will be free to cardiac-arrest any black leaders who are slow to endorse him, congregationalists who nod off during his sermons and the paperboy who's late with his morning *Detroit News*.

When he talks to Saint Peter at the service entrance of the Pearly Gates, Holley can defend his actions by proclaiming, "Hey, it's nothing Hitler wouldn't have done."

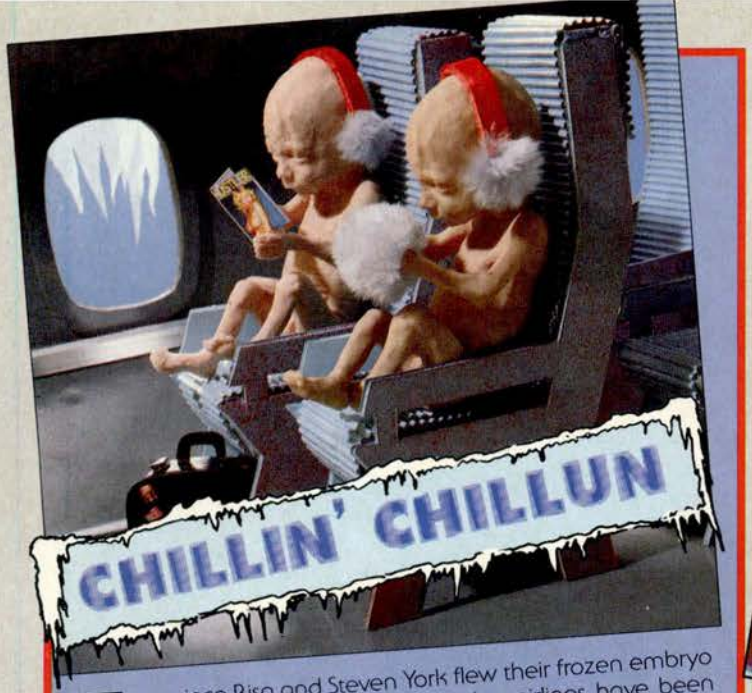

Such is the final solution when PUSH comes to SHOVE (Shit Head Orator Venting Ego).

FARTS IN THE WIND

JOHN STOLTENBERG, cofounder of Men Against Pornography: Stoltenberg's book, *Refusing to Be a Man*, recommends legal campaigns against those who distribute pictures of which he does not approve. He may refuse to be a man, but he can't refuse to be an Asshole.

SANDRA JENNINGS: Not content to suck $60,000 a year from actor William Hurt since a ten-week affair in 1982, Jennings sued for half of everything he owns and $16,000 a month, claiming the couple had been married "in the eyes of God." In the eyes of HUSTLER, she's an Asshole.

KEMAL "CASEY" KASEM: Headquartering a drive for the homeless in a $20,000-a-month apartment insults America's hungry unfortunates. The movement's real leaders are trivialized by this photo-opportunistic showboat who earns an Asshole accolade.

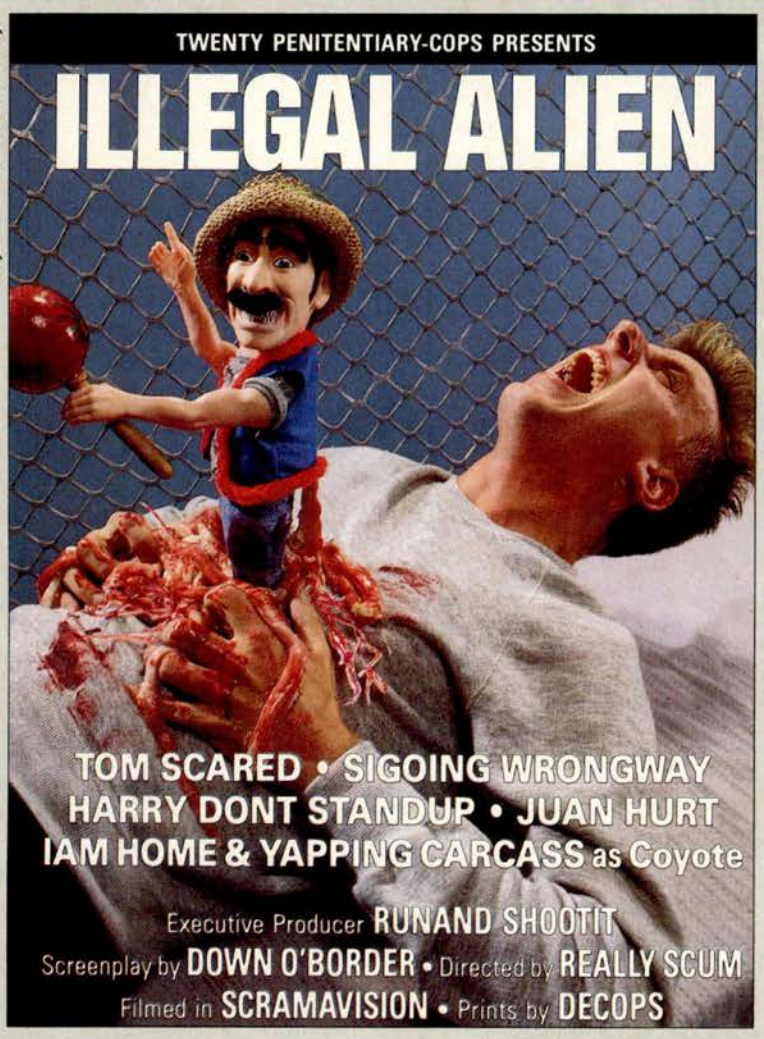

Ever since Risa and Steven York flew their frozen embryo to a happy home in Los Angeles, airlines have been deluged with calls from anxious parents booking flights for their unborn. Parents and embryos can breathe more easily with the introduction of Embryo Express. Pre-infants are fresh-frozen and flown in daily. The nonstop flight costs more, but Mama can't wait to pop these two in the oven.

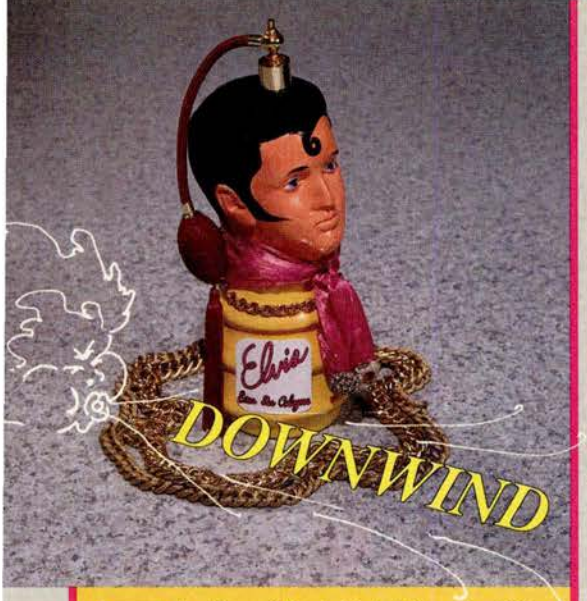

Her skin is dry and starting to itch. She needs moisturizer that will make her feel like new. Give her *Lubrisperm*, the rejuvenating body lotion that comes in quarts. One spurt, and she'll be gushing with relief.

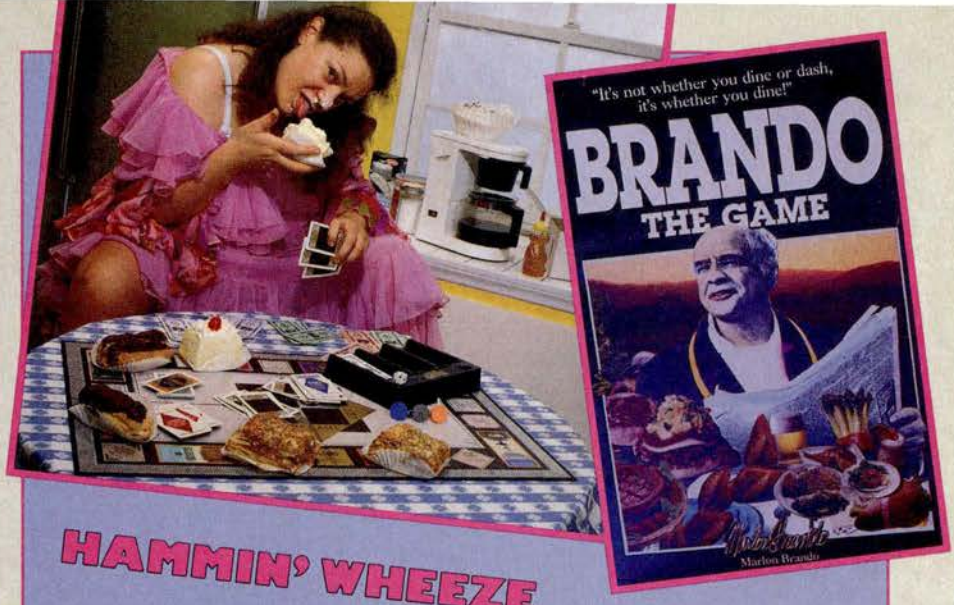

Parody: Not to be taken seriously.

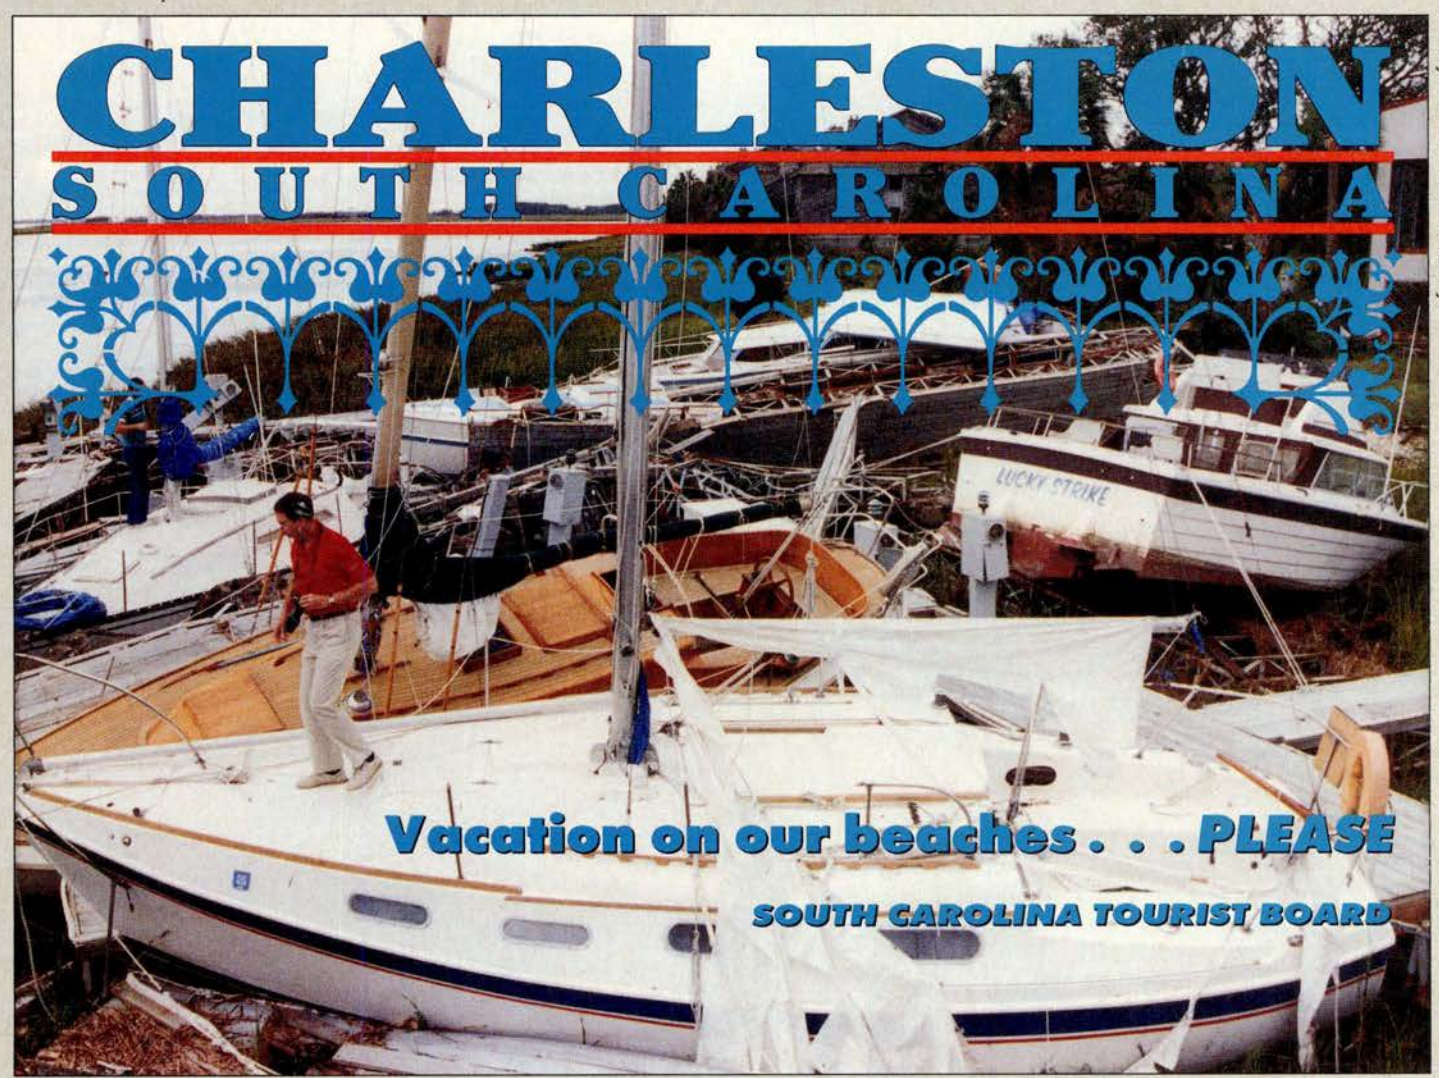

The King of Rock 'n' Roll lives in *Elvis*, a stunning celebrity scent from L'Arryal. Every whiff is a heady brew of *nose*talgic traces: Mother Presley's fried chicken and biscuits, the hearty scent of Vegas cigars and Mob-laundered money and the sobering smells of vomit and fetid B.O.—telltale signs of deadly toxicosis. Colonel Parker, Ann-Margret and a pungent grave are all in there somewhere!

HAMMIN' WHEEZE

Your stomach's growling! You're starting to drool! You need *Brando*, the board game that bellies up. Clear the kitchen table and start to play. A pastrami and peanut-butter sandwich on cinnamon raisin bread . . . fried lox and ice cream and cherry-flavored cough syrup . . . stir it up and belt it down! The flavors of the world are yours to mix and match. Brando's the name . . . gluttony's the game. Losing your lunch makes more room for dinner. Just don't draw an Indian No-Reservation card: You'll have to refuse to accept the dessert! Outspends and overacts every other game on the shelf. Contains shopping list and $2,500 in food stamps. The player with the biggest appetite wins!

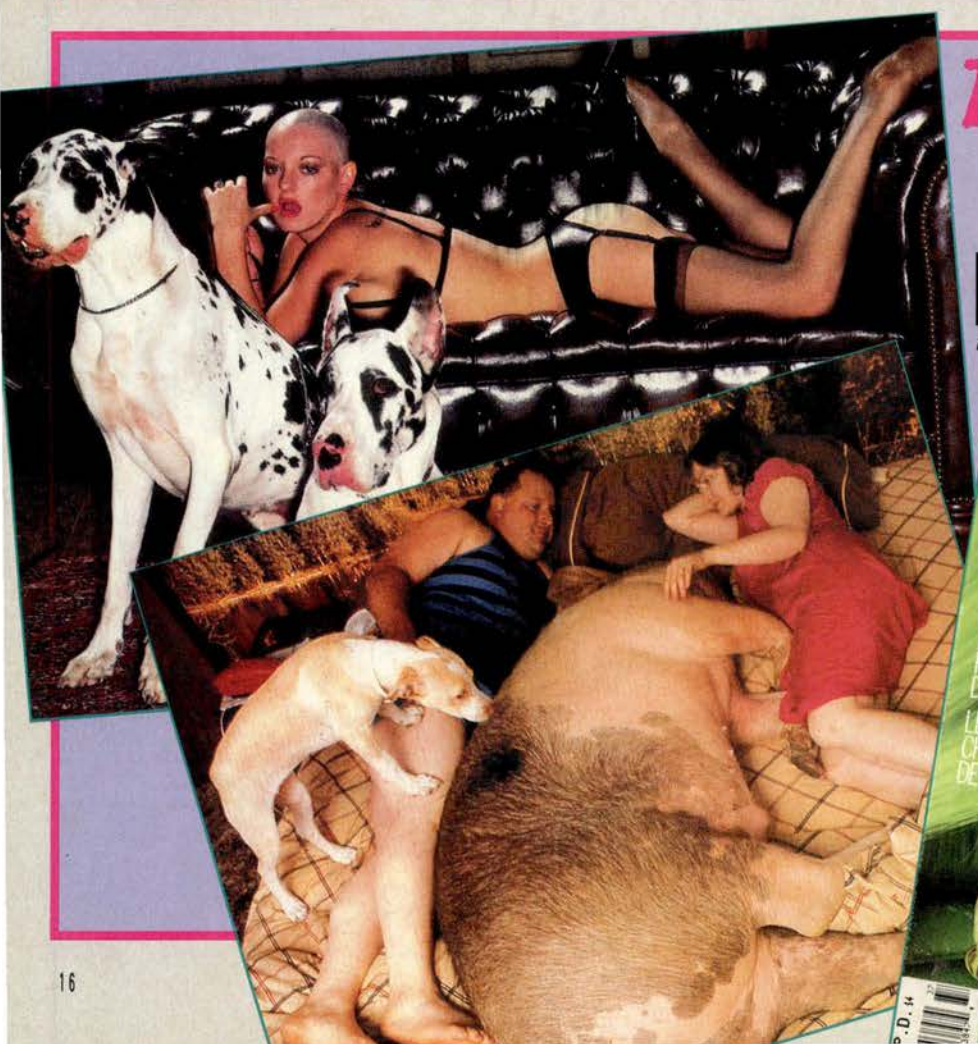

Parody: Not to be taken seriously.

OR GAWDHEAD?

You don't need a million hits of acid to see the world through the bloodshot eyes of a raving fry-brain. Pushead's hallucinatory ruminations on death and skateboarding have been seen everywhere from Metallica T-shirts to a one-man show at Psychedelic Solution, a happening N.Y.C. gallery.

The Pete Rose VOODOO KIT

Pharley Hustle has to hawk something, now that he's at least temporarily out of the ball game. Right now, his brand-new line of voodoo dolls includes only baseball commissioners, but Pete's sure to expand it to judges and lawyers and umpires' wives. It's wacky, it's fun, and it might not be completely harmless.

HEAVY ENDORSEMENT

MTV watchers, be on the lookout for the new video by Mike Monroe, "Dead, Jail or Rock 'n' Roll." In the smokin' clip, Guns N' Roses lead man, Axl Rose, puts in a cameo clad in a HUSTLER T-shirt. "I fuckin' love HUSTLER," Axl told us. "But it was just an accident that I even got in the video. I was there to watch." Thank goodness for accidents. Thanks, AXl

This offer expires December 31, 1990, and only the first taker among our dirty dozen will be eligible to snag the mega-cash. Hurry, dahling, flash your gash. Which one of you shall we see?

Oprah Winfrey: Show us quick, before it bloats up again!

Kimberly Conrad: With his mag on the skids, hubby Hefner could probably use the money.

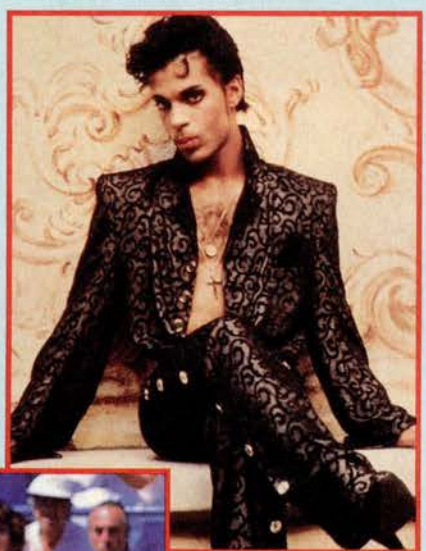

Roseanne Barr: Is the cunt big enough to hold the ego?

Maria Shriver: Has Schwarzenegger stretched out this Kennedy-spawn's squack?

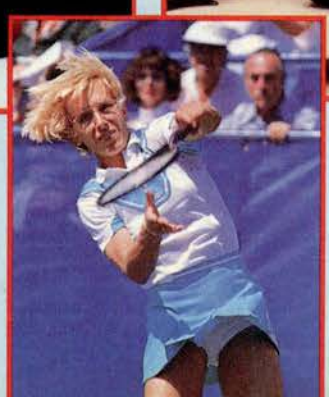

Michelle Pfeiffer: Give the public something to distinguish her from Kim Basinger.

Madonna: Or is she saving it for some big-nosed tongue of sappho?

Marilyn Quayle: VP Dan gets in 18 holes a day; he'll never miss this one.

Martina Navratilova: A chance to squelch those nasty steroid rumors.

WEIRD SEX

DO'S AND DON'TS

Some guys will take pussy any way they can get it. Of course, that includes the wrong way, demonstrated here by a brainless putz who flagrantly abuses his privileges as a pet owner. Chalk up another instance where curiosity almost killed the cat.

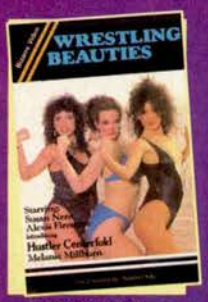

Sometimes fisting can be a permanent pain in the ass. The guy on the left is keeping his sphincters clenched—he's afraid some vital organs will get sucked out if he lets go. The guy on the right is keeping his fist clenched. He doesn't want to lose his wedding ring! An unhealthy dose of Seconal or a solid blow to the head could be the answer for these two terrible twins.

When the bars shut down for the night, the Weird-Sex Emergency Room opens for business. Some people go to the far end of extreme in the search for an ultimate mind-blowing orgasm, and when the careless collide in nutball cum-quests, the casualties limp, slither and slime into the waiting room of Genital Hospital. Have a seat, take a number and stop worrying. The doctor's heard it all before.

When a close shave gets this close, put away the razor for a while. Cuts, rashes and scabs are no turn-on to a pussy licker.

EROTIC ENTERTAINMENT

Peaches 3: A bitch to live up to.

With more than a thousand hard-core movies being released each year for the home audience, viewers, increasingly confronted by seductive advertising and slick packaging, are often at a loss when it comes to selecting an X-rated tape worth watching. HUSTLER *is committed to serious, no-bullshit criticism designed to accurately inform readers of XXX-cinema offerings, and to spur the adult-entertainment industry to better productions. Despite their drastic decline, there will always be adult theaters, and we'd never leave a film buff in the lurch: If a review says a production was shot on film, it's probably playing on a big screen somewhere—all you have to do is find it.*

PRETTY PEACHES 3: THE QUEST

Shot on Film.

Three-Quarters Erect. Directed by Alex deRenzy; starring Keisha, Tracey Adams, Rachel Ryan, Jamie Gillis, Victoria Paris, Jon Martin, Tami Monroe, Eric Price, Lynn LeMay, Marc Wallice, Pricilla Love, Vicki Blair, Tianna, FeFe Bardot, Don Fernando, Mike Horner and Gene Carrera. Videocassette by VCA.

Excellence may be its own reward, but it's also a bitch to live up to. Alex deRenzy's *Pretty Peaches* pictures have been among the most enjoyable entertainments ever put out by pop-shot cinema, none of which makes *Peaches Part 3: The Quest* seem any better than a cranked-out crud-fest. *The Quest* has the basis of a cute little story, it has Keisha's big, cuddly boobies and her purple-tipped, popsicle-slurping tongue amply filling the title role of Pretty Peaches, and it has the crisp, eye-pleasing look of a deRenzy presentation. It lacks the consistent whackoid guffaws engendered by its pair of predecessors and any truly gripping gonad work through most of the first half. Once the sperm starts to fly, quintessential Kewpie doll Tami Monroe eats Jon Martin's balls, bone and bunghole from behind; FeFe Bardot and Don Fernando are feelthy with feeling; and Keisha basks in the bone juice of first Eric Price and then Mike Horner. Despite all that, *The Quest* doesn't look hard enough.

SEX SCENE

"NEW AGE" EROTICA

Tori Welles

Porsche Lynn

Before the onslaught of video, producers of X-rated movies regularly held private screenings for the smut press. It was the only way to ensure that their films received pre-release publicity. For the critics, it was a party two or three times a month. The companies would ply the ink-stained wretches with food and strong drink and hope for good reviews. Aside from their obvious PR value, screenings also provided a way for the industry to stay together; the press, the manufacturers and the performers met face-to-face on a regular basis, and relationships were made and solidified. Porn was a big, happy family. Then came video, which effectively killed screenings.

Caballero, to mark the release of* Night Trips, *turned back the clock and invited the industry to a special screening of the 35mm feature it hopes will begin a "new age" of erotica. Complete with open bar, fancy food and half-dressed porn queens, the evening felt like old times. There was* Trips *star Tori Welles's glowing smile; Cheri Taylor's second-to-none body encased in a tight-fitting, dangerously short dress; Viper and her new soft-and-big titties; newcomer Laurn Bryce, a 5-11 beauty with the looks of a fashion model; fit and firm Porsche Lynn in red leather; Tami Monroe, porn's littlest spread, a foot shorter than Bryce, looking oh-so-fuckable in black; and several assorted women, dressed to kill, all cavorting among critics, directors, producers and company honcho Al Bloom, who said, "If this movie works, we're going to continue doing things like this."

4-F DATING SERVICE

Three-Quarters Erect. Directed by Bobby Hollander; starring Rachel Ryan, Aja, Viper, Tom Byron, Joey Silvera, Kassi Nova, Eric Edwards and Marc Wallice. Videocassette by Arrow Films & Video.

Ryan's **Service** *is a pud-pulling delight.*

Rachel Ryan has been reconstructed more than your average hunk of Play Doh, but this lady is one of the hottest fuck machines around. She'll put a dick in any orifice, and although her shitter isn't sullied this time out, her two bush bangings with Marc Wallice and Joey Silvera are the stuff wet dreams are made of. In *4-F Dating Service*, she plays a woman who runs a video-dating outfit, and thanks to her, along with the sultry snatch of Aja and a priceless scene with Viper utilizing vegetables, the tape is a virtual pud-pulling delight. Aja's throating of Eric Edwards is the highlight of her scene before the dark-haired beauty rides his rod to ecstasy. All you natural-food fanatics will find the Viper-Kassi Nova muff-dive essential viewing, as the tattooed tart crams an ear of corn up Kassi's cooze while satisfying herself with a carrot. Throw in Viper doing a mantra-like hum while she tongues Kassi's butthole, and you have a scene that could melt the polar caps.

LEAVE IT TO CLEAVAGE PART II

Three-Quarters Erect. Directed by Roy Karch; starring Trinity Loren, Buck Adams, Champagne, Kassi Nova and Shane Hunter. Videocassette by Erotic Video Network.

Usually the sequel to shit is just more forced runny fecal matter streaked with sanguinary hemorrhoidal discharge, which might lead the wary wad-cinema devotee to be chary about checking out *Leave It to Cleavage Part II*, which is, after all, the son of a turd. But *Cleavage Part II* is a rare exception—*Part II* makes no more sense than *Part I*, but it's sure to launch a thousandfold more loads. The cast is 100-percent different and superior, director's credits are different and deserved, and cameramen (note the plural) and editors are different in that they know how to shoot a hot fuck. Ultimately *Part II* is differentiated in that it does contain hot fucks. A mere cast of five churn through four dick-to-squack attacks and one cunt-to-cunt gobble and bump, each a hard, authentic, truly meant meat-grind. Buck Adams isn't faking his passionate pistoning intensity; Trinity Loren's tongue not once flinches in distaste, whether licking Shane Hunter's spuzz from her boobies or prying through the twat of Champagne. Leave it to *Leave It to Cleavage Part II*; you'll be in good glands.

GIRLS GONE BAD

Half Erect. Directed by Bobby Hollander; starring Rachel Ryan, Tianna, Sharon Kane, Erica Boyer, Natasha Skyler, Grace Scott, Renee Summers, Rachel Richards, Tina Jordan and Jade East. Videocassette by Gourmet Video.

Director Bobby Hollander wrings more sleazy, good-natured moments out of this all-girl fuck tape than most directors get out of prick-packed fuckvids. His secret is to get the girls relaxed and let them go at each other, ass and pussy in the air for all-out, no-holes-barred gash-bashing. Set in a women's correctional facility, the caged cunts spend their time licking and finger-fucking each other into erotic oblivion, cutting from one muff-munching romp to another—and what lovely slits they are. Tianna's fuck-tunnel is a mouth-watering hair hole, reeking with cunt juices that beg to get sucked and plucked. Her tight, pink asshole is one of the hottest sphincters in porn. It's a perfect little crapper. When she finally gets it stuffed with a brass-tipped dildo, it's not Miller time; it's cream time. Unfortunately, not a lot of sex devices are used, but there are two pussy-shaving scenes. Check out Renee Summers giving redhead Grace Scott a twat trim, then slicking down all that pink meat with her saliva-soaked tongue. This is not a women's prison; it's where every card-carrying dyke dreams of going when she dies.

—Rusty Knox

Girls: *No-holes-barred gash-grinding.*

The great tits of Lee, left, and Paris will keep you up at ***Night.***

LATE NIGHT FOR LOVERS

Half Erect. Directed by Scotty Fox; starring Robert Bullock, Blake Palmer, Brandy Alexandre, Victoria Paris, Randy West, Tori Welles, Peter North, Tamara Lee and Durwood Small. Videocassette by Moonlight Entertainment.

Late Night for Lovers establishes Scotty Fox as a fearless director, unafraid of infringement lawsuits, of boring and alienating an easily pleased audience, of revealing that he has the comedic instincts of a salted slug, of exposing the definite limitations of his fuck performers' talents, of forcing his putzers to belabor at tasks to which they are terminally ill-suited. Robert Bullock and Blake Palmer, beautiful people that they surely must be, are simply not equipped to function as charismatic cult personalities; so why ask the viewer to pretend this pair of stunt dorks are actually Paul Schaeffer and David Letterman? Just let the dongs dick slender Brandy Alexandre, semen-smearing her at both ends; then bring out Tori Welles for a quick-draw spuzz-artist; follow that up with Victoria Paris spreading a cunt feast for the lips and dick of Randy West; bring Victoria back again with a big-tit companion to kiss and mash breasts until Peter North dangles his dong between their lips and hoses off Paris's chest; then finish off with Bullock in the kitchen with Tamara Lee to mix up a special sperm-slinging recipe. See how easy that could be, Scotty? Shit-can the stupid smut tricks.

HOT SPOT

LEE CARROLL

Lee Carroll, one of the nastiest, filthiest, horniest women ever to spread her juicy cunt for the camera, is back. Porn's *numero uno* dirty talker, a hard-bodied blonde with four decades under her panties, has returned, and an infusion of her expert raunch is exactly what X-rated videos need. Porn is too often a collection of tepid couplings designed to appeal to a wider audience (i.e., women), leaving dedicated strokers with empty hands. There's none of that bullshit when Carroll gets in front of the camera. She likes it wet and sticky and in her face, or in your face, or in her asshole; anywhere as long as it's hot enough to boil balls and send cum flying. This woman used to let members of the audience lick her cunt during her strip act. Times may be changing, but thank your lucky tube of lube that Lee Carroll hasn't. Her older credits include *Mascara*, *Sexcapades* and *Satisfiers of Alpha Blue*. Look for her return in *Immorals*, where she sticks four fingers up Viper's shaved and pierced cunt, and HUSTLER *Video #4*—what, you think we'd let such a cum-crazed slot get by without taking our fill?

NIGHT TRIPS
Shot on Film.

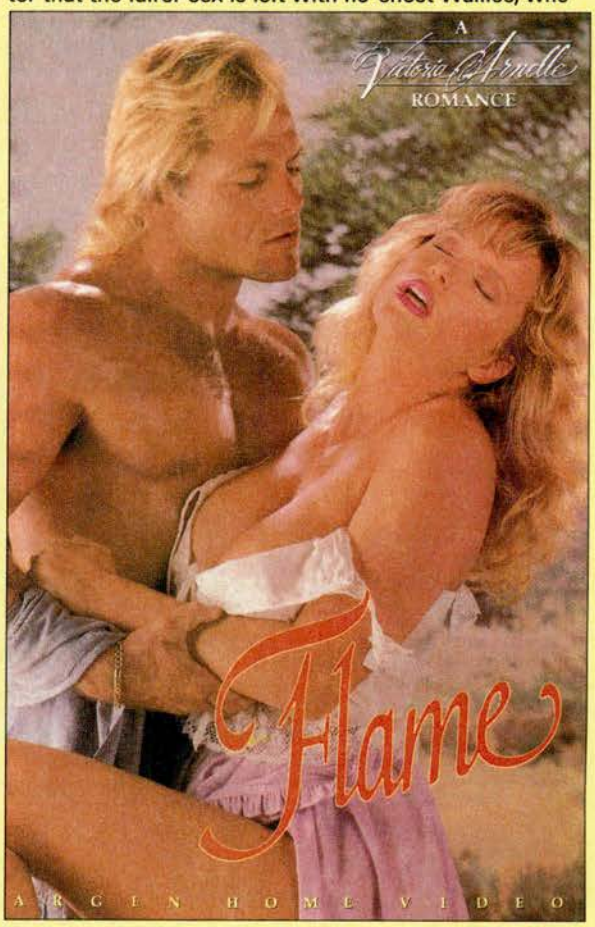

Three-Quarters Erect. Directed by Andrew Blake; starring Tori Welles, Porsche Lynn, Randy Spears, Victoria Paris, Peter North, Ray Victory, Tanja De Vries, Mark De Brun and Jamie Summers. Videocassette by Caballero.

Tori Welles stars as a woman who is having trouble dealing with the sexual content of her dreams; so she agrees to undergo special treatment at a research clinic, where she is hooked up to a high-tech computer that puts her mental images on screen for the doctors to analyze and the audience to enjoy. Maybe. If this is the "new age" of pornography, let's say a eulogy for raunch, because there isn't a smidgen of anything disgusting in this 70-minute easy-listening video. In a few years it'll show up on VH-1. This looks wonderful; the performers are beautiful, the editing and direction are top-notch, and it's sure to attract a wider audience for erotica—especially those who dislike hard-core—but it'll never play for raincoaters, those dedicated strokers who yearn for the sweat, strain, sounds and smells of sex that are glaringly missing here. Director Blake, whose background is the Playboy Channel, has had his sense of sexual excitement warped by cable's smoky-lensed tease. He never pushes the audience over the edge; it's all very proper. The sparse dialogue—maybe a word per minute—and a never-let-up sound track create a distance between performer and audience that is never breached. There is no involvement, hence no climax—just an endless string of well-photographed couplings you can watch with your mother. An early '80s Caballero film, *Nightdreams*, covered the subject better and with more heat. *—Mal O'Ree*

FLAME

One-Quarter Erect. Directed by Victoria Arnelle; starring Aja, Marc Wallice, Tracey Adams, Chris Alexander, Renee Summers and Jaqui Anne. Videocassette by Argen Home Video.

A love-conquers-all story designed to appeal to women, who, judging from this, don't enjoy hot-and-sweaty sex. Regardless of how a woman approaches sex, she still wants to get fucked and get off, a notion that slipped by *Flame*'s producers. Granted, Alexander is a fine specimen of muscular man-flesh, a blond hunk any woman would be happy to ride, but he only has one scene; after that the fairer sex is left with no-chest Wallice, who

hardly resembles an imaginary bodice-ripper. Instead, Wallice is an asshole redneck slob who mentally abuses Aja, his drudge of a wife, all the while he is fucking other women. Then at the end, after all the shit he's put her through, Aja's love changes Wallice back into the man she married. How quaint. After they throw up, raunch-seeking strokers will want to cut off their hands. Aside from Aja's wonderfully slick slot and Adams's big titties—love the meat on her bones—this is a fast-forward affair, with any potential heat drained by slow-motion editing tricks. In the first—and best—sex scene, Aja is on her knees sucking Wallice's steel-hard pecker, then opens up for a rough mouth-fuck, getting ready for the cream shower that's sure to come, when suddenly everything slows to a crawl, and the cum blast becomes a jerky dribble—although Aja does get some on her smiling face. *Flame* is a nice-and-easy piece of fluff that will be gentle to X-rated novices, but card-carrying pervs will look elsewhere for a spark. *—M. *In the **Future**, ebony-and-ivory insertions will be illegal.*

FUTURE LUST: A TIME TO COME

Half Erect. Directed by Scotty Fox; starring Debi Diamond, Sade, Jerry Butler, Tom Byron, Nina Hartley, Ray Victory, Staci Lords and Tabitha Stevens. Videocassette by Moonlight Entertainment.

Why is it that porn always portrays the future as someplace where sex will be illegal? *Future Lust* is yet another pump parade wherein cocks and cunts are forbidden to intermingle, but wind up locked in carnal criminality anyway. Delectable Debi Diamond plays the cryogenic cutie who's thawed out to teach dweebs Jerry Butler and Tom Byron about the joys of slit stuffing. Doxy Debi also succeeds in reviving the novelty of nookie noshing in a lesbo labe-lashing with Staci Lords and Tabitha Stevens. Debi's cunt chomp with black bimbo Sade is apt to get you to massage your meat, but it's her hot humping with the tooling twosome of Tom and Jerry that definitely inspires a squirt of spritz. Debi takes them first in a torrid mouth-and-muff stuff, and then later with Sade in an ebony-and-ivory insertion where Tom and Jerry nearly rattle their balls off the brass bed. Diamond glistens enough to work your wang well into the next century. —*S. L.*

BLAZING NOVA

One-Quarter Erect. Directed by Chi Chi LaRue; starring Kassi Nova, Bionca, Jacqueline, Andrew Michaels, Eric Price, Tim Lowe and Nick Romano. Videocassette by Las Vegas Video.

When Bionca is light years ahead of the other chicks in a sex video, the show is in serious trouble. This one pretty much has the headstone in place by sex scene number three—when Kassi Nova bares her glob of repulsive cellulite for a lesbian romp with Bionca, who actually looks like she *enjoyed* slicking down that foul-looking cunt. Bionca deserves some kind of an award for that one. Bionca and new girl, Jacqueline, provide the only dick-hardening moments. Auburn-haired and floppy-titted, with a jiggling ass and a slutty personality, Jacqueline is a poor-man's porn star. She doesn't have a fashion model's face, but, hey, shove a dick in it, and she magically turns into a real sexy bitch. In fact, the best shot in the tape is her lip-fucking Eric Price's wide-bodied dong. What Nova lacks in looks, she tries to make up for with sheer gutter-sex—and misses. Even wicking down three dicks in one scene is just as much a chore for the viewer as it is, evidently, for the three studs, who fight like hell to keep their peckers hard. Kassi Nova is the female equivalent of Ron Jeremy. —*R. K.*

SOAKED TO THE BONE

Half Erect. Produced by Richard Mailer; starring Debi Diamond, Jade East, Trinity Loren, Rachel Ryan, Ron Jeremy, Barry Wood and Jesse Eastern. Videocassette by Intropics.

***Soaked** isn't even moist, but it has a few good blowjobs.*

Soaked is not even moist. Not even the "wet" T-shirt contest is wet. The girls prance around the stage in *dry* T-shirts! A few blowjobs are adequately shot, but they lack fluid payoff. The closest thing to a face creamer is when Diamond whips around after Jeremy dumps his scummy nut-juice on her buns, and she sucks filthy foam off his dark pussy-probe. Diamond is the husky-voiced bar slut most men only dream of slapping in the face with a big, soggy cock. Fortunately, her scene is the first romp of the show. She bends over and slurps on Jeremy's swarthy probe with such relish and lip-smacking thirst, it'll get a pecker pulsating in seconds. Jade East seems to be a little more seductive and enticing than usual, but once she gets a tongue or dick in that cunt, she turns right back into an all-out, mindless whore. Jade has full, succulent lips that curl in a nasty snarl in close-ups of her scarfing on some worm-white dick flesh. An abundance of slow-motion photography indicates that not much good sex footage was shot, and the editors had to "cover" it. —*R. K.*

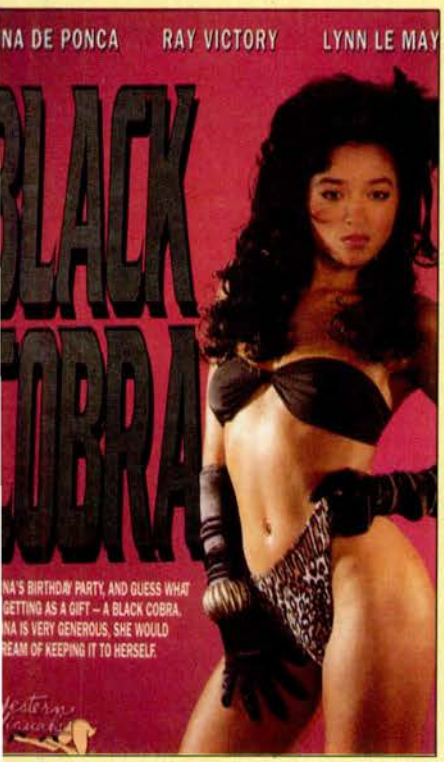

FOOLISH PLEASURES

Half Erect. Directed by Scotty Fox; starring Tori Welles, Carol Cummings, Jerry Butler, Mike Horner, Randy West, Brandy Alexandre, Tamara Lee and Robert Bullock. Videocassette by Moonlight Entertainment.

Jerry Butler is at his best in *Foolish Pleasures*, playing an obnoxious loudmouth. His typecasting is the highlight of this collection of so-so slammings. Along with nerds Robert Bullock and Mike Horner, Butler is sent to charm school to learn the ways of a stud, all under the auspices of Tori Welles, Carol Cummings and Tamara Lee. While the film is long on humor and decent dialogue, it lacks in the heat department. The usually incendiary Welles is merely mortal here, helping Lee on a ho-hum Horner header, and later going one-on-one with the mustachioed meatbag in a solid, unsensational slot spreader. Cummings fares little better with her two carnal couplings, a routine pole-in-the-hole with Randy West, and a semipotent poon plug from Butler. Brandy Alexandre inspires insomnia with her yo-yoing on Bullock's yam, depleting the sperm count dangerously close to nil. Butler, though, is a laugh riot—a real attempt was made to create a believable character. It's just a shame that the same imagination wasn't put into bringing your balls to the boiling point. *—S. L.*

Cummings gives West some ***Foolish*** *pleasure.*

BLACK COBRA

Half Erect. Directed by Clyde DeVille; starring Debi Diamond, Nina DePonca, Ray Victory, Blake Palmer, Raven Richards, Lynn LeMay and Don Fernando. Videocassette by Western Visuals.

Anyone expecting nonstop lengths of glistening jet-pitch crotch snakes slithering through jungle bush may be partially disappointed by *Black Cobra*, though it does feature Ray Victory's prodigious ebony reptile, which must certainly be the title serpent. Victory's angry black cobra is saved for the video's final scene, raising its fearsome, hooded profile for charmers Nina DePonca and Lynn LeMay, who orally and vaginally share the bulging coal-skinned, hot-blooded reptile. Attached to Don Fernando and Blake Palmer, serpentine cunt-skewers of a paler shade plunge into the balance of *Cobra*'s holes. Palmer works long and hard with blond, lascivious, fuckface Debi Diamond, who is so pummeled by Palmer's prong that she recuperates in the accommodating folds of Nina DePonca's smoky cunt, only to be disturbed by Don Fernando and his pushy putz, which gives its fill to DePonca, and then goes on to lay LeMay in a couch-shaking conch stuffing. Watch out for *Black Cobra*; it's of the spitting species. *—C. S.*

RUDE, CRUDE, BUT DEFINITELY NOT NUDE:

A Guide to Nonphotographic Nude Modeling in the Photogenic State of Texas

by Anthony "Tex" Lovett

Nude modeling is to the great state of Texas what massage parlors are to the rest of America—a front for the world's oldest profession. This odd Lone Star tradition thrives alongside the concrete superhighways and industrial strips that crisscross Houston, El Paso, Midland and Dallas. The typical "modeling studio" is most often a simple affair: a small cinder-block structure far less assuming than the illuminated trailer-sign parked in the gravel lot out front.

Harry Hines Boulevard cuts a clean swath through Dallas's western industrial district—a major drag for pharmaceutical companies, garages, warehouses, auto-supply stores, peep houses, pawnshops, strip joints, nude-modeling studios and diners named after guys with monosyllabic names such as Al and Ed. For the morally bankrupt motorist, it can be a street of many hazards. Here is a monotonously long and straight gray stretch of asphalt, its shoulders peppered by what appears to be the flotsam of Dallas's lower-priced beauty schools. Here, appropriately dressed prostitutes pace deliberately, backlit by the glaring, flashing lights of a dozen porn shops and modeling studios.

Illustration by Bob Schuchman

Just what goes on inside one of these so-called modeling studios? Although you don't have to be a member of Mensa—the international organization of super-intelligence—to answer that question, the subtleties of dealing with these unique establishments might surprise you.

I chose the Silk and Satin Modeling Center (11398 Harry Hines Boulevard) for two reasons: 1) because it was the largest nude-modeling joint found on Harry Hines, and 2) because it was a Center, not just a studio, and by implication served as the source for all other modeling studios. Perhaps all the lovely nude models were trained here. The building was certainly large enough—it looked as if the previous tenants had been major wholesale tool distributors or proprietors of a Liquor Barn.

Upon entering the dark and strangely oxymoronic "Reception Area," I immediately sensed the kind of warmth and welcome Kurt Waldheim might receive upon arrival in the Holy Land. Two girls, or what appeared to be girls, were lounging in the room. One, a frizzy-haired porker in a one-piece burgundy bathing suit, was crouched in front of a black-and-white TV set, trying to tune in a rerun of *The Dukes of Hazzard*. The other was a Mexican/Vietnamese mix, also decked out in a lycra one-piece, who sat on the couch and gnawed nervously on what appeared to be the world's smallest piece of gum. Legs tightly crossed, eyes as welcoming as a pit bull's, she sat there and stared. Where, I wondered, was the beautiful silk and pink satin I had expected?

Smiling (I know dogs sense fear in men, and so could these women), I explained that I was on assignment from HUSTLER to find out just what nude modeling was all about. She might have been deaf; she just chewed on her gum. Frizzy looked over and sneered, and then she went back to the TV.

"What do you charge?" I asked.

"Rates on the wall," Frizzy replied, lifting her thumb and throwing it over her shoulder toward the hand-

"Well, <u>that</u> proved a point—honkies don't know a goddamn thing about fucking!"

printed sign on the wall behind her.

It read: 20 minutes for $30/30 minutes for $35/45 minutes for $45/1 hour for $55.

continued...

"What about two hours? Is that $100?" I inquired.

Frizzy glanced at the other woman as if I were crazy. They nodded to each other and smiled with the corners of their mouths as bored, sexually abused man-haters are wont to do.

"Who's in charge here?" I asked, pressing my luck.

"Nobody's in charge here," Ms. Saigon said coldly. Shades of *Apocalypse Now*.

"Doesn't HUSTLER Magazine mean anything to you?" I demanded. She shrugged—maybe it did, maybe it didn't.

"Okay—well, what does a guy get for his money?"

Saigon shifted on the couch, looked up at the ceiling and sighed. "You get to talk to a nude girl in a private room. Modeling is done for an additional tip."

There it was—the place was nothing but a rip-off joint. Suckers were expected to pay extra for the "modeling." They should call it the "Nude Talking Center." I decided to stick around anyway. Something about these two whores appealed to my sense of indecency.

"Well," I ventured, "what kind of modeling do you do?"

"The kind you see in the magazines," Saigon replied.

"Like HUSTLER?" I asked, coldly. She gave me the evil eye.

I looked over at the fat one. She was hitting the top of the TV with the flat of her palm. For a moment there was an image of a car flying through the air, but then it receded into snowy static. I looked hard at her. She could successfully pose for some sort of farm journal.

I turned back to the more exotic model and pressed forward. "Well, if HUSTLER were interested in doing a photo-shoot down here with some of your girls, who would they contact?"

"We don't do photo-shoots," she flatly responded.

"But this is a nude-modeling studio," I said, as if I had invented the concept.

"Photographs aren't allowed," she said.

"You mean that this is a nude-modeling studio where you model like in the magazines, but you can't take any pictures?" I asked, incredulous.

"That's right," she said.

I decided to make things clear—and risk physical attack. "And so your boss wouldn't be interested in the kind of publicity you'd receive from a photo-spread in a magazine with a circulation of millions because, even though you're nude models, you don't do nude modeling for a camera? Is that right?"

"We're not interested," Saigon spat, her anger increasingly obvious. Even if she were aware of the ladder of drool hanging from her ornery mouth, it didn't occur to her that an airbrush artist could get rid of almost everything wrong with her.

"Okay, well, what would you think if we sent someone here to do some charcoal sketches, or pen and ink, maybe...watercolor, that would be nice...." My voice trailed off as I noticed small flecks of foam now forming in the corners of her mouth.

She sat up quickly, then moved to the edge of the couch. "Do you have a card or something?" she demanded.

"Well, no," I said, a bit embarrassed. Professionalism was an ace in the hole for her, and I'd only been bluffing. Even at gunpoint, HUSTLER wouldn't have to go to Harry Hines Boulevard for a centerfold.

"Good afternoon," she replied. She sat back slowly with that sideways smile again, crossing her arms in victory.

I left and never looked back. Chalk up another stunning victory for the Silk and Satin Modeling Center. They sure showed me.

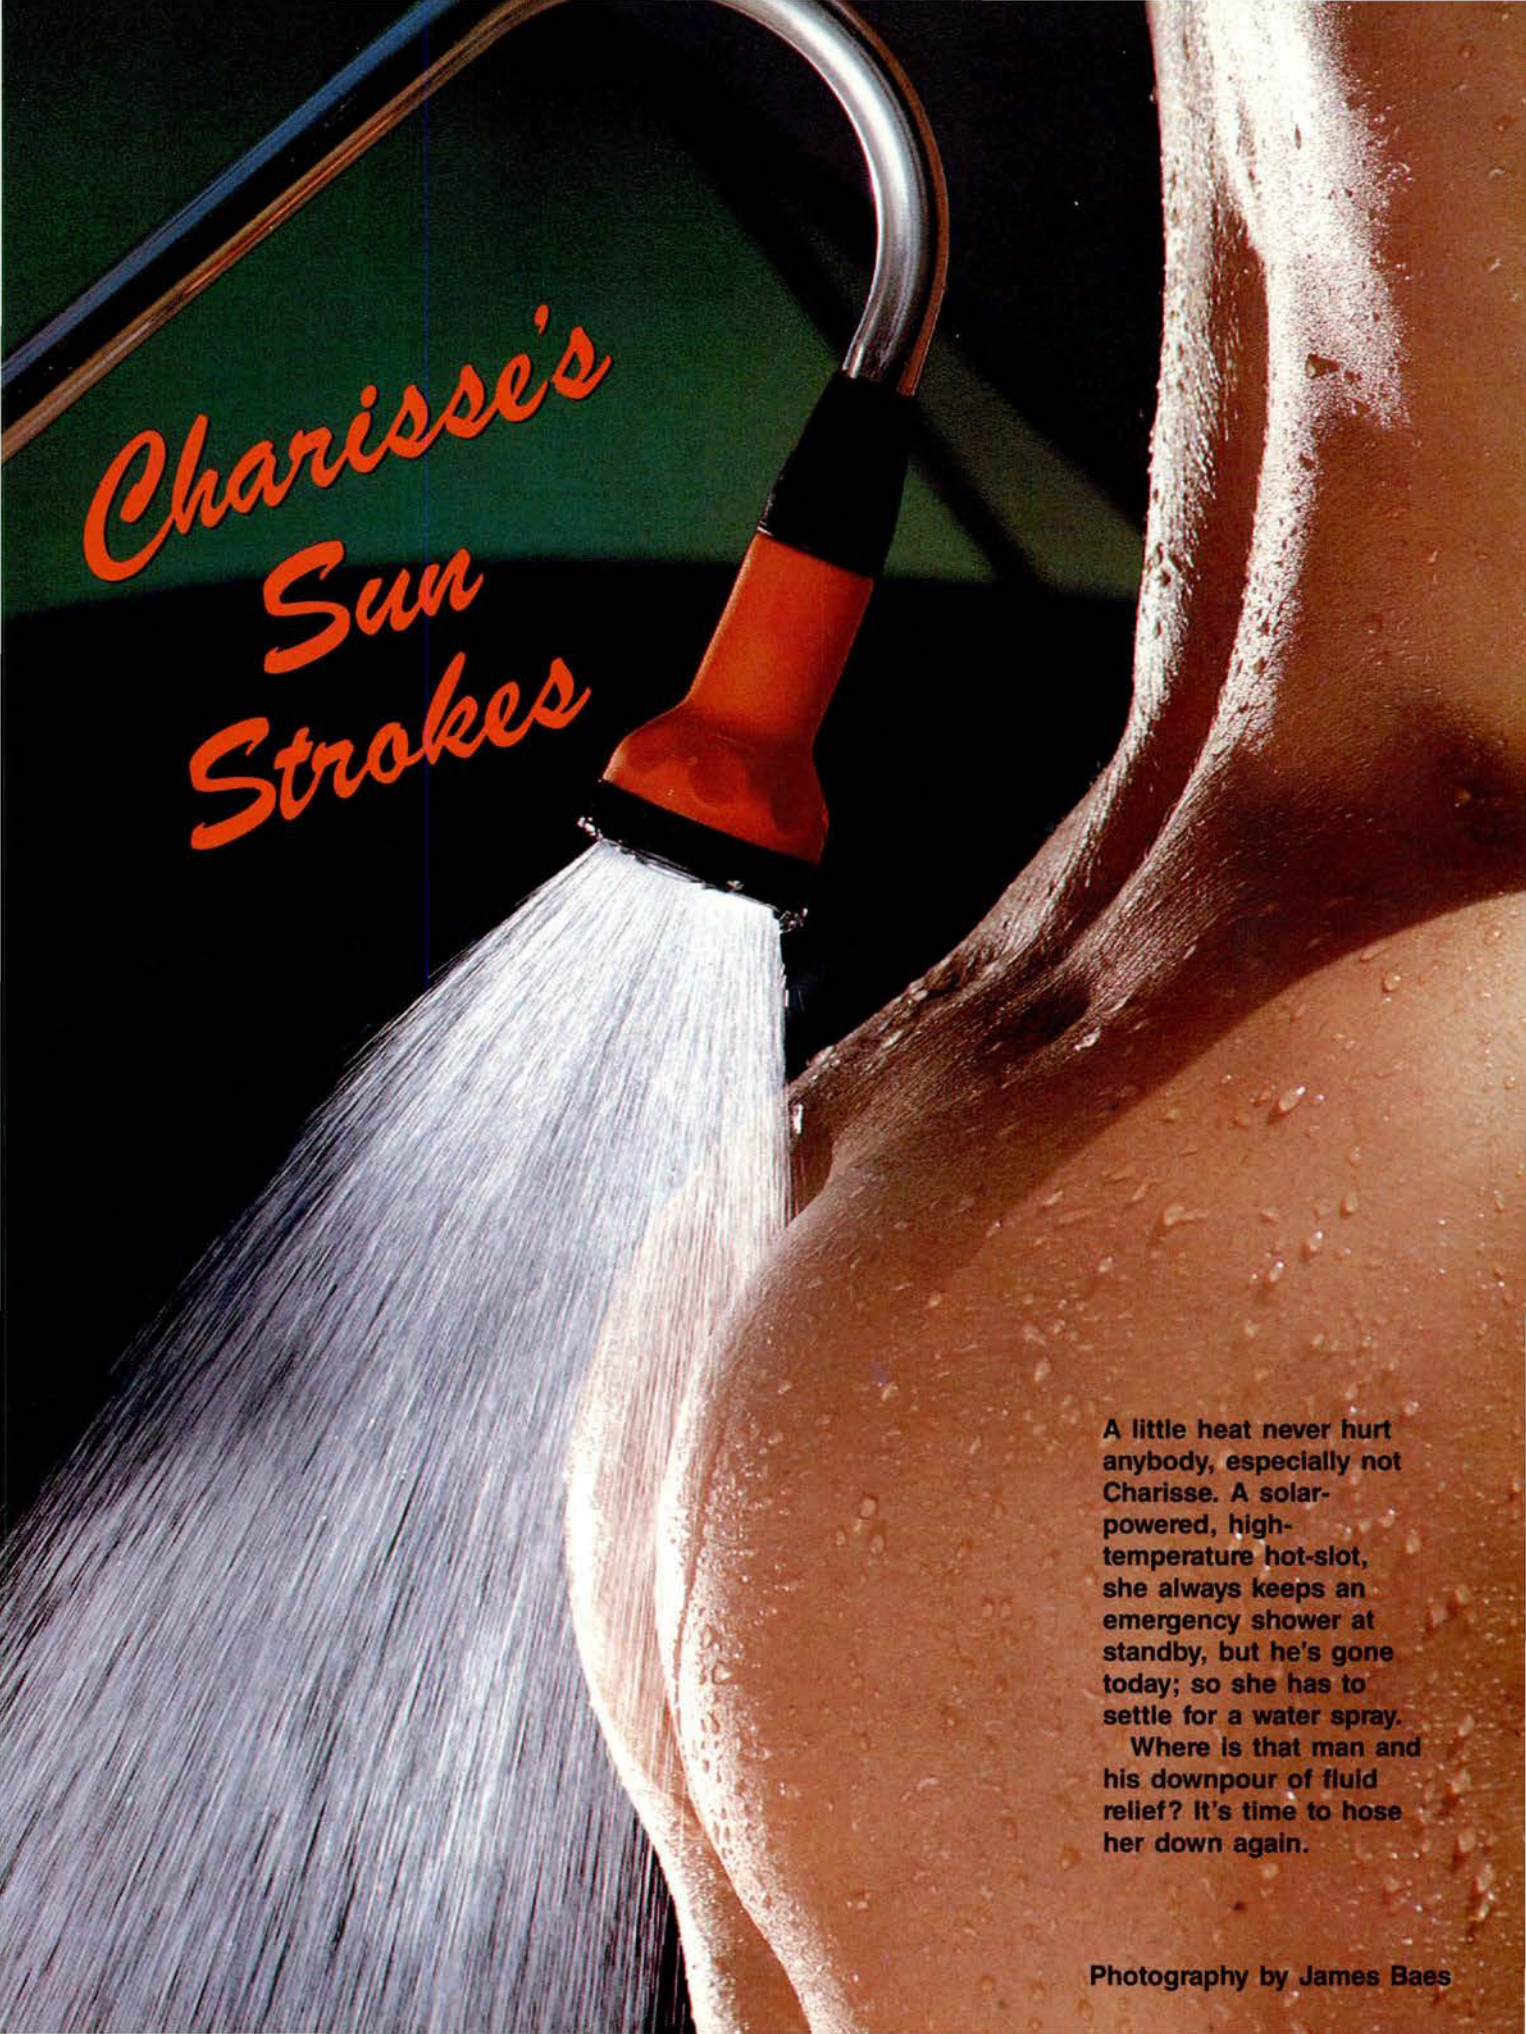

As the preceding tale illustrates, dealing with high-strung professionals like nude models is trickier than one might imagine. If you're smart, you'll use the following "Ten Commandments" to maneuver your way through the iceberg-strewn waters of nude modeling, Texas-style, without getting maimed:

1) Speak slowly and clearly upon entering the establishment.
2) Don't make any quick or threatening gestures.
3) Don't mention pimps or barnyard animals in the lobby.
4) Do not ask about your model's childhood.
5) Do not turn your back on the model unless you are related to her.
6) Do not feed the model.
7) Do not hit the model unless you've negotiated this beforehand for an additional tip.
8) Do not befriend, fall in love, propose to or feel emotion for the model.
9) Wear a condom (sunglasses, at least).
10) No photos.

Fortunately, Silk and Satin isn't the only nude modeling "center" on Harry Hines. Those who prefer something other than rude, cold behavior with their nonphotographic nude-modeling session can turn to The Bare Hare, 10815 Harry Hines Boulevard, or check out the hookers who hang around Harry Hines and Industrial Boulevards; Paris Adult-Book Stores/Video Stores/Peephouses, 11118 and 10524 Harry Hines Boulevard; or the Luxury Inn Budget Motel, 11140 Harry Hines Boulevard.

"Will the accused please stand?"

HOT LETTERS

SHAMELESS

I am loathesome. I am disgusting. I am without friends and without the know-how to make friends. I become more withdrawn and private every day. And I hate myself. But recently I've found a way to channel the enormous energy bitterness and enmity give me.

One night trudging home from work—I gut chickens, put their guts in a plastic bag and stuff them back in the chicken's asshole—I varied my routine by stopping at a pub. Putting my hands in 800 dead chicken assholes a day is not a fulfilling job and does little to lift my self-esteem. I took a small table in a dark corner, where I could observe and not participate. Who would want to talk to me anyway?

I was surprised to find that someone did want to talk to me. She sauntered over to my table, meeting my astonished stare with steady, coffee-colored eyes. I rose to leave, expecting a scene. It happens every time I make an effort to socialize. Some bully notices my craven, cowering demeanor and is drawn to me like a magnet. But this young woman hardly looked like a bully. Her boyfriend—no doubt some bruiser—probably put her up to it.

As I tried to slink past her, she grabbed my arm very firmly for such a delicate-looking creature and told me to sit back down. I quickly obeyed, even though I outweighed her by 80 pounds. She sat on the table in front of me and crossed her slender, black-stockinged legs. Her black-leather miniskirt did little to conceal the fact that she was wearing no panties, just a garter and hose. I couldn't keep my eyes off her milky thighs and almost hairless pussy. She seemed very pleased, amused that I was so taken with her brazenness. She grabbed my chin roughly in her tiny hand and pulled my face close to hers.

"I want you to come with me. No questions. And I want you to do exactly as I tell you. I think you'd better take my offer." She leaned back and opened her legs, pulling her skirt up to reveal all of her treasures. "Because you'll never have a chance at anything this good again, you vile, nauseating piece of shit."

I didn't ask questions and followed her home. I couldn't imagine what she had waiting for me, unless it was a big, meaty boyfriend who would pummel my face.

She led me straight into her living room and left for a moment, after instructing me to stay put. She returned to the room in a full dominatrix outfit: black high-heeled boots, a black leather bikini, chains, spikes and a huge whip.

"Let's not waste time. Remove your clothes." She cracked her whip. "Faster, you insipid pantywaist. I don't know what I saw in you, you ugly, flabby cretin—except that you'll do everything I say and submit yourself to every indignity because you're scum." She threw some handcuffs at me and told me to handcuff myself to the staircase.

Naked and vulnerable, I sat on the stairs while my hate mistress screamed and yelled about how physically unattractive I was and how much she hated me. After whipping my back a few times, she sat on the step above me and instructed me to eat her pussy. I was unsure how to do this, and she boxed my ears and laughed at my ineptness. She ordered me to bring her to orgasm; if I didn't, she said she would ram my asshole with a huge dildo. When she produced the dildo, and I saw its size, I knew that I'd have to learn pussy-licking quick. This woman meant business.

She threw her spiked heels around my shoulders and dug them into my back while I wrestled her love button with my inexperienced tongue. As much as this little demon lover complained and squirmed under my poor, tired licker, she was wet and hot—and the way she dug her long, red fingernails into the carpet told me she was close to orgasm. Her eyes were closed, and she was breathing like she was on fire. I wanted to find a quick, easy way to satisfy the bitch, so I grabbed the dildo and thrust it into her tight honeypot.

She opened her eyes and shot me an angry-but-surprised look. "Who told you to fuck me with that dildo? Who told you?" she screamed at me, incensed but very excited. I kept ramming the oversize fake fuckpole into her cunt, and she bucked her hips in total ecstasy. The plastic pole did its job, and she screamed as wave after wave of orgasm electrified her dainty frame. She scrambled up the stairs on her ass to get away from my torturous dildo-plunging, spitting and spewing insults at me for my success at getting her off.

My hard-on had not gone away and was increasing in intensity the more she mistreated me. She noticed my throbbing member and spit on it. She uncuffed me from the staircase and led me to the den, where she cuffed me spread-eagle to her fireplace. For an hour she teased my rock-hard boner. First she'd jerk my dick until I was close to coming, then she'd squeeze my balls until I went soft again. A few times she licked my scrotum, tickling me so cruelly that I thought I would rip my wrists from my arms trying to get loose.

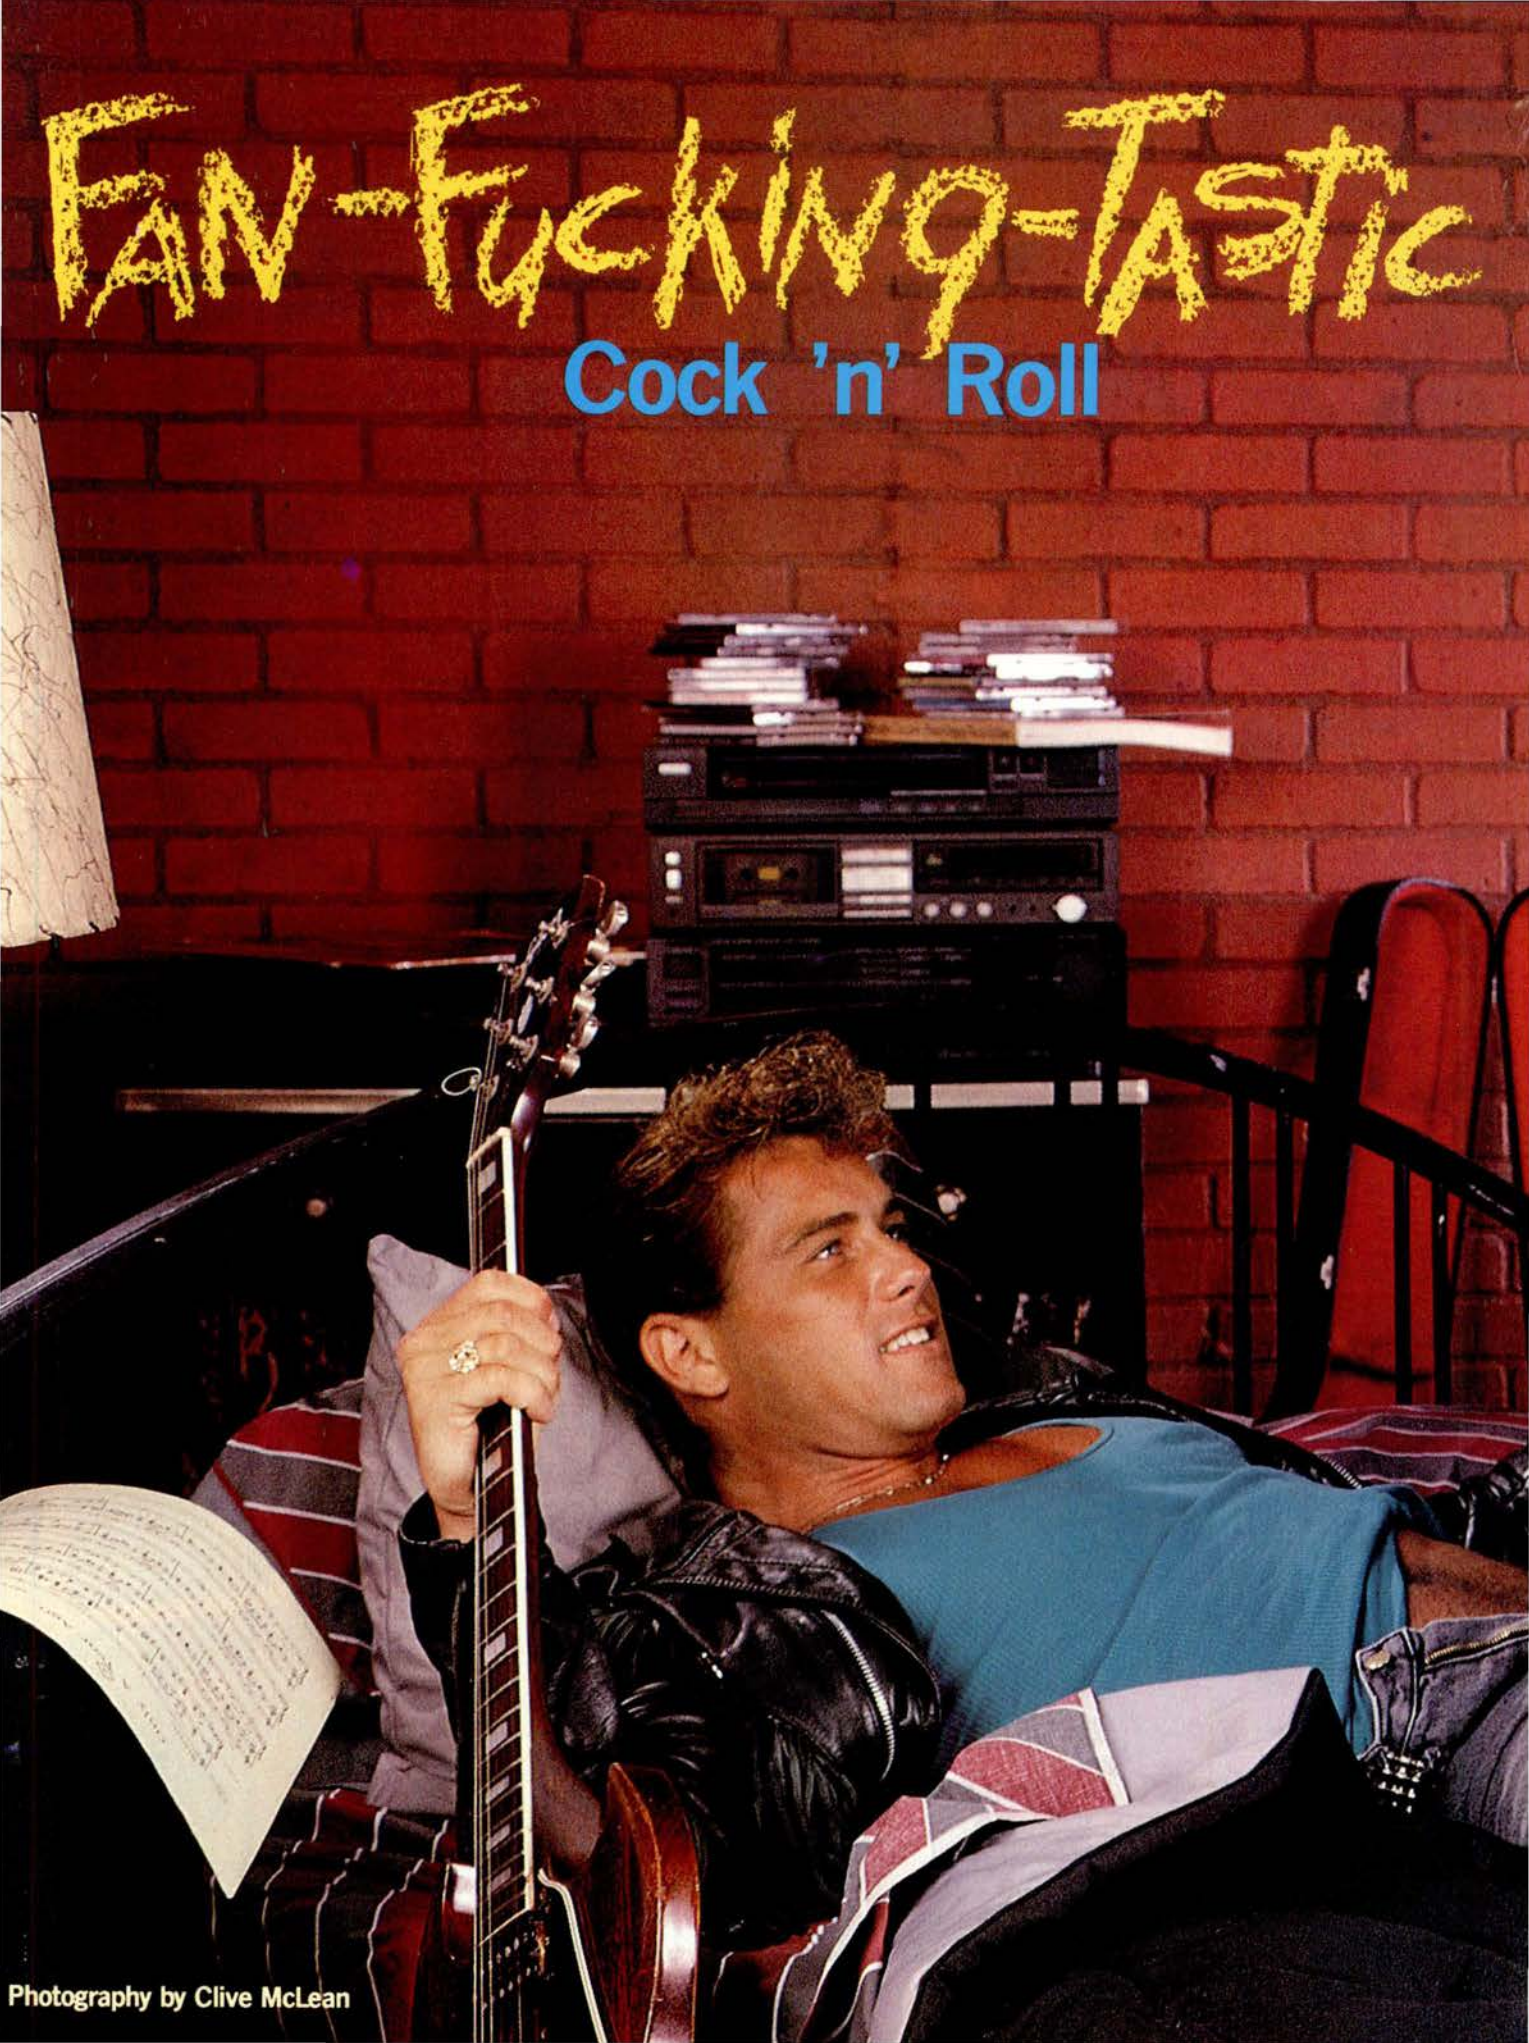

She disgraced me long into the night. I was hungry, tired and close to an emotional breakdown. Still, I stayed and did as she commanded. I ate olives (the only food she let me have) from her pussy, then she rammed the pimentos up my ass. I fell asleep cuffed to the fireplace (the only rest she allowed me). I obeyed her every com-

Groupies, after a while, wear a star down. Sex-obsessed fans follow the tour from city to city, knocking on stage doors, putting themselves at the disposal of a performer's libido, begging to be used.

mand without question. I tried to tell her of my love for her. She wouldn't listen.

She kicked me out into the street the next morning in just my underwear, with strict instructions to return the next Friday at 8 p.m. sharp. I returned and have gone back again and again for the past month. Now I store up my offensive habits and my contemptible thoughts—the very things that make me the abominable monster that I am—and confess them each week to my B&D priestess for spiritual renewal. BLAMELESS

I'm a secretary at a small family company, and the family name is Scrooge. When we employees were cheated out of our Christmas bonus for the third year running, a group of us decided to stage a different kind of protest. Instead of attending the official office party, we had our own party—a jerk-off orgy in honor of our favorite jerk.

David, a bachelor whose apartment could have doubled as a fuck palace, volunteered his place for the big event.

We ate, drank and told dirty stories about the boss. As the stories got cruder and lewder, David and I immediately called for attention. "As you all know, folks, the theme of this party is jerks and jerk-offs. Diana and I would like to be the first to jerk-off for you in the big boy's honor."

The oldest employees were in their 40s, and their mouths dropped open as David and I shed our jeans. The eyes of every man in the house riveted on my freshly shaved pussy as I pulled apart my pink turkey wattles and exposed my pulsating hole. Squatting a little, I dicked my finger in and out of my pussy.

Meanwhile, the ladies turned their attention to David. He is a lean, studly sort with an overgrown cock that is nine inches long with a fist-thick circumference and a pair of nuts the size of tennis balls. I licked my lips as I watched him wrap his fist around that giant organ.

Suddenly, I found myself opening and closing my eyes in the extremity of passion. I went tense as I felt the kick of approaching orgasm start deep in my cunt. Then I let myself go, not caring about the slimy gush that dribbled down my thighs.

David's eyes went dark with passion. I hurried across the room, kneeling at his feet to receive his spray. The instant I wrapped my lips around his cock head, he shot off hot and hard. I had to swallow for several minutes to get every drop of his abundant jism.

One of the other secretaries, a petite blonde, made gulping sounds, her lips pursing like a kissing fish. She hiked up her gold lamé skirt to reveal that she wasn't wearing any panties. She had a neat, rather sparse bush that did little to conceal the purple lips of her burning pussy. "Fuck, that got me hot," she said. Nobody could believe that our own sweet Jane had said *fuck*. And we really couldn't believe that she was riding her own finger right in front of us! The men unzipped their flies so they could pull out their cocks and fondle themselves as they watched her stroke her clitoris in slow, lazy circles.

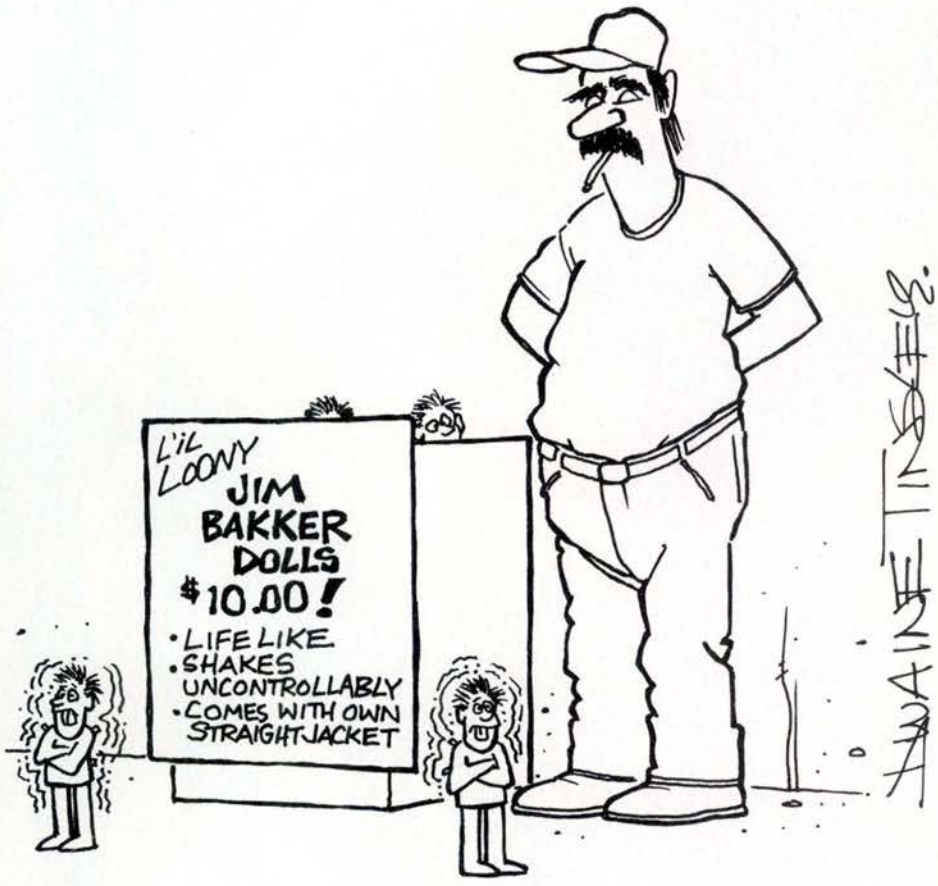

David pressed down on the small of my back, forcing me down on all fours. Wriggling my butt, I invited him to take a closer look at my female charms.

Propping the front half of my body on one hand and my chin, I let the other hand wander back to stroke my clitoris while David tongued the entrance to my shit chute. I bucked my fanny back into his face, inviting him to explore my depths with something more substantial than a tongue.

I got David's nose out of my ass long enough to slobber all over his renewed erection. When his pole was good and slick, he hunkered down over my butt and plunged it in. Ouch! The tight muscles in my rectum shivered as he spiked in and out of me. I couldn't believe pain could be so pleasurable. Although my cheeks felt like they were splitting in two, my clitty kept spasming in orgasm after orgasm.

Meanwhile, the other guys and girls were exploring their own sexual kinks—right there on the living-room floor! There was so much muff-diving, ass-licking, cocksucking and butt-fucking going on that you'd have thought it was a brothel instead of a company Christmas party. Before the night was over, I'd sampled all of the guys and most of the girls. Wild!

P.S.—We later found out that the boss had waited, alone, for somebody to show up at his lousy party. Needless to say, we were all too busy having fun elsewhere. Maybe if he's a better boy this year, we'll invite him to the next holiday orgy.

Andrew and Kristina were as much in love as two white kids could ever hope to be. Theirs was the kind of marriage middle-class America admires and strives to attain. It was a year since their wedding, and the two cars in their driveway were paid for, several well-invested stocks had tripled in value, the mortgage payments were up to date and getting easier, and everything was smiles and happy thoughts.

He stopped her from lipping his asshole. "Not that," he moaned. "You're going to be my wife."

They had met in the hallowed and expensive halls of an exclusive and very prestigious Ivy League school. Andrew was a seasoned junior, a running back on the football team, and Kristina was a sorority-pledging freshman, bright with eager energy, her young mind flush with the promises of good things to come, sure to make head cheerleader when the votes came pouring in.

They first made love in the backseat of Kristina's '55 Bel-Air, and Romeo and Juliet never made such touching poetry as they did that tender summer eve. The scent of oiled leather upholstery mixed with the odor of crisp, clean, adolescent bodies as football-playing Andrew and sweater-wearing Kristina ran innocently afoul of the strict Protestant upbringing they proudly embraced without question. Fighting for space in the cramped seat of what they later jokingly called the "elope-y jalopy," Kristina and Andrew discovered for the first time the physical ecstasy that a full moon and rock music conspired to promote, and they pledged to spend the rest of their days in the sacred bond of marriage. His anxious hands were allowed across her soft, fair breasts without restraint, and his hot, red tongue took to her nipples like a newborn babe.

"How soon can we get married?" gasped Kristina. Andrew stuck his tongue in her ear and mumbled something she couldn't understand. "I'm calling my mother tonight. I'm going to tell her I'm engaged," said Kristina.

Another mumble.

Then she felt Andrew's hands at the back of her head. He slowly pushed her face down the front of his unbuttoned shirt. Chest hairs tickled her nose. His fraternity pin almost caught on her eyelid. Before she knew it, she was eye-to-eye with the ominous bulge in the crotch of his cords.

"Pull it out," he commanded in the take-charge tone of voice that his teammates on the football squad admired and she had learned to respect. With trembling hands, she lowered the zipper and took his fat, hard cock in her hand.

She took a moment before slipping it into her hot mouth to reflect on the situation. There was no way Andrew could duck out of marriage after this, she realized. A heavenly relief washed the troubled waters of her brain. She might as well go all the way.

Her lips and tongue attacked his cock with reckless abandon. She took special care not to let her teeth brush his sensitive skin. She even sucked his balls, and it was he, not she, that stopped her from lipping his asshole. "Not that," he moaned. "You're going to be my wife."

The thrill that shot through her at these words rivaled the pleasure her pussy was feeling, as Andrew's tongue snaked around her quivering clit for what must have been the millionth time. His fingers stroked her silky little bush, and then he dipped his aching cock inside her. She gasped and called him Jesus, and if his leg hadn't cramped, he would have shot a load of jism so far up her quim that she could have tasted it.

That was over three years ago. Andrew graduated with honors, and Kristina quit school to become his beautiful bride. She had no regrets about leaving school. Andrew Cochrane was going to be the father of her children.

Andrew was soon a successful architect who could support a large family and still afford what Kristina considered were the basic amenities of suburban living—Neiman-Marcus, I. Magnin and the trendy restaurants. The prospect of motherhood and expensive maternity fashions warmed Kristina with excitement and love.

One night Andrew was lying in bed, idly playing with his half-hard cock, when Kristina pounced on the bed, wearing only the Persian silk twill tie Andrew had worn to the office that day. She had it wrapped around her neck like a bandana and invited him to give it a tug. He reached up and untied it.

"Put it where it belongs," he growled lustily. She giggled and tied it around his neck. He tweaked her nipple knobs between forefingers and thumbs until she had tied a full Windsor knot.

"Is that tight enough?" she asked softly.

"No," he said. "Tighter."

She tightened the knot until the veins in his neck bulged and his face took on a rosy pink. "That's good," he moaned. She could see the rhythm of his heartbeat from a pulsating purple vein on his forehead. He prodded her behind with his rock-hard cock, and she squirreled a hand down under his balls. "That's good, baby," he rasped as she stroked his furry scrotum and wiggled a finger down the crack along his ass. "Now, tighter!"

Kristina positioned her glistening cunt atop the tip of his turgid pole. With one hand she pulled the flap of his tie against his belly, and with the other, she pushed the silken knot against his throat, all the while lowering her cunt down the length of his throbbing prick.

As far as she knew, thousands of other happily married couples choked each other to get off.

"That's it, baby," he choked. His face was the color of a maraschino cherry. His cock was harder than she could have imagined possible, and his groans were signs of the most delectable ecstasy.

Kristina rocked up and down his iron shaft. Andrew was in another world. She didn't mind the kink. As far as she knew, thousands of other happily married couples choked each other to get off. The results were clear enough. Each time they went through this routine, Andrew shot a fistful of jism sometimes nine or ten feet in the air. This time, she was determined to catch it all up her hungry snatch.

He put his thick hands around her neck and squeezed a little. A mild bout of tunnel vision occurred. Everything that came into view looked like it was being seen through binoculars being held backward. It lasted several seconds. Andrew grew tired, and his arms dropped to his sides. Kristina still felt queer, but not in a bad sense. Colors seemed richer and scents acquired new meanings. She suddenly felt blue, but not a sad blue; rather, an electric blue, full of life. It was a feeling of beauty and warmth only a woman on the verge of pregnancy could understand. She was high on life. She had made it. Beautiful surroundings, modern luxuries and the man of her dreams were hers to claim.

Suddenly she noticed an ugly, tiny man sitting on the edge of the bed. She was a little surprised, but not alarmed, because after she had been choked there were usually hallucinations. Mostly, she was disappointed, because the little man was dirty and unbelievably ugly. Worse, his fashion sense was appalling. She shook her head, reminding herself to be thankful that she had avoided psychoanalysis, something that her friends thought chic. If her subconscious housed this kind of grungy scum, it was better left undiscovered.

The little man eyed her with interest. Chipped black nail polish covered his long, clawlike fingernails. Beady eyes glowed, and the black eyeliner surrounding them was put on much too thick. His face was caked with white, pasty makeup. His little ears were kind of cute.

"Hello, poodle noodle," he said lovingly. Kristina stared, horrified. This hallucination was starting a conversation! She looked at Andrew, who was oblivious to everything but his oncoming orgasm. She kept on pumping his rod, hoping for an orgasm of her own.

"I believe you owe me something," said the dwarf. "It's time for payment."

A nervous laugh escaped before she realized it. "Fuck off," she said.

"That's right, baby," mumbled Andrew. "Talk to me."

"Surely you remember me," asserted the dwarf in a slightly nasal tone, a detail that Kristina couldn't help but congratulate herself for. At least she had imagination, no matter what the drama coaches told her at countless failed auditions in high school.

"Come on," continued the dwarf. "All those nights when you and your slutty sorority sisters dabbled in things you did not understand but thought were so fun, intent only on reaping rewards!"

He climbed onto the bed and looked at Kristina nearly eye-to-eye. While she was determined to ignore him, she couldn't help but notice he was completely naked. A thumb-sized peter hung from two puny balls. She resisted the urge to touch it. Her pert, shapely tits bounced up and down in his face, inviting him to leer at her as so many other, more normal men had done.

"Get the fuck off the bed," she commanded. Andrew hadn't heard her, but he mumbled his enthusiasm for any suggestion she might have offered. The dwarf reached out and tweaked Kristina's nipple. She squealed angrily.

"Surely you remember getting wet with excitement, you harlot!" he demanded. "Pretending to be students and playing your silly games! Every wish granted, every desire fulfilled. Did you think it was free? Magic is a debt, darling. Every time you played those silly games—Ouija, chants, bone readings, séances—you angered the spirits. You drew from their strength. Sororities—ha! We used to call them covens. Your sisters will get what they asked for, and they will all pay their dues. But you're first, pumpkin, 'cause you've got the tightest ass!"

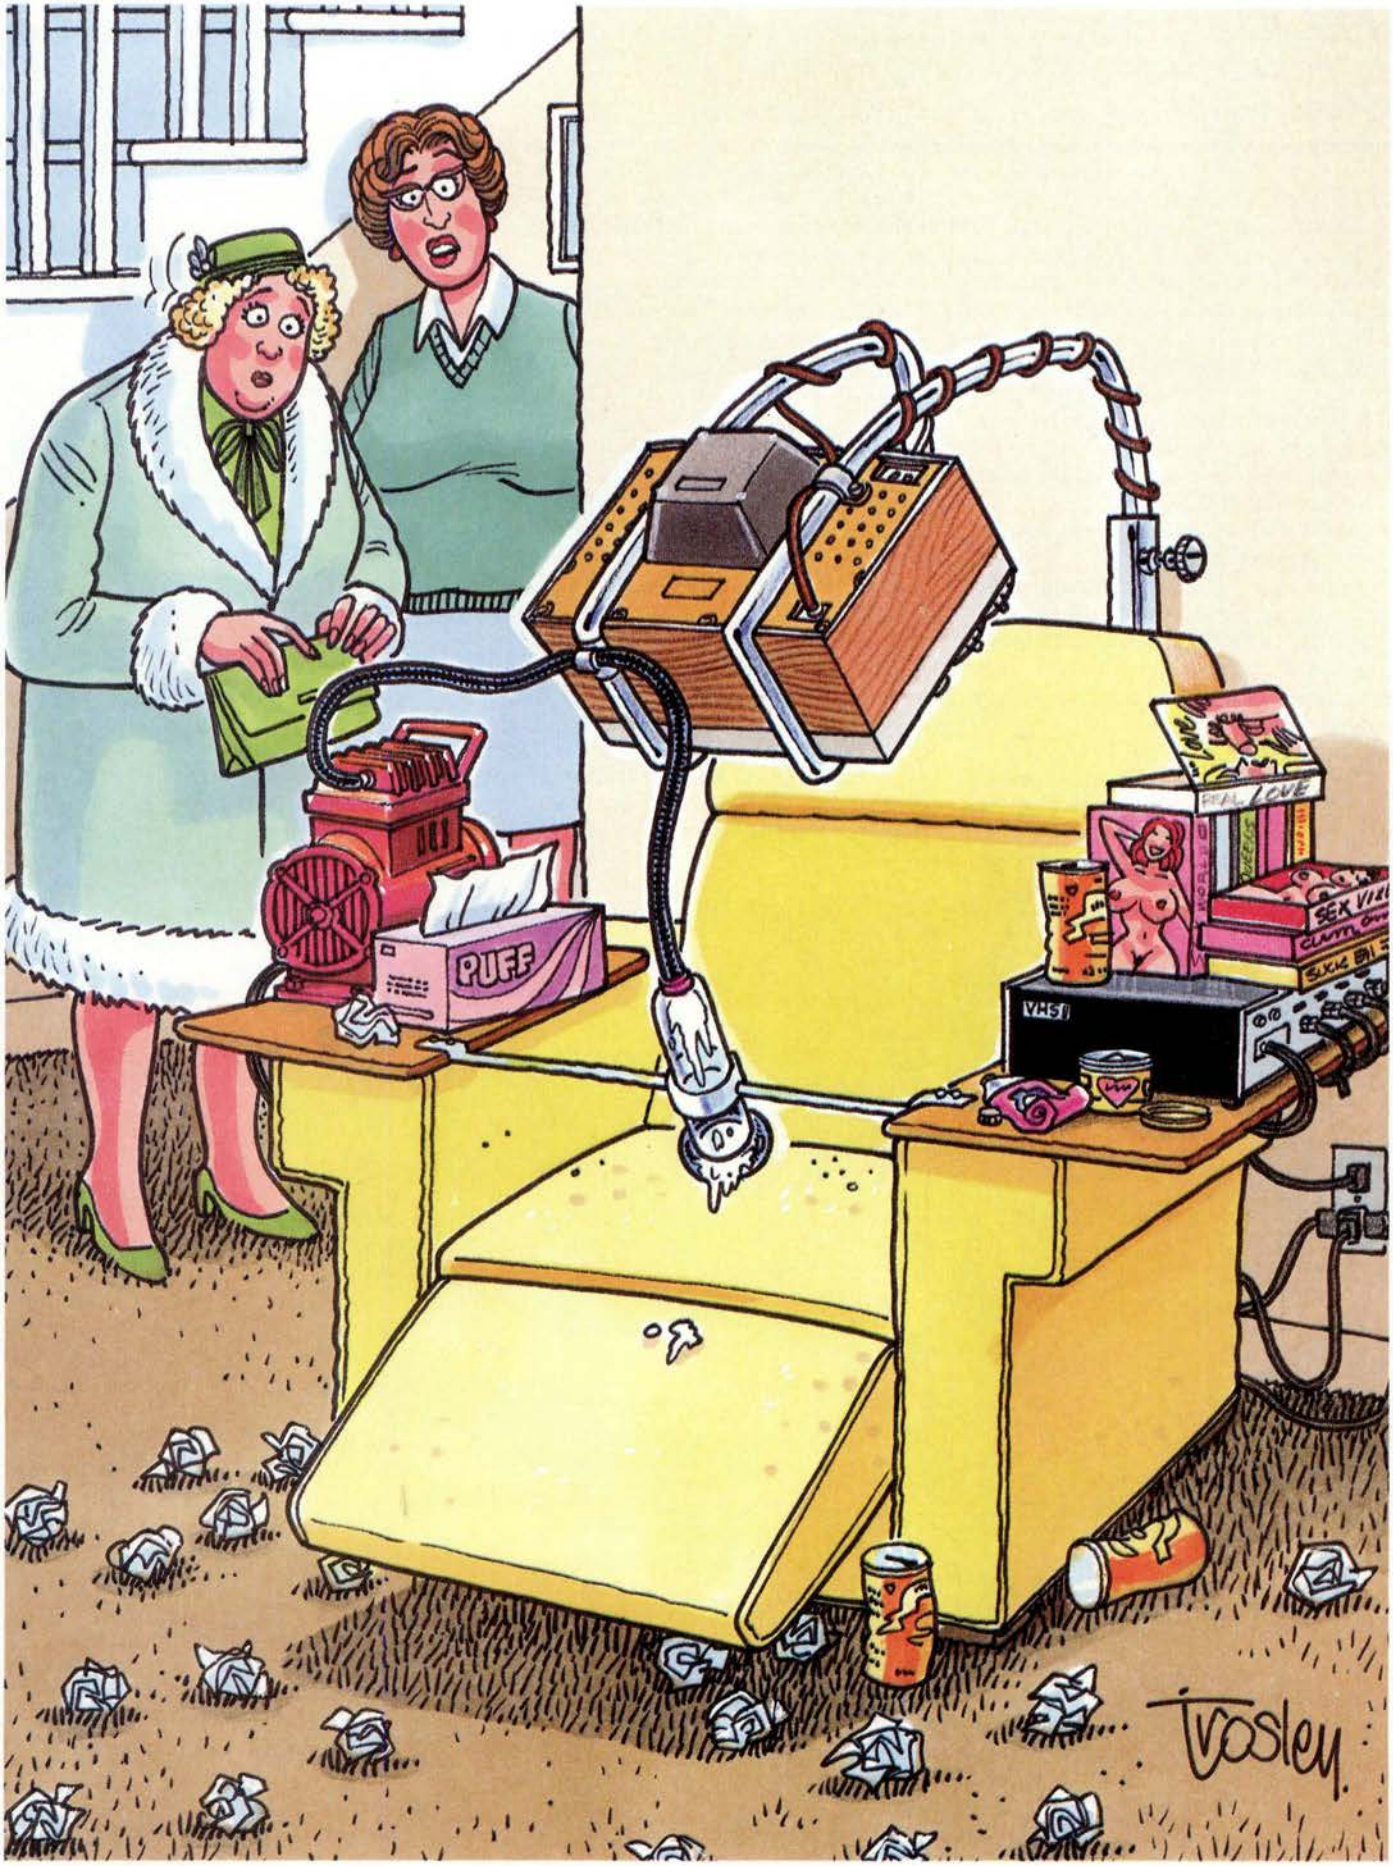

Yellow, plaque-crusted teeth protruded from his mouth, contrasting with his jet-black, greasy hair and ghostly white face. Even when he closed his mouth, his teeth still stuck out. Kristina was objective enough to let them remind her of the images of piranhas she'd seen on public TV the night before. "You're really boring me," she said, "and you're way too ugly for me to take you seriously."

"Talk dirty," said Andrew. "Tighter."

She tightened the knot of the silk tie and clenched her ass cheeks together. Andrew moaned with heavenly pleasure and curled and uncurled his toes.

"Tell me that you don't remember praying to be Mrs. Andrew Cochrane!" insisted the vile little man. "We made an

agreement. You gotta pay! Get off of him and let me fuck you!"

This, on top of everything, was too much. Kristina laughed out loud. The hideous dwarf stewed with frustration and rage. He leaped onto Andrew's bare chest and stamped his feet impatiently. Apparently, Andrew couldn't feel a thing, and Kristina was more than a little assured that the dwarf was a powerless apparition, a figment of a coming cold or something.

"Let me fuck you!" screamed the dwarf.

"Fuck yourself!" said Kristina.

"I am! I am!" rasped Andrew, lost in a fantasy of onanism.

The dwarf gnashed his teeth and pulled out his hair. He cracked his knuckles loudly. "Perhaps if I frighten you, you will see to what extent I carry out my business," he mused. "Tell me. Do you remember Carrie Andrews?"

Kristina didn't have to think long.

"Bleached-blonde," she said, "five-foot-seven, Southern accent, small tits, lied about her age. And she lied about being a virgin. So fucking what? Why should you care about her? You're *my* hallucination."

The dwarfish creature stamped his feet indignantly. "I'm not a hallucination!" he shrieked. "I am the incarnation of ageless evil! Don't you remember hoping and praying that Carrie Andrews would be disqualified from cheerleader tryouts?"

Kristina frowned. She faltered. "Carrie Andrews dropped out of school," she said finally.

"Like hell!" said the evil dwarf. "Carrie Andrews was hit by a truck! She was smashed into so many pieces they *still* haven't found all of her yet! One piece of her will never be buried! You know why?" He stopped his spiel long enough to cackle with demonic intensity. "Because *I* have it!"

He pulled from his pocket a hideous, headless eyeball, dripping with blood and viscous slime. He dangled it from a broken blood vessel and waved it in her face. White, writhing maggots passed in and out of the vacant cornea, and globules of congealed pus dripped down the sides. Even for a hallucination, this was pretty strong.

Kristina shut up for a moment and regarded the little stranger a shred more respectfully.

He narrowed his eyes. "We made a pact," he hissed. "I carried out my part of the bargain. You whore-slut better not renege on this deal! I'm warning you!"

But by this time the dripping eyeball was looking kind of fake and Kristina was thinking that she'd seen scarier plastic at the novelty store on her vacation to Las Vegas. She grinned at him contemptuously. "Ha!" she said. "Your bag of tricks is cheapsville."

He fumed. He muttered a curse. A smoky mist rose from the place where he stood. His shape and size began withering away, disintegrating. Finally, there was nothing.

Kristina felt a little let down. The most interesting hallucination she'd ever experienced had disappeared. She let herself be content with some concentrated clit-teasing. Suddenly she felt a dry, thick, catlike tongue lick the inside of her thigh and work itself up to her crotch. It was a repulsing sensation, but definitely a new experience for her. She felt her pussy lips stretch outward and an invisible form ensconce itself within. It was not entirely uncomfortable. Andrew's cock seemed to grow triple its size. She felt inner vaginal stimulation like never before, and as she wiggled her hips and gyrated around the massive mantool, an orgasm of epic proportions began to shape itself within her consciousness. Her pussy sweated rivers. Her legs tingled all the way to her toes. She felt her hair stand on end.

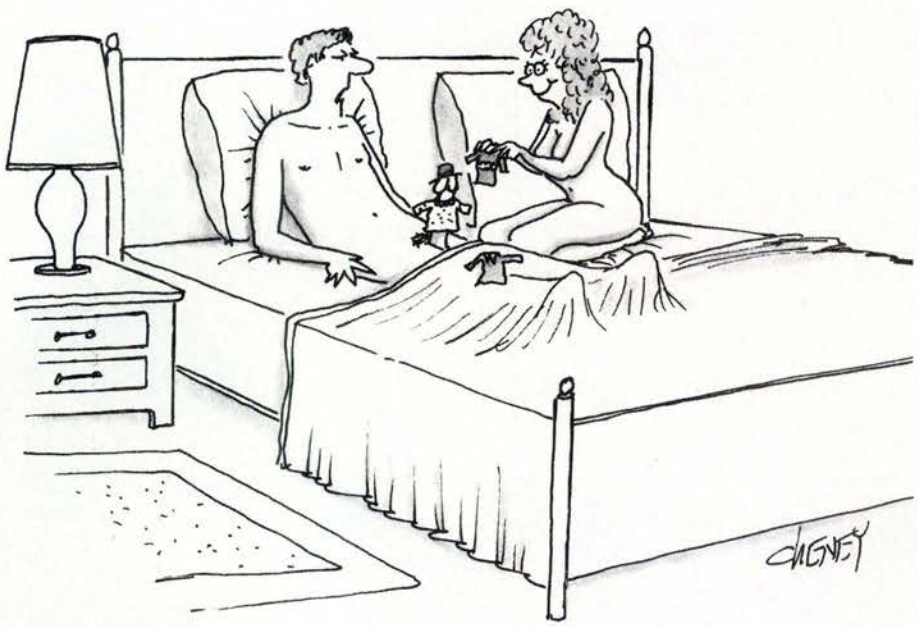

"Ooh, baby," moaned Andrew, beneath her. "Tighter, tighter."

She reached out two quivering hands and took hold of the knot of his tie. He took her tits in his hands and played them like a couple of slot machines. Her pussy had a life of its own. She felt like a cowgirl riding a bucking bronco in a rodeo.

"Tighter," wheezed Andrew, slapping her ass with the palm of his hand. She felt the wedding ring on his finger dig against her firm, white cheek. She took that knot and pushed it for all she was worth. In a matter of seconds, the two of them were flopping in a bone-crushing orgasm for what seemed like minutes, until the last vestiges of pleasure drained from their capacity to feel it.

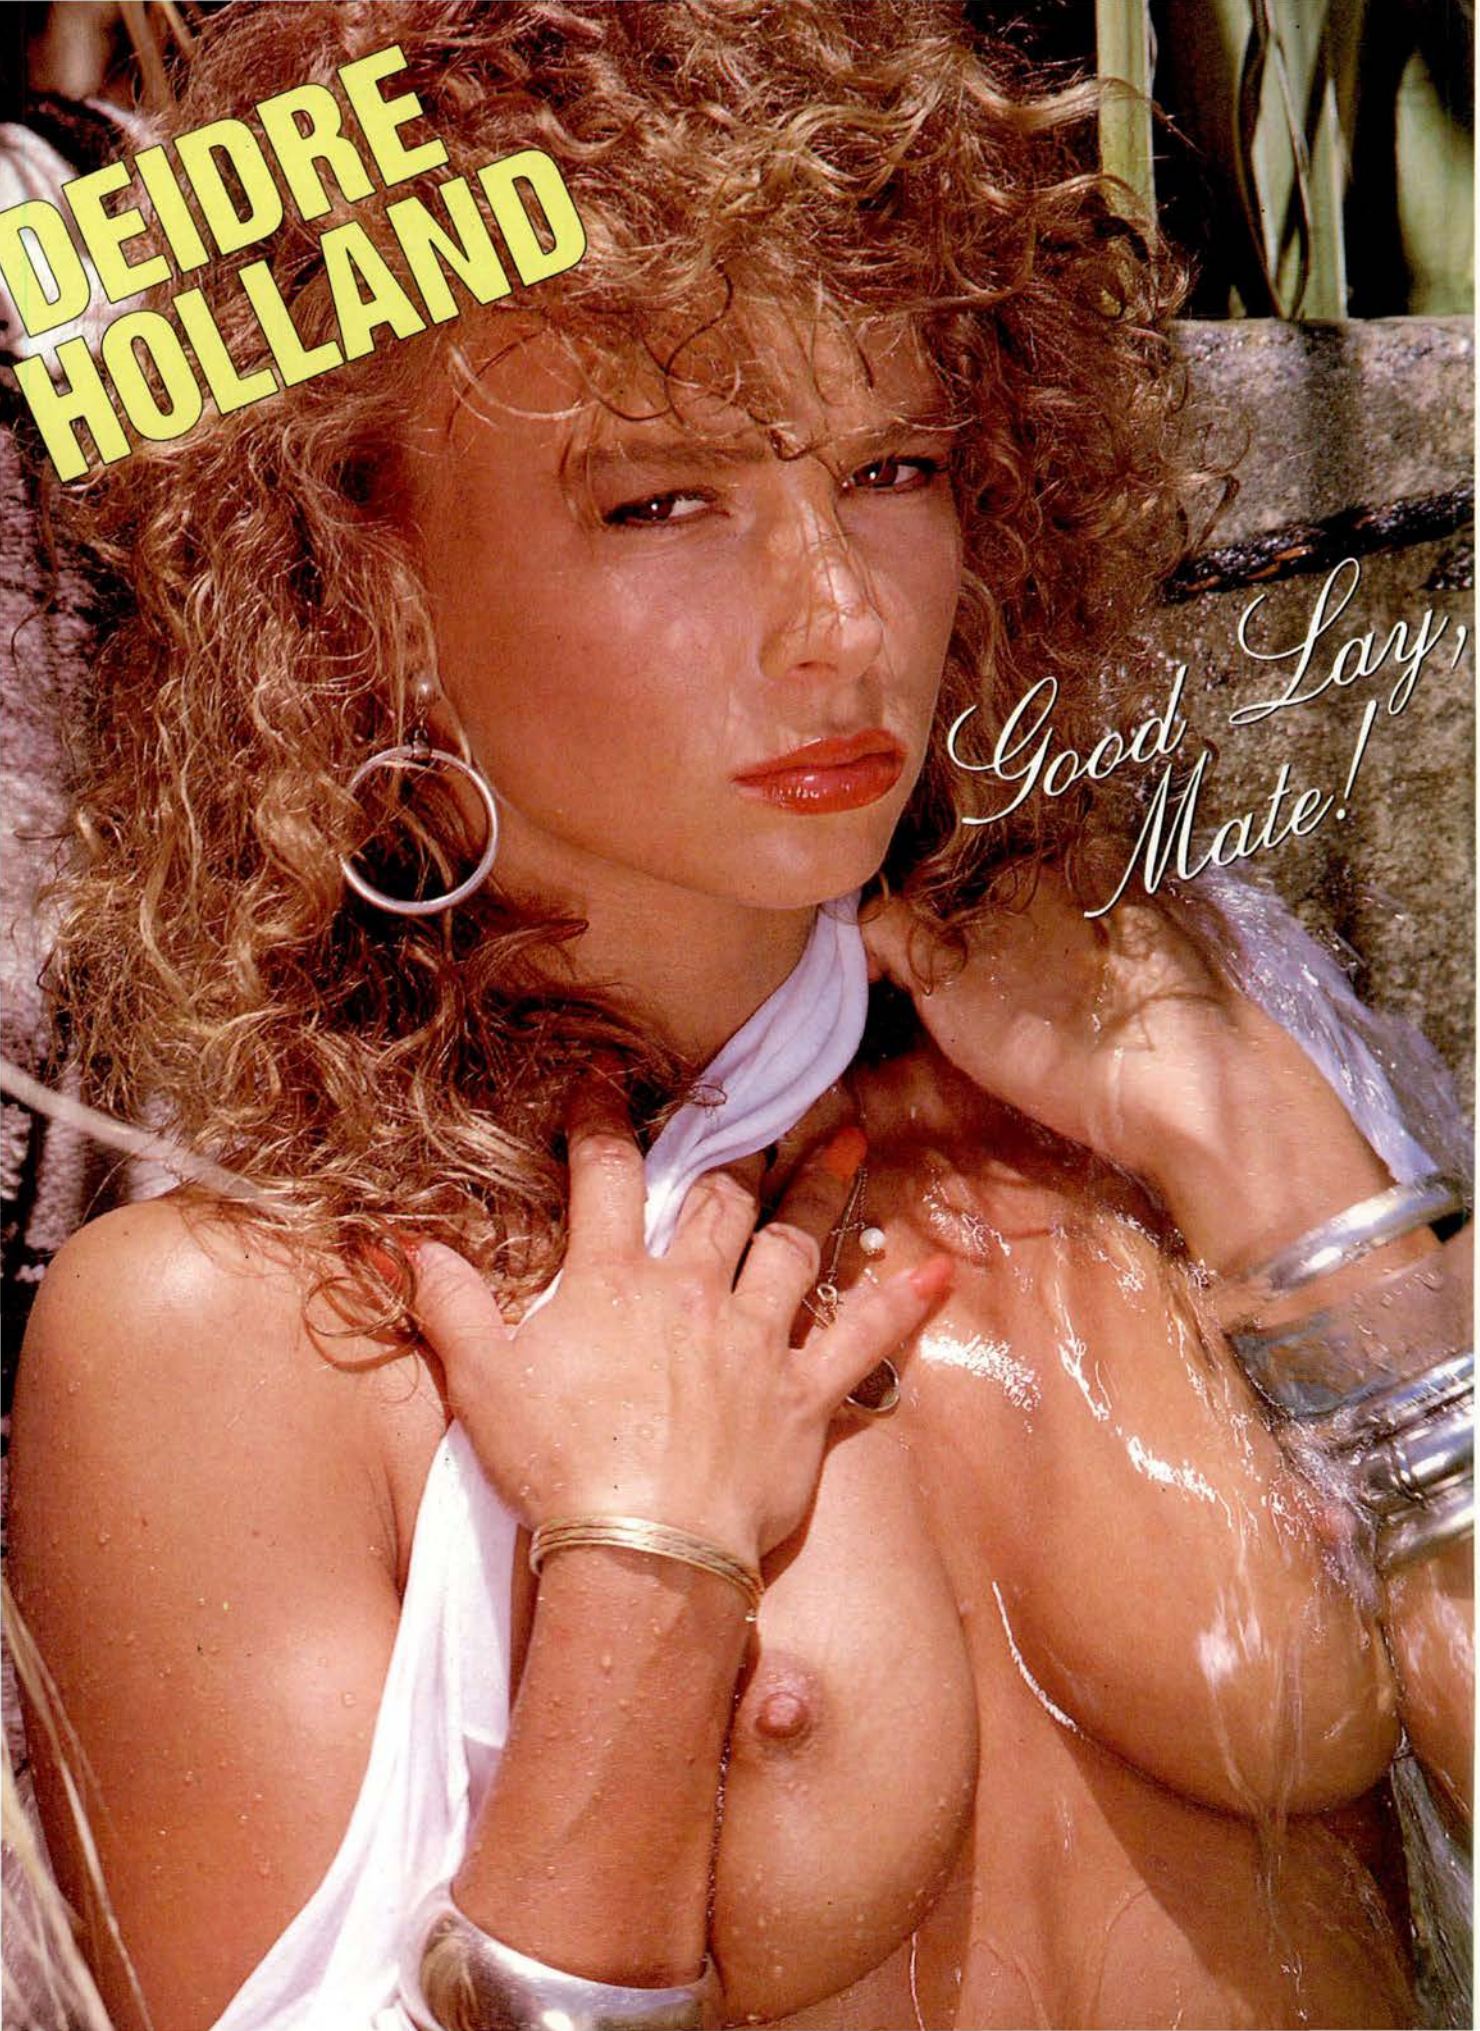

"That was great, Andrew," said Kristina, lovingly twirling a lock of his chest hair between her fingers. "The best ever."

It was another minute before she noticed he was dead as a doornail. After cleaning up and calling for an ambulance, she had a moment to herself and realized—as only a woman can—that she was pregnant. In the stillness of the bedroom before the wailing police sirens, there was a moment of genuine reflection, from which one regret overshadowed everything else. With the quiet acceptance that has characterized the discoveries of all great thinkers throughout the ages, she admitted that she should have fucked the dwarf.

"Are you sure you're above the age of consent?"

HUSTLER HUMOR

Worried that her husband was getting kind of bored with her in bed, Gladys asked her friend Mona for some advice on how to perk him up. Mona suggested that Gladys rub vegetable oil all over her tits, saying that it drove her men wild with desire.

Upon searching the kitchen cupboards, Gladys couldn't find anything but a year-old tin of sardines. She decided to drain the oil out of the sardines and make do with that.

When her husband climbed into bed next to Gladys that night, he lay there for a minute or two in the dark before commenting: "You're riding a little high on the pillow tonight, aren't you?"

Question: What is the difference between a slut and a bitch?
Answer: A slut will fuck anybody, and a bitch will fuck anybody except you.

Two Texas women met a frog on the street one afternoon. "Kiss me," the frog said, "and I'll turn into an independent oil man."

One of the women picked him up and dropped him into her purse.

"Aren't you going to kiss him?" the other asked.

"Not a chance," the first replied. "A talking frog is worth much, much more."

Two men in the lingerie business hired a beautiful, but very naive, young girl to model their new line.

"If somebody doesn't look out for that kid," predicted one, "she's going to be taken advantage of. I think it's up to the two of us to teach her what's right and what's wrong."

"I most definitely agree," replied his partner. "You teach her what's right."

Two coyotes had been chasing a stray dog all through the desert for several hot, blistering hours, and it was rough going—fierce windstorms blowing grit in their eyes, snouts and down their throats, and they had run over cacti, rocks and simmering sand all day long.

"Ain't this a bitch?" panted one coyote to the other.

"It'd better be," said the other.

Soon after the Texas Aggie clocked in for work, the foreman called him over and told him that he had a phone call in the front office. When the Aggie returned, he had a mournful expression on his face and his head hung low. His foreman noticed his demeanor and asked if it had been bad news.

"Sure was, Boss," the Aggie responded. "I just found out my mother died early this morning."

"Gosh, that's awful," sympathized his foreman. "Do you want the rest of the day off?"

"No," replied the Aggie. "I'll finish the day out."

About an hour later, the foreman returned to inform him that there was another phone call for him up front. This time, when the Aggie returned, he looked twice as glum, and the foreman asked if everything was all right.

"Jeez, Boss, this has gotta be the worst day of my life," moaned the Aggie. "That was my brother, and his mother died today too."

A woman of advanced years came home from bingo early and found her husband making love to the cleaning girl. As the old man jumped up, the old woman ran at him and pushed him out the window. He fell ten stories to his death.

At the old woman's trial, the district attorney asked, "Why did you push him out of the window?"

"I thought if he could fuck at 81, he could also fly."

Which would you prefer?" asked the 300-pound wife, who was having a hard time sticking to her diet. "A thinner, grouchy wife or a fat, jolly one?"

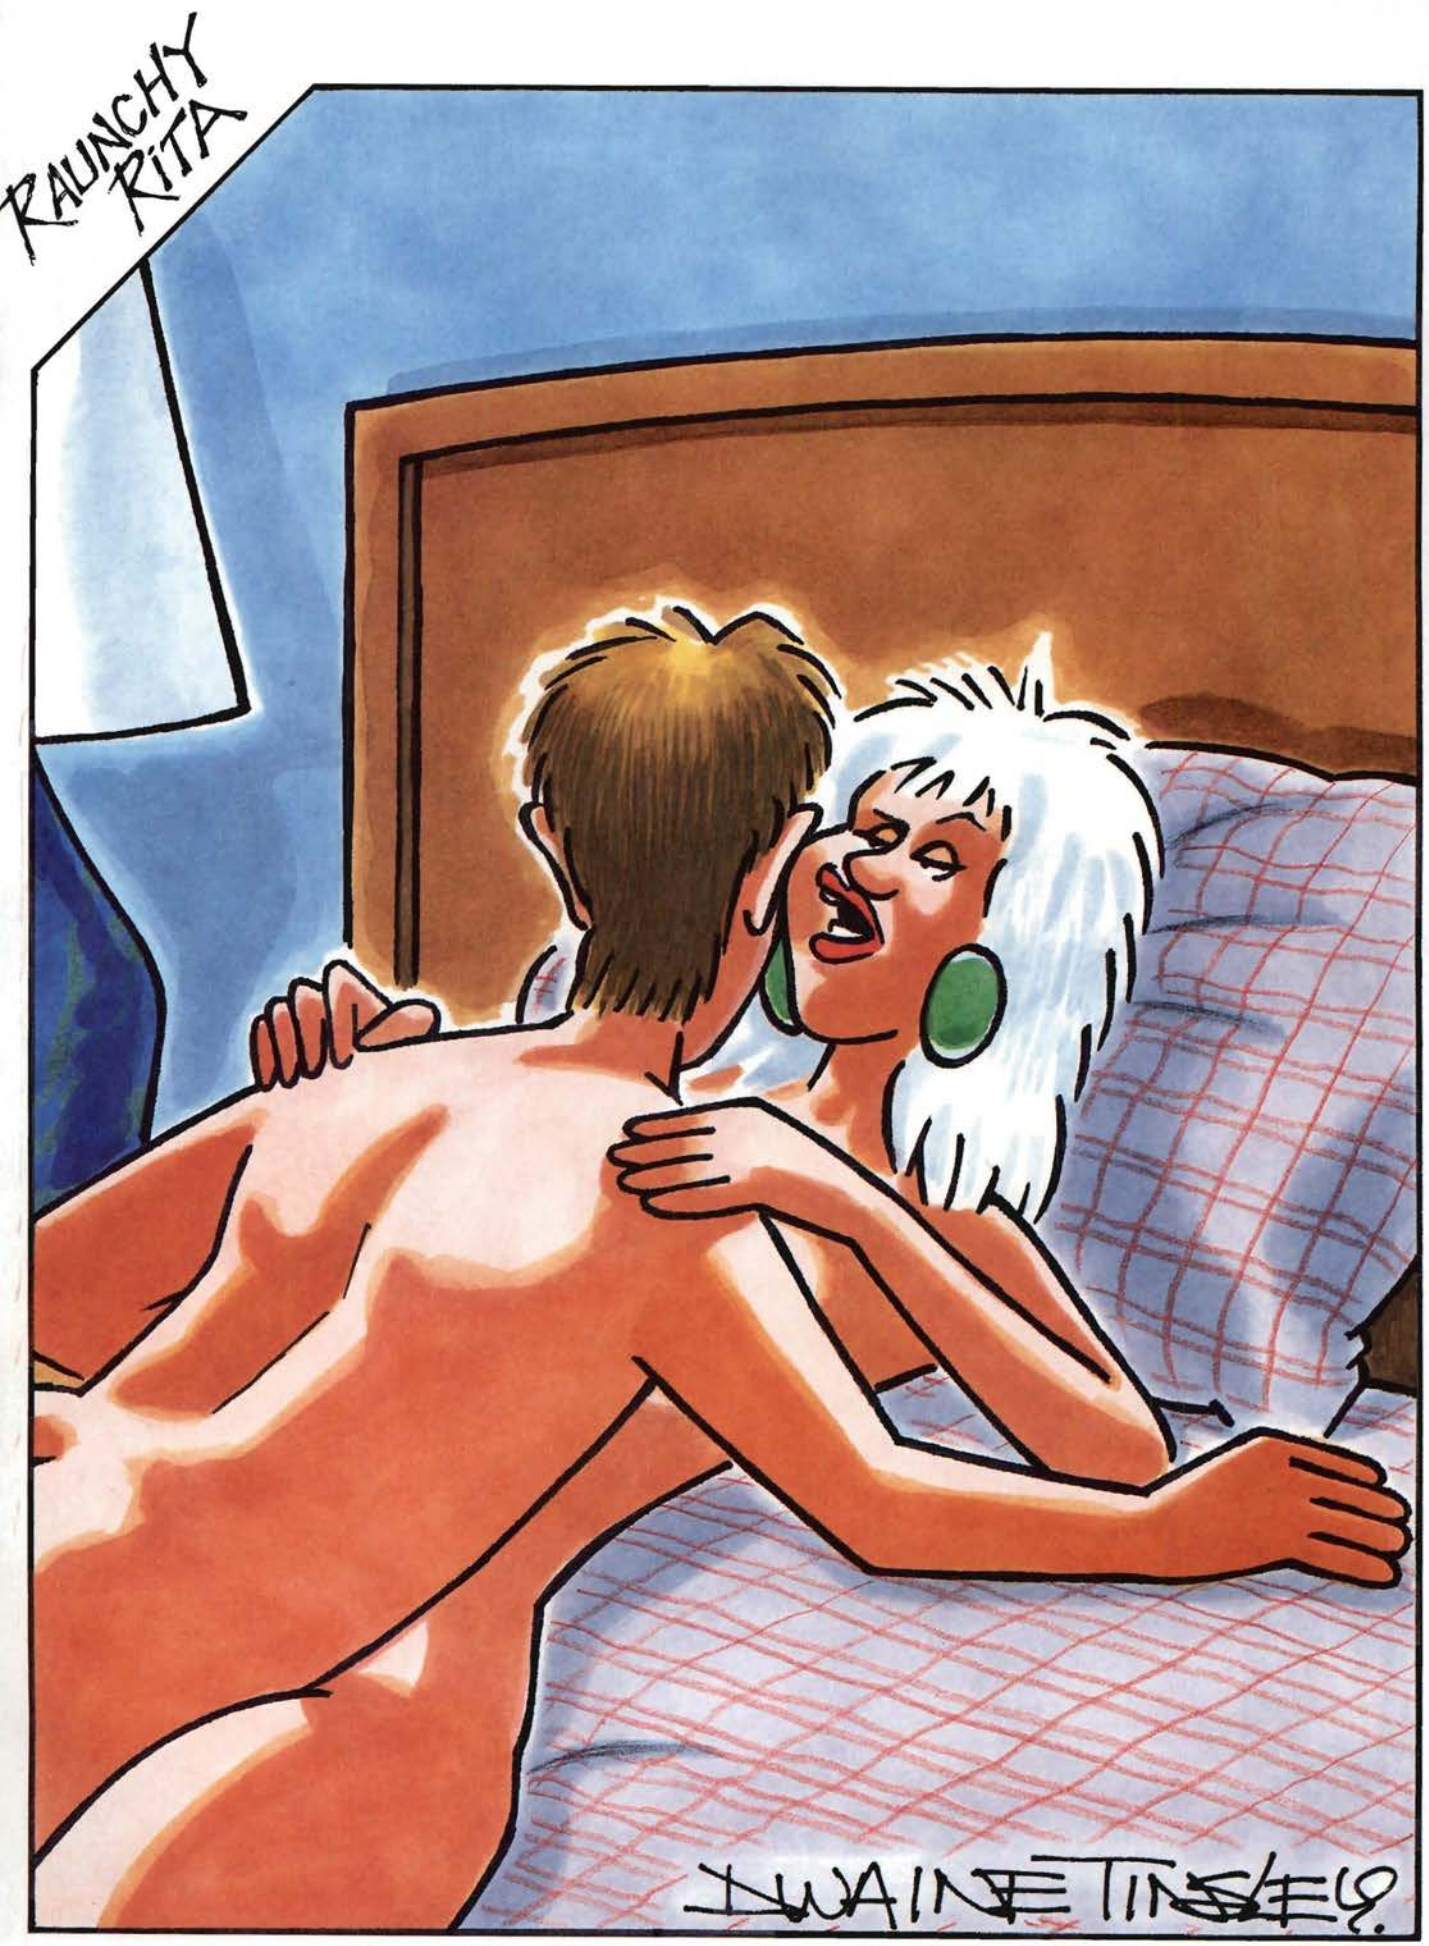

"Depends," her husband replied. "Just how much fatter do you have to get before you get jolly?"

Two dim-witted golfers found themselves at a foggy par three, where they could see the flag but not the green. Each hit solid shots. When they had walked onto the green, they discovered that one of the balls was six inches from the cup and, after searching for the other one, found that it had gone into the cup. They tried to figure out whose ball was whose. They decided to ask the golf pro to make a ruling.

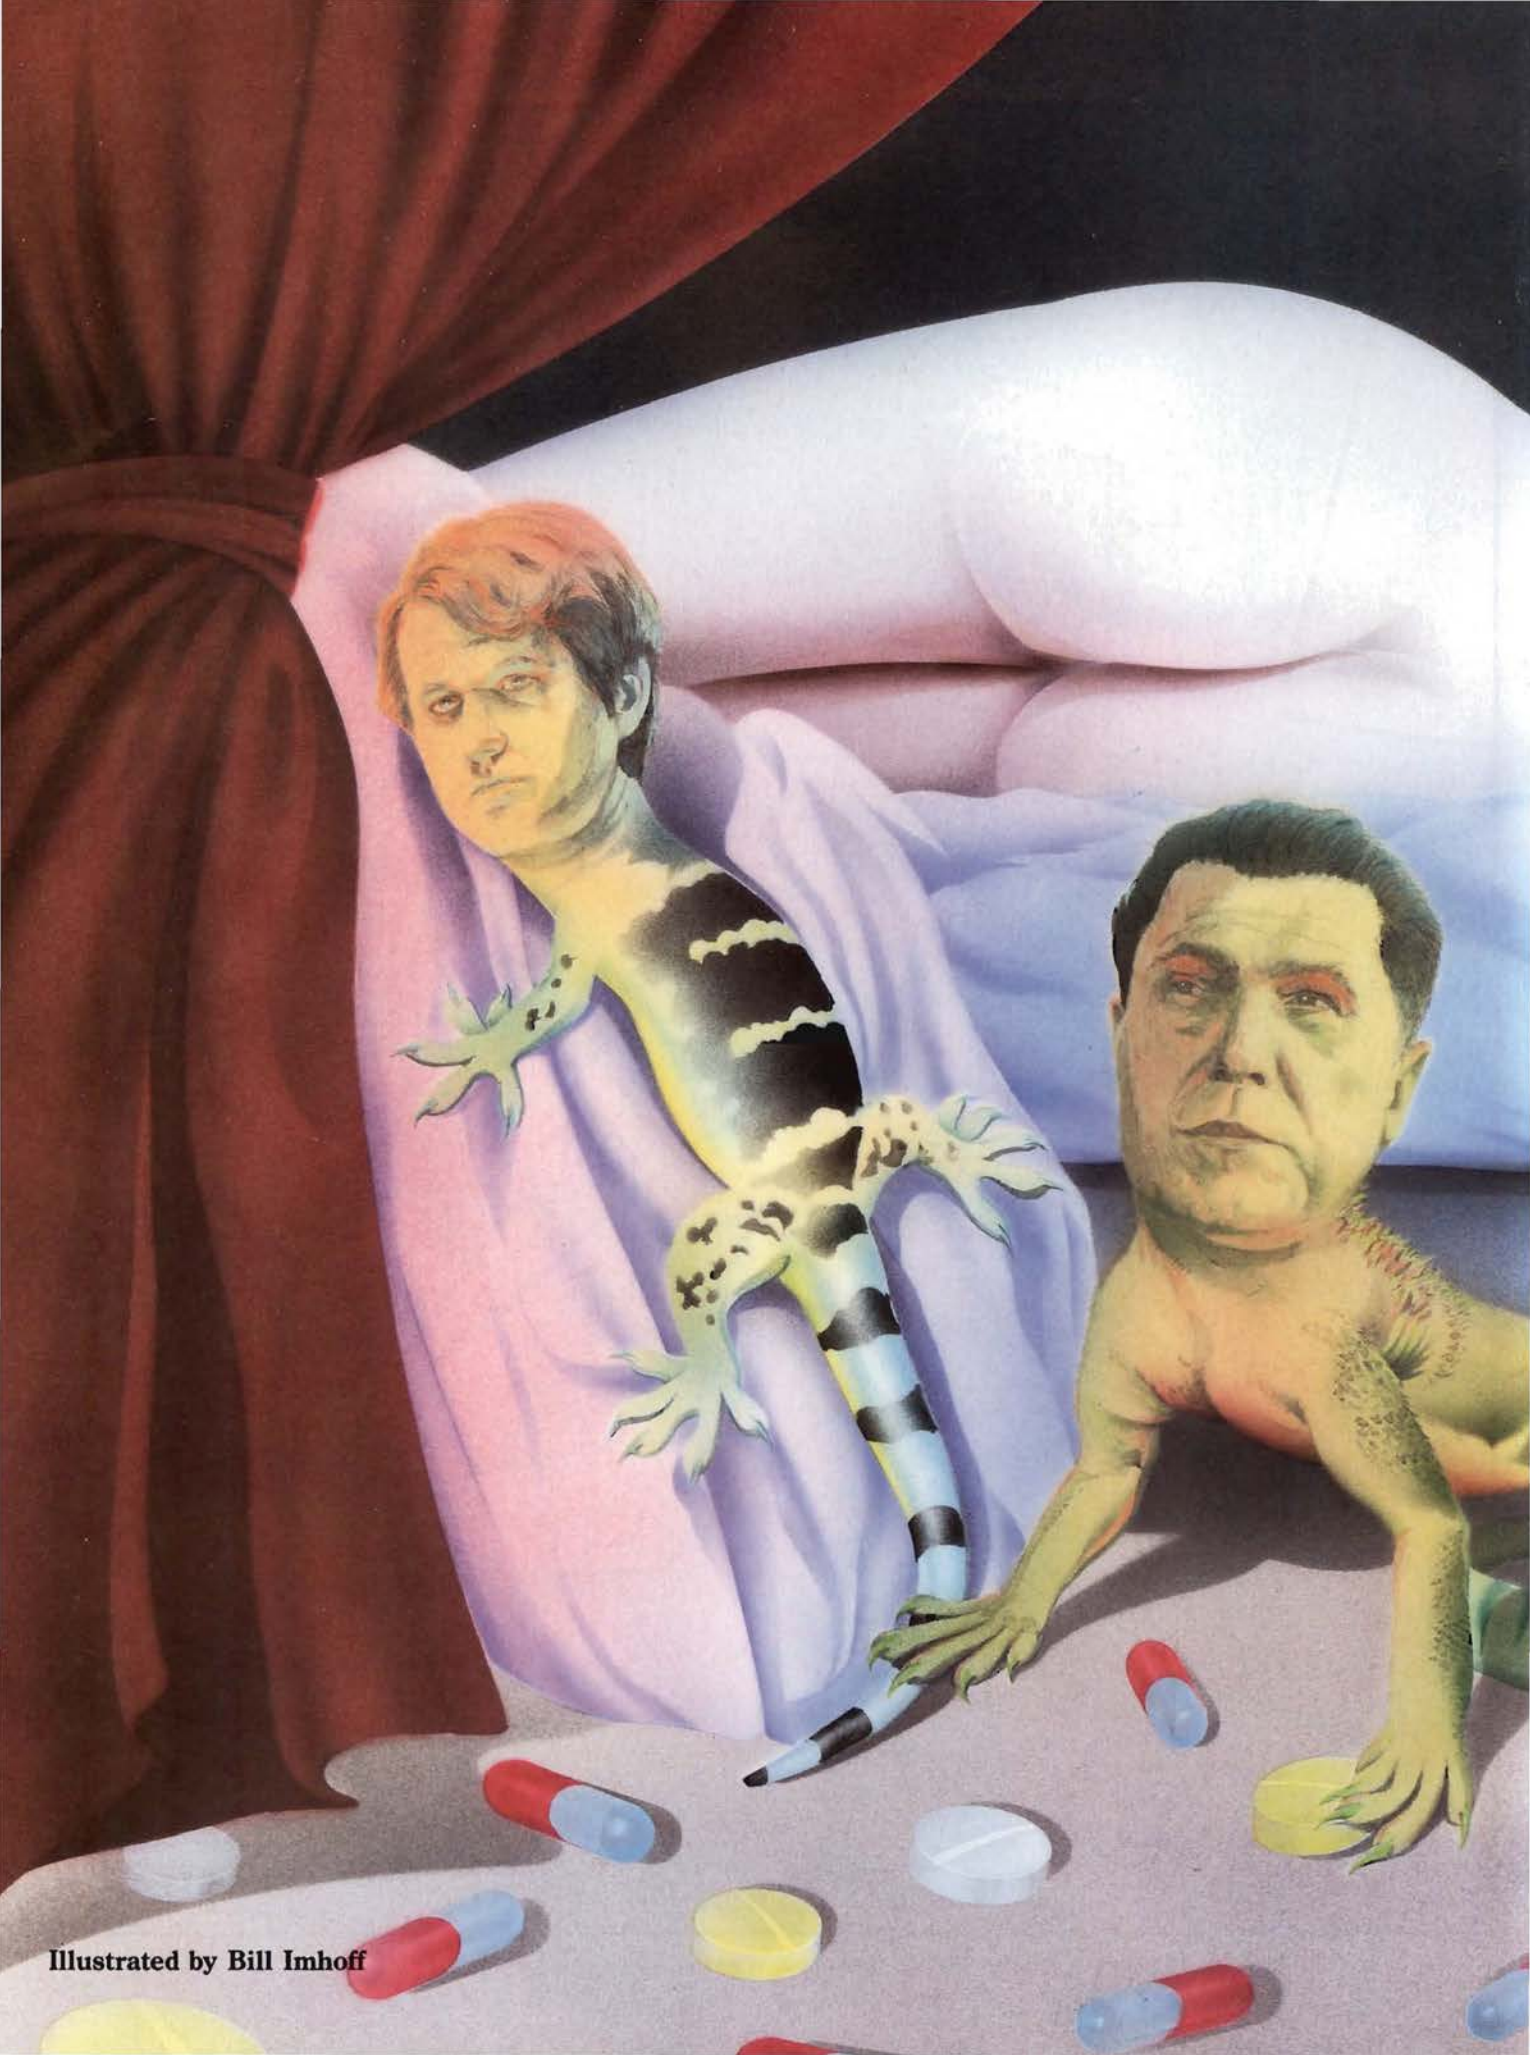

After congratulating the men on their superb shots—and after being told that each of the men was playing the same brand and number ball—he asked, "Okay, so who was playing the yellow one?"

SIRHAN SIRHAN: *HOFFA'S HITMAN?*

Report by Larry White

He had something to gain from the killing of Bobby Kennedy. Was Marilyn Monroe's death another ploy in his fatal schemes? Jimmy Hoffa is dead, but his legacy lives.

After delivering his victory speech for winning the 1968 California primary, presidential candidate Robert F. Kennedy, against the recommendations of his advisors and security people, made his way toward the kitchen of Los Angeles's Ambassador Hotel to thank the workers for their efforts. It was Senator Kennedy's decision, and it was the last he would live to make.

Shots rang out.

It is a fact that Sirhan Bishara Sirhan fired the .22 caliber bullets that killed Bobby Kennedy and propelled Richard M. Nixon into the White House. What hasn't been proven is that organized crime may have had a hand in RFK's killing and that Sirhan may very well have been a paid assassin.

* * *

Although Bobby Kennedy was not gunned down until June 5, 1968, he had been targeted for assassination six years earlier when, as Attorney General of the United States, he headed a crusade against corruption and organized crime in the nation's toughest union, the International Brotherhood of Teamsters. According to RFK, the federal government had indicted five times as many persons in 1961—his first year as U.S. Attorney General—as in 1960, and his assault against union wrongdoing continued to escalate.

HOFFA'S HITMAN?

This cover-up indicates that Marilyn was conversing with Bobby Kennedy and possibly even the President.

ALL'S FAIR IN LOVE AND WAR

The fact that Bobby Kennedy had been marked for death came to the attention of the United States Department of Justice in September of 1962. A Baton Rouge, Louisiana, district attorney, Sargent Pitcher, while interrogating Edward G. Partin, then head of Teamsters Local 5 in Baton Rouge, said he "uncovered a matter too hot for me," and referred it to officials in the Justice Department.

The matter "too hot" for Pitcher was the contract calling for the murder of Attorney General Robert F. Kennedy. "Jimmy [Teamsters President James R. Hoffa] wants Kennedy killed," Partin told Pitcher, "and he's plotting his assassination."

Hoffa, then under federal indictment for violating the Taft-Hartley Act by accepting millions of dollars in illegal payoffs, disavowed any knowledge of an assassination plot. "I may not like him very much," Hoffa said, "but I certainly wouldn't plot to kill him."

Hoffa wouldn't, but he certainly had access to enough money to pay someone who would, and it was no secret that the Teamsters president wanted the U.S. Attorney General off his back. "Kennedy's waging a vendetta against me and the Teamsters," Hoffa claimed. But killing Bobby Kennedy probably wasn't his initial consideration. Evidence suggests that he may have first tried to implicate RFK in such a scandalous love affair that he would have been forced out of public office—and therefore off Hoffa's back.

Her name was Norma Jeane Baker, but she teased the world under the name of Marilyn Monroe. Norma Jeane or Marilyn—she was America's sex goddess. With blond hair, perfect breasts and what Groucho Marx called "the greatest ass in Hollywood," Marilyn became the most popular American male sexual fantasy.

Today, much of the mystery and many personal secrets about Marilyn's life have become common knowledge: She had bounced from foster home to foster home. She was raped at the age of 12, which is how she lost her virginity. She attended Van Nuys High School in California's San Fernando Valley, a suburb of Los Angeles. She was first married at the age of 16 (to Jim Dougherty, who became a Van Nuys police officer). She liked to drink good, strong shots of vodka. She developed a passion for sex, especially in parked cars. And, thanks to the information supplied by one of her gossipy housemaids, America knew that she wasn't a natural blonde—she had dark pubic hair.

It is also common knowledge that when she died in August of 1962, at the age of 36, she was in need of a pedicure, she had dirt under her fingernails, and dark roots showed near the part in her hair. But here the knowledge stops, because Marilyn Monroe's death is as mysterious today as it was 28 years ago.

August 4, 1962. She was naked, she was alone, she was dead. All of Hollywood was buzzing with rumors and scandalous allegations even before Joe DiMaggio, whom she had married and divorced, had completed funeral arrangements with the Westwood Village Mortuary. One rumor was that Marilyn committed suicide because Bobby Kennedy had ended their love affair; another was that the underworld, in retaliation against the Attorney General, had something to do with her death.

Dr. Thomas Noguchi, Los Angeles County Coroner, performed the autopsy on the fallen star. He weighed and measured such organs as the lungs and kidneys. He found no evidence of any violence. He determined that she had swallowed 30 to 40 Nembutal pills. His report complete, Dr. Noguchi ruled that her death was caused by "acute barbiturate poisoning due to ingestion of overdose." He circled *suicide* on the list of causes of death for the autopsy report and wrote *probable* next to it.

"Bullshit!" her friends exclaimed.

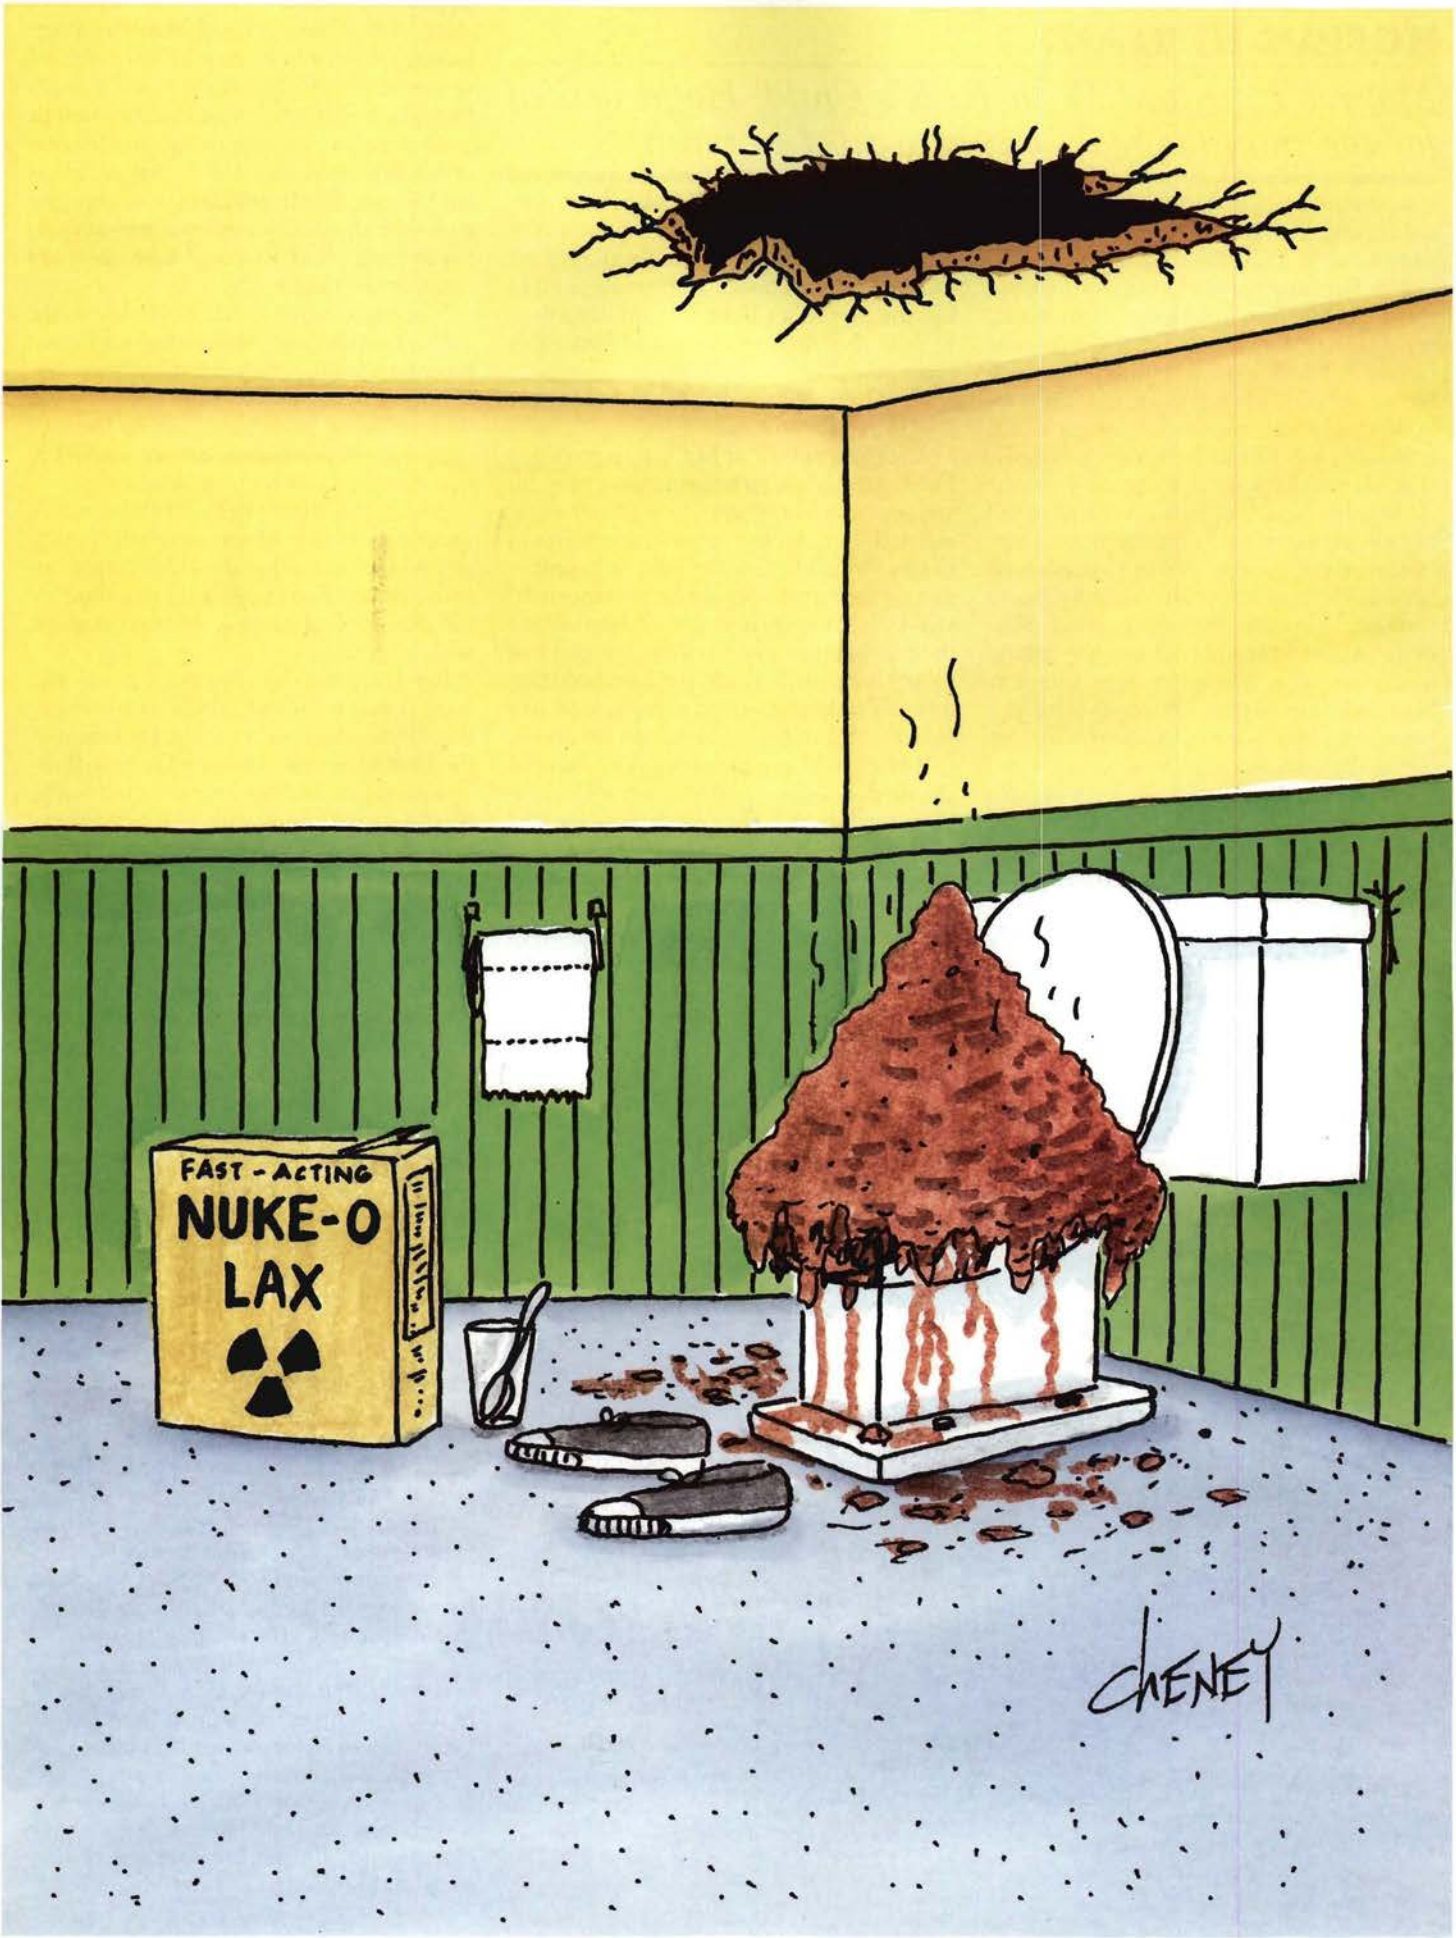

Noguchi's report was reviewed by several doctors including a professor at Mount Sinai Medical School in New York. "No violence was done to Marilyn Monroe," he said. "With a fair-skinned person, bruises show very clearly to a doctor's eye." He stated that the autopsy performed by Dr. Noguchi was complete, except that *he failed to examine her intestines and other organs.*

Noguchi regrets that no full examination was made of her intestines and other organs during the autopsy. By the time he requested that they be done, the case was closed and the samples destroyed.

Law-enforcement officials and many of Marilyn's co-workers and fans simply believe she needed to die more than she needed to live. Many others disagree. "Marilyn called me the day before she died," said Norman Rosten, a poet and playwright, "and chattered with incessant cheerfulness. She was not suicidal."

In 1985 the Los Angeles Police Department released an edited report of its investigation into the death of the most famous actress of her generation.

In addition to releasing records of Marilyn's psychiatric treatment, the LAPD also released her telephone records, although they took pains to delete a number (or numbers) she had called in Washington, D.C. This

Monroe Pregnant With RFK's Child! Hoffa waited for the story to break, but he waited in vain.

cover-up seems to indicate that Marilyn was conversing with Bobby Kennedy and possibly even the President, John F. Kennedy.

The Kennedy brothers made no pretense about their infatuation with the opposite sex, and Marilyn Monroe was the nation's number-one sex thrill. Undoubtedly, the Kennedy brothers bedded her, but to suggest that Bobby Kennedy was responsible for her death is absurd. It is just as ludicrous to suggest that Marilyn Monroe committed suicide.

"Marilyn could not have intended to kill herself that night," said a former press agent, "because she was too vain to have allowed herself to lie in an open coffin with dark roots showing." According to the housemaid, Marilyn often used a toothbrush to apply peroxide to her pubic hair so she'd be blond at both ends. Any woman who took such pains to dye her pubic hair would take more pains not to die with her dark roots showing.

If Marilyn Monroe did not commit suicide, then the rumor that the underworld had a hand in her death is anything but absurd. The hand probably was there, and it was undoubtedly bloodied.

Bobby Kennedy was wreaking havoc with the underworld's involvement with the International Brotherhood of Teamsters, and Teamsters President Jimmy Hoffa was at the center of the onslaught. Needing to get Kennedy off his back, Hoffa conspired to kill the one thing Bobby could not afford to lose—his virtuous image and honorable reputation.

For Hoffa's purposes, Marilyn Monroe was expendable.

After the failure of her marriage to Joe DiMaggio, Marilyn became easy prey for anyone who could get close to her—and many did, including reputed members of the underworld. "Getting close to people—gaining their trust—is a specialty of the mob," said U.S. Attorney Rudolph Giuliani. Once they had gotten close to Marilyn and had gained her trust, it would not have been that difficult to kill her—and make it look like suicide. All they had to do was get her drunk.

If Marilyn Monroe was drunk at the time she died, it is not possible to say with absolute certainty that she ***knowingly*** swallowed the Nembutal pills. If America's number-one sex thrill was intoxicated, then it is conceivable that the pills were slipped to her as she drank, or mixed with the alcohol, or even pushed down her throat. (It is interesting to note that after Johnny Hyde, one of Marilyn's many lovers, died of a heart attack, Marilyn tried to ingest enough Nembutal to kill herself. She was found semiconscious, her mouth coated with a greenish paste—the residue of the pills *she was not able to swallow*. Marilyn Monroe, like thousands of others, gagged each time she tried to swallow a pill—any pill. Swallowing 30 to 40 would have been virtually impossible.)

The bottom line is that it is conceivable that in an attempt to publicly disgrace Bobby Kennedy, Jimmy Hoffa arranged the murder of the woman with whom Kennedy was believed to be having an affair. As the saying goes, *all's fair in love and war.* And RFK had declared war on organized crime.

A former assistant to Hoffa claimed that immediately after Monroe's death "Jimmy started the rumor that she killed herself because Bobby Kennedy had ended their affair after finding out that she was pregnant with his child."

It was a powerful allegation, to say the least. A married Irish Catholic with a houseful of kids, and brother of the President of the United States, Attorney General Bobby Kennedy could not have survived a publicized sexual liaison with "the greatest ass in Hollywood." Such a scandal would have done to him what, seven years later, Chappaquiddick and Mary Jo Kopechne would do to his brother, Edward M. Kennedy—severely handicap or destroy his political career. (The medical examiner who performed the autopsy on Mary Jo Kopechne reported a slight level of alcohol in her blood but stated that she was not drunk at the time of her death. The same cannot be said about Marilyn Monroe because Dr. Noguchi conclusively found no alcohol in her blood.)

Monroe Pregnant With RFK's Child! Hoffa waited for the story to break, waited for the Attorney General's career to crumble, waited for the weight to be removed from his back. Hoffa waited, but he waited in vain.

As the days gave way to weeks, Jimmy Hoffa began to realize that the scandal he had tried to create was not going to materialize and that his conspiracy to shame Bobby Kennedy out of office had failed.

"Hoffa considered many options," Partin said, but when four officials of Los Angeles Teamsters Local 224 were indicted by the federal government on September 6, 1962, "Jimmy knew he had but one way to defend himself and his union against Bobby Kennedy's continuing attack—assassination."

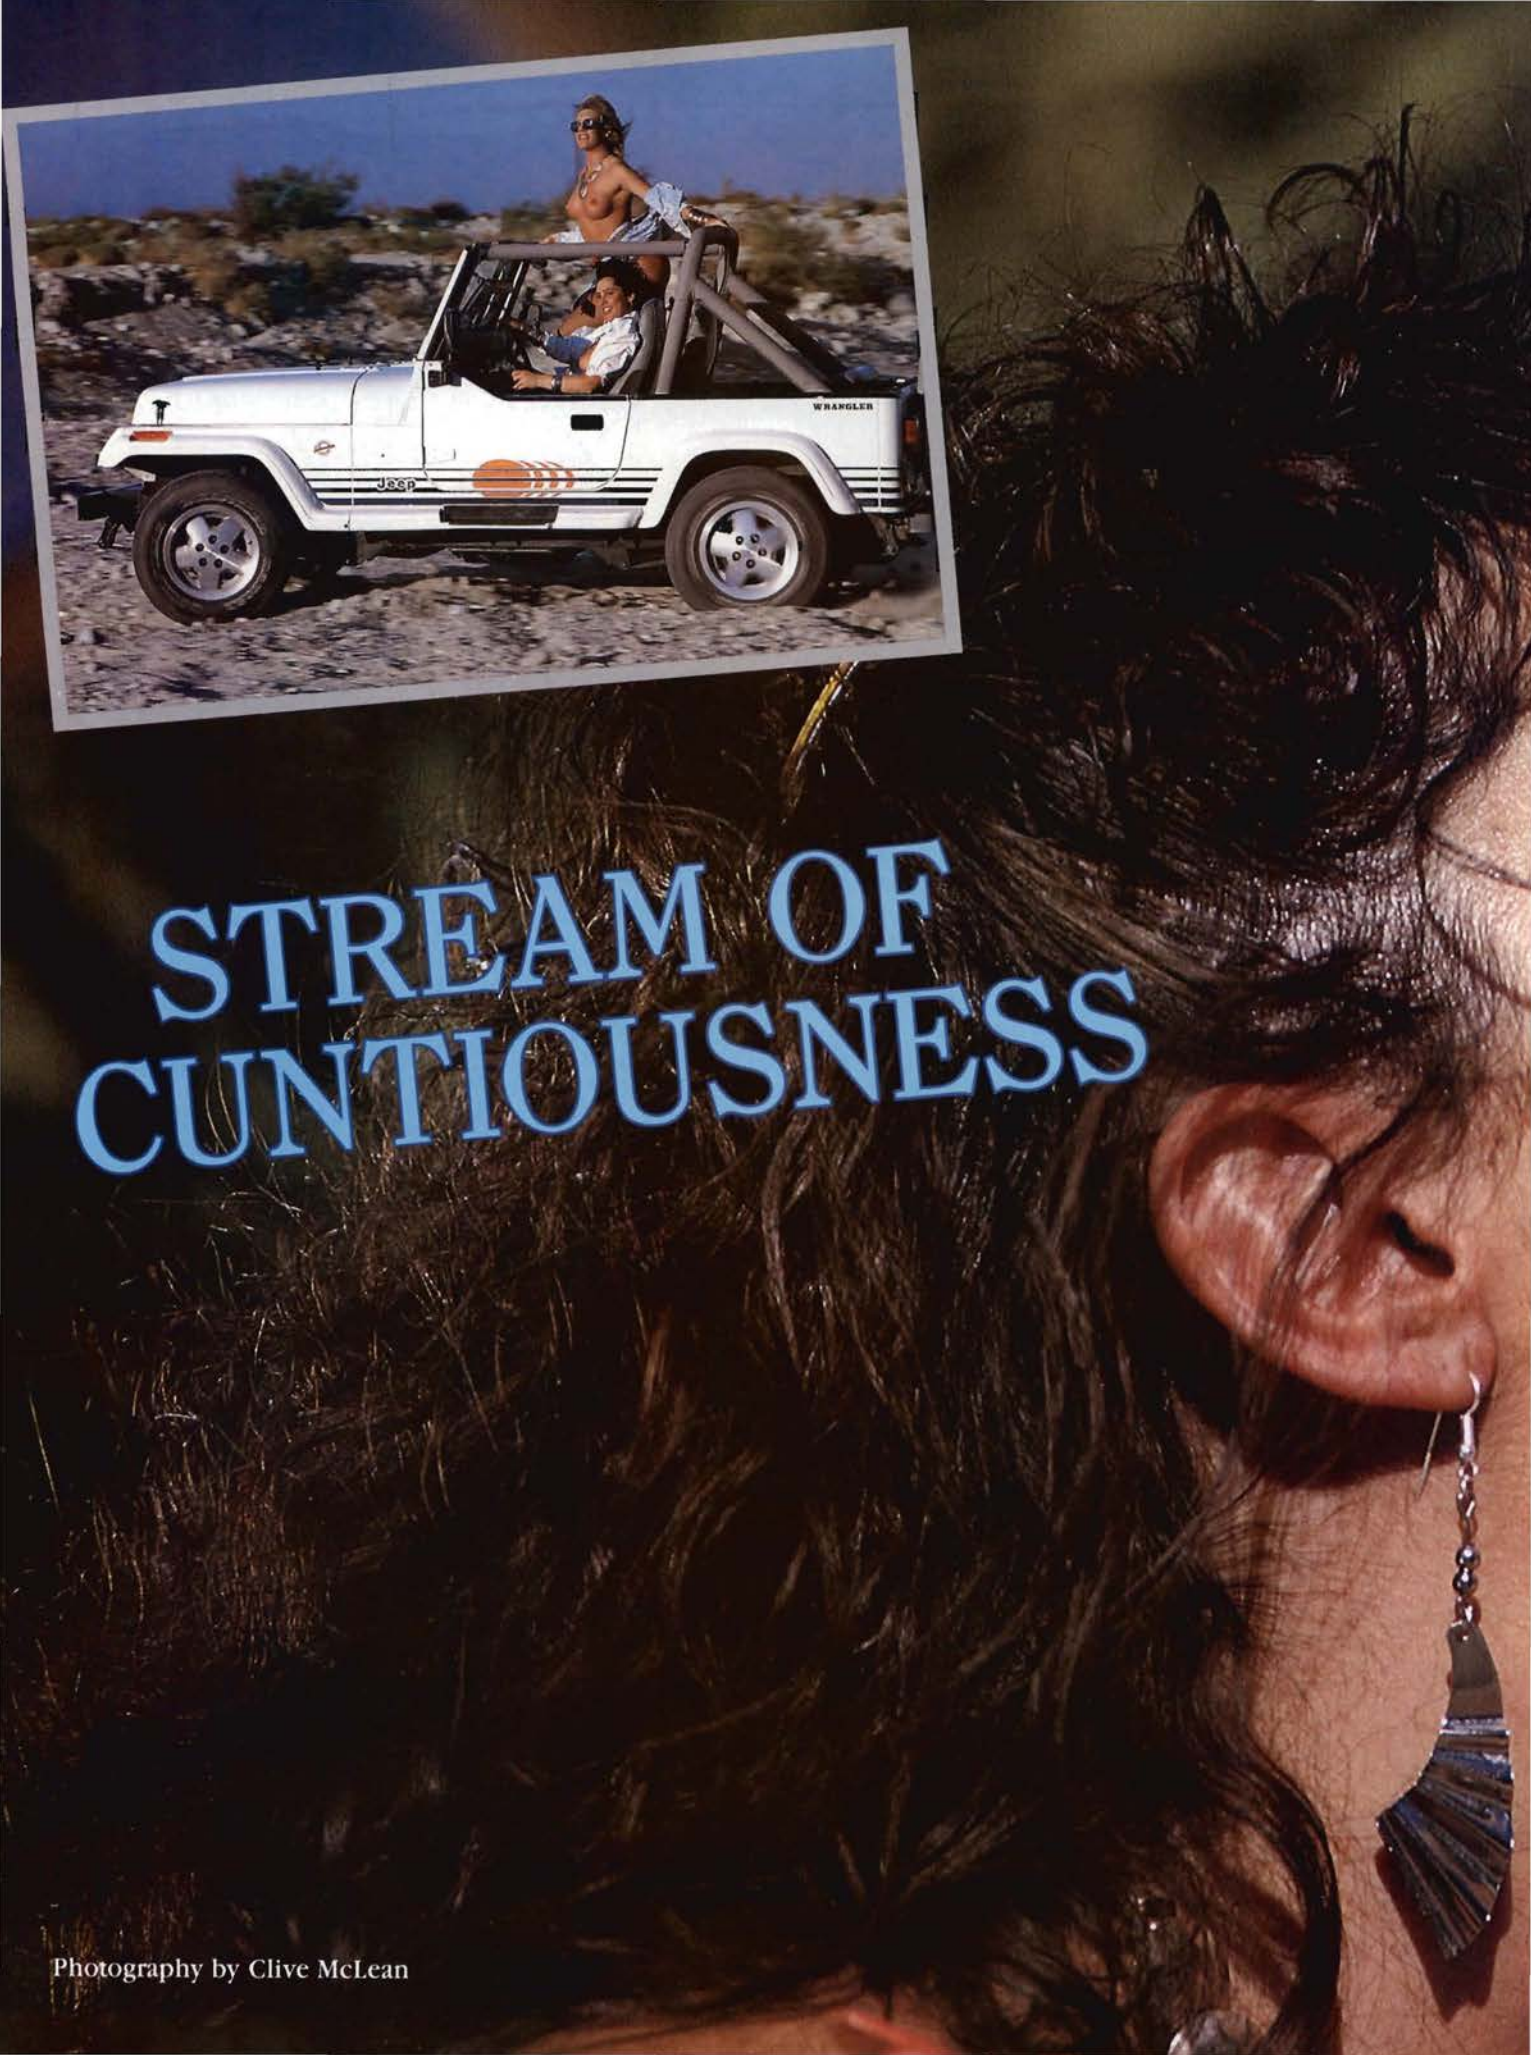

* * *

Exactly one month after the death of Marilyn Monroe, the Department of Justice began to investigate Hoffa's plot to assassinate his nemesis, the Attorney General of the United States. "Partin took a lie-detector test," said James F. Neal, a special attorney for the Department of Justice, "and he passed it with flying colors."

HOFFA'S HITMAN? *(continued from page 78)*

"The President's death," Hoffa rejoiced, "makes the Attorney General just another two-bit lawyer."

Security around the Attorney General was doubled, and Hoffa became the focus of Justice Department surveillance. One month later, in Denver, Hoffa charged that labor faced the "greatest crisis of its history because of an assault by the media and Congress, and a conspiracy by the Kennedy-controlled Justice Department." The Attorney General countered saying, "The Teamsters Pension Fund"—which was controlled by Hoffa—"has become a source of venture capital for organized crime," and he told reporters about murders, beatings and intimidation, and insurgency in Hoffa's own Local 299 (Detroit, Michigan).

Like a man out to avenge the death of a friend (Marilyn?), Bobby Kennedy continued gunning for Hoffa, who continued his efforts to hire a gun to take down the Attorney General. With control of the Teamsters' $1.4-billion Pension Fund, Hoffa could have bought Kennedy's death at any given moment—if he was willing to settle for a second- or third-rate murder by a killer who wouldn't be able to keep his mouth shut. Hoffa wasn't willing.

"Jimmy doesn't just want to kill Kennedy," Partin said, "he wants to get away with it."

It was Hoffa's style. The self-professed Robin Hood of slum and ghetto, Jimmy Hoffa believed in rough justice in a dog-eat-dog world—and he looked upon Bobby Kennedy as one who was wearing Milk Bone shorts. "If I'm cruel," Hoffa said, "it's against those even more cruel."

Hoffa wanted to silence Bobby—to get him off his back—but not until he could do it without detection. Kennedy, however, forged ahead with dogged determination—and applauded the Justice Department when, on June 4, 1963, James R. Hoffa was indicted for fraudulently obtaining $20 million in loans from the Teamsters Pension Fund. The indictment, announced in Washington, ended a two-year investigation and significantly added to Hoffa's mounting legal troubles—he was already under two other federal indictments.

The personification of the underworld's mythical Godfather, Jimmy Hoffa was feared, envied, respected, even begrudgingly admired by many—and he would not go down without a fight.

As his attorneys sought legal avenues to cut down government prosecutors, Hoffa sought hired killers to cut down Kennedy. Then came the break he needed.

November 22, 1963. President John F. Kennedy was shot and killed by an assassin (Lee Harvey Oswald?) while riding in a motorcade in Dallas, Texas. All America was stunned, shocked, saddened. All America—except James R. Hoffa.

"The President's death," Hoffa rejoiced, "makes the Attorney General just another two-bit lawyer."

Hoffa's statement infuriated his assistant, who in turn infuriated Hoffa by closing Teamsters offices in Washington, D.C., and sending a condolence message to the President's widow. Not long thereafter he and several other aides broke with Hoffa, as did the Toledo, Ohio, Teamsters.

"It wasn't just a callous comment," said a former New Orleans District Attorney (now a judge). "It was stupid. It lost him the support of his union at a time when he most needed it."

Just how much support the comment cost Hoffa is not known. What *is* known is that the Teamsters president subsequently lost his battle with Bobby Kennedy, who saw him convicted and sentenced to more than 13 years in prison.

The war, however, was far from over.

The limousine rolled onto the parkway adjacent to the barn and stopped. Standing in the shadows, he watched as three well-dressed men climbed out and shook hands with his employer.

"Hey," his boss shouted, beckoning him to join them. "Someone I want you to meet."

He hurried over, thrilled at the opportunity to meet the only American political figure he truly admired.

"Jimmy," his boss said, "my most trusted stable hand."

"Glad to meet ya," Jimmy commented and held out his hand.

The stable hand took it, not surprised at the firm grip. "I'm honored, Mr. Hoffa."

"Jimmy," the Teamsters president said, grinning. "I'm told our opinions of the former Attorney General are similar."

He smiled. "I'd like to see him suffer the same fate as his brother."

"Joe or John?" Hoffa wanted to know.

"Doesn't matter," the stable hand told him. "They're both dead."

"Let's take a walk," Hoffa said, "and talk."

Not long thereafter, the conversation over, Hoffa and his bodyguards climbed back into the limousine and drove away—and the stable hand, Sirhan Bishara Sirhan, returned to the barn.

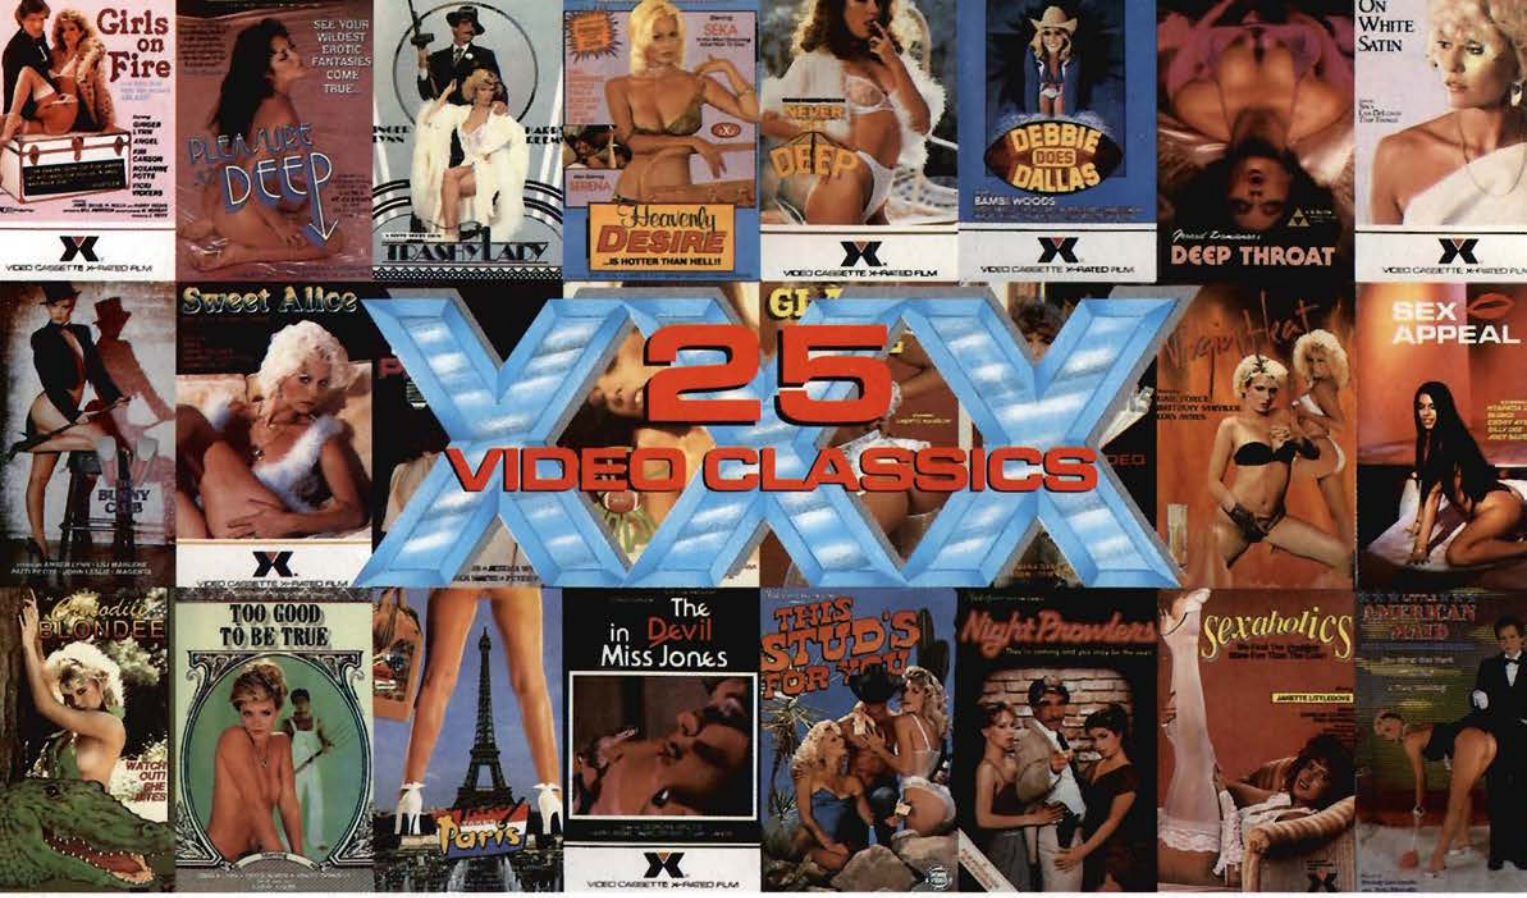

The year was 1966. The place was the Hollywood Park Race Track in Inglewood, California.

Although no one will say with certainty that this conversation did, in fact, take place, it *is* certain that the man who killed Bobby Kennedy did work as an exercise boy at

HOFFA'S HITMAN? *(continued from page 88)*

Sirhan refuses to be tested; the polygraph would disprove his I-did-it-for-my-country version of Bobby's murder.

Hollywood Park, a place known to be frequented by Jimmy Hoffa. Thus, the opportunity for such a conversation did present itself.

Hoffa's former secretary would not say that the Teamsters president met and spoke to Sirhan, but he did acknowledge, during an interview with federal investigators, that "Jimmy liked the ponies, and Hollywood Park was his favorite track. He knew and talked to everybody—jockeys, trainers, owners, even grooms and exercise boys."

Sirhan, who was an expert horseman, had also worked as a groom at Santa Anita Race Track—another Hoffa hangout.

Hollywood Park, Santa Anita—indeed, the opportunity for a conversation between Hoffa and Sirhan did present itself.

The belief that Sirhan was a hired assassin is shared by many, including one judge, who said, "It's plausible, if not probable," and he has publicly claimed that the CIA masterminded the assassination of President John Kennedy and that RFK's murder "was probably contracted by James R. Hoffa, his number-one enemy."

Sirhan, who claimed he killed Kennedy "for my country," steadfastly refuses to cooperate with law-enforcement officials who seek to refute rumors that he acted on behalf of the underworld. "If he would undergo a polygraph [lie-detector] examination," said one official, "we could prove he acted alone—or under contract."

Arrogantly demanding that all Americans blindly accept his version of the assassination, Sirhan refuses to comply.

"I did it for my country!" he repeatedly asserts. "I did it for my country!" As a result, it is no surprise that he considers himself a political prisoner who should not be confined with "common criminals."

The common criminals with whom he has shared cellblocks, however, do not share his views. "He's a fucking killer who thinks he's better than the rest of us," said one convict. "He thinks he's something special—and the guards bend over backward trying to please the little bastard."

Something special. Political prisoner. Sirhan is both—so long as he refuses to undergo a polygraph examination.

Fully conscious of the technological perfection of polygraph equipment, Sirhan, in all probability, refuses to be tested because the polygraph would disprove his I-did-it-for-my-country version of Bobby's murder.

An alien on permanent resident status—like Sirhan—would have been an ideal candidate for Hoffa's need, inasmuch as any subsequent investigation would focus (as it did) on the possibility of a conspiracy involving a foreign government—rather than a retaliatory move by the Teamsters president, who knew he was under surveillance by the Justice Department.

"Despite his assertions to the contrary, Sirhan had no reason to kill Bobby Kennedy," insists one judge. "Hoffa, on the other hand. . . . Well, he had lost his status, he had lost his power, he had lost his freedom—all because of U.S. Attorney General Robert Francis Kennedy."

A contract killing, Sirhan committing murder for Hoffa, lends ominous credence to allegations that Sirhan claims not to be worried about his mother, that she is being taken care of by somebody who owes him. Sirhan refused to identify who was indebted to him, but no act by the lone gunman could have curried more favor than his murdering RFK, sworn enemy of Jimmy Hoffa.

Added to the specter of maternal payoffs is the contention of a Sirhan associate that the assassin was the addressee of an envelope with the numbers 75-3425 written on the left-hand side. The possibility of a Hoffa-financed hit looms evermore real.

Sirhan, who has clutched his silence so fervently that the public remains bewildered about the assassination, adamantly disavows any knowledge of monies mailed to his mother, Mary Sirhan, in Pasadena, California. "I'm not that stupid," he said.

Stupid or not, one of Sirhan's San Quentin Death Row roommates claimed that "he used to brag about his friendship with Jimmy Hoffa." He admitted, however, that "Sirhan never said that he killed Bobby Kennedy for Hoffa."

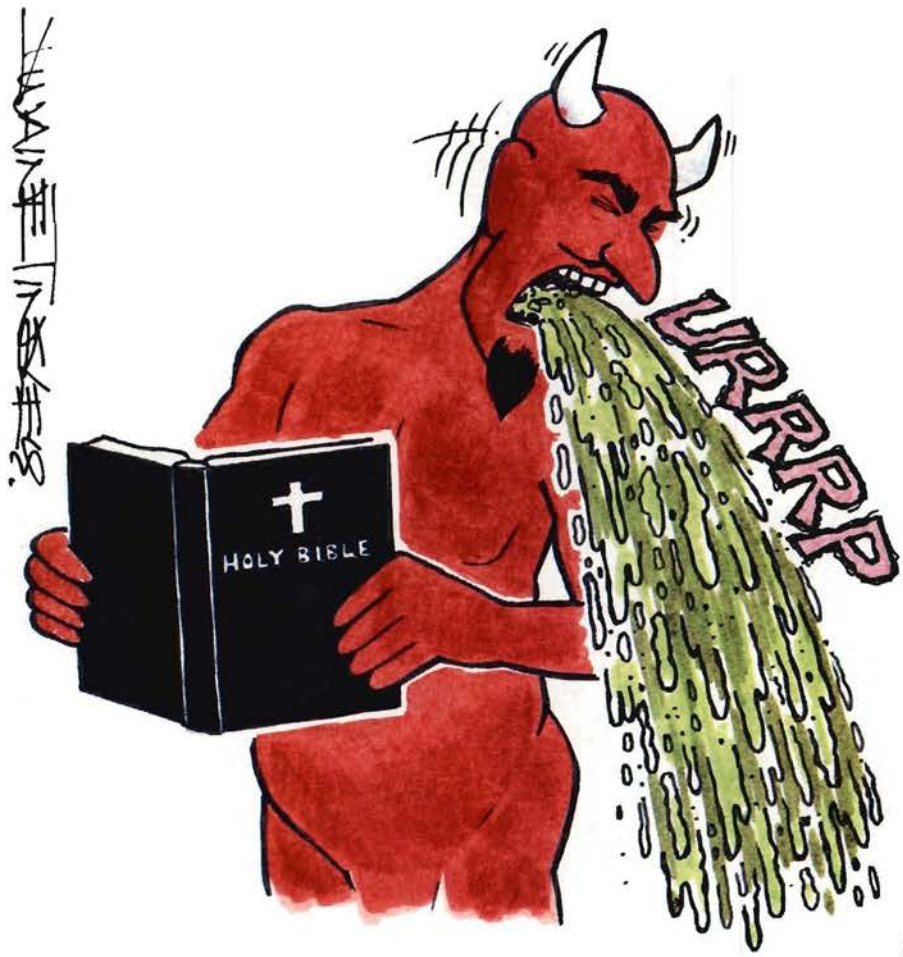

"I did it for my country!"

Did he?

Bobby's killer should be forced to undergo a polygraph examination before any parole is considered. Such a test might begin to determine if, in fact, Sirhan's mother received money from the International Brotherhood of Teamsters and if, in fact, the number 75-3425 was on the envelopes.

Jimmy Hoffa is not in a position to discuss the murder of Senator Robert F. Kennedy. If Hoffa is not in seclusion in a Third World country, he is a pillar of a community—and nobody knows which pillar or which community. Sirhan, however, is alive and well at Soledad State Prison, and he's able to answer questions. Two particular questions he might answer are: Did his mother receive money from the Teamsters? Was the number 75-3425 listed on each envelope? 75-3425 is, after all, the Federal Bureau of Investigation's missing-persons number for James R. Hoffa.

WOMAN WITH A COCK *(continued from page 9)*

I panicked. My heart skipped a beat. I thought I'd ruined his new $50,000 cock. He screamed in agony.

We prepared the penis for penetration. In order to make Les erect, he must slide a hard plastic rod into the center of his hollow penis. The rod slipped right in. It was an instant erection, and it felt freeing not to worry about having to get it up and keep it up. Even though I didn't have to worry about getting pregnant (Les doesn't have sperm), we decided to use condoms for safe sex and to prevent any infections in case Les wasn't totally healed.

We considered what the most appropriate first-time position should be and decided I would get on top. I squatted over him, gave him my best kiss ever, took a deep breath and lowered myself onto the new-born phallus. I felt it push up inside me. My throat opened, and I groaned with pleasure. It felt fantastic. It really worked! But after just a few strokes we had to stop. The plastic rod had pushed its way up and out the head of his cock and through the condom. We had to go into the kitchen and cut an inch off the rod. (Thank goodness I owned a sharp, small saw.) In spite of all the modern technology that went into making Les's dick, we still had to work out a few basics. We laughed about it, and luckily Les did not seem alarmed.

Back in bed we tried a variety of positions. Some worked and some didn't. The cock would flail right or left, or it would go to a bad angle and slip out. This first time would require some patience and compassion. I wasn't used to these newfangled penises, and, after all, it was Les's first time.

Les seemed quite happy with his new sex toy. He told me that watching the pleasure on my face made the pain of all 12 surgeries worthwhile. The penis had "surface sensations." He could feel my pussy muscles squeezed tightly around it, but most of his sensitivity was still in his clitoris, and I made sure to stimulate it while his cock was inside me—something I'd never done before.

We tried to think up a better system than using the rod. Perhaps we needed a thicker rod or a base at the end of the rod. Les got the bright idea to try using his thumb; so he squeezed it into the shaft. I couldn't contain my laughter when I saw his cock with his thumb inside it (or his thumb with a cock around it). He joked: "It looks like I'm back to lesbian sex again." Using his fingers for fucking: "It's like a fancy snap-on toy I made just for you."

When I managed to stop laughing, I got back on top and rode the prick/thumb like a champion. Les had more control over its direction, and it was thicker, harder and longer. It felt divine. I was on the brink of orgasm when Les screamed out in pain. I panicked. My heart skipped a beat. I thought I'd ruined his new $50,000 cock. I dismounted, and he screamed in agony as he removed his thumb from his cock. "Shit, you almost broke my thumb!" When we saw that all was well, we laughed hysterically. I mean *hysterically*.

Suddenly I was overcome with emotion, and my laughter turned to crying. I was so touched by Les's optimism, good humor and lack of expectations. I was touched by how wonderfully *freeky* he is and how he lives his dream. I cried thinking about how much physical and emotional pain he must have suffered to change his gender. I cried for all people who don't love their bodies just the way they are, for all transsexuals who have suffered, the many who have resorted to suicide, and for all sexual persuasions who are made into outcasts by our society. I mourned Linda Nichols, whom I know I would have liked very much; but by then she was virtually dead and gone. Les told me not to cry. "Look at all the adventures I've had and the places I've been. It's been a wonderful adventure. After all, I might not have met you."

We made love all night, until 7:00 the next morning. After all, his cock could stay hard for 11 hours straight. He told me I was the best fuck he'd ever had. I knew it was true. I was the only fuck he'd ever had. I loved being with him, and I loved being with a hermaphrodite. I wondered if I would become addicted now and no longer be satisfied with regular men or women. Would there be more hermaphrodites entering the world? Would there be a new community emerging, one of men with cunts? Would they become a new political force—women taking over the world, but as men? Would men now be able to become pregnant? I imagined how Les would look nine months pregnant. Would we eventually develop a new awareness of "transgender," of looking beyond a person's gender to his spirit, wherein society would no longer try and mold us into being plain, old heterosexuals?

Having sex with Les was a constant mindfuck. I could put my finger inside his pussy. . . *his* pussy? . . . and feel *her* balls. His skin was soft and smooth like a woman's; yet he had hair on his chest. His hands were small and delicate, with a woman's touch; yet he wore men's rings. His eyes and lips—so sensual—were framed by his stubby beard. Although he protested, I got him to put on a pair of my high heels. He was the first man I've met whose feet were my

BEAVER HUNT

Photo by Husband

Dale is a 25-year-old housewife from Marysville, California. She likes to swim and have sex, and her hobbies include taking care of her husband, meeting people and posing for nude pictures. Dale would like to make a porn movie with her husband, a guy who, to judge by this shot, knows all the angles.

Photo by Husband

Amber is the name of this honey-blonde. She's a 22-year-old business owner from Kerrville, Texas, whose hobbies include horseback riding, lifted trucks, sports cars, animals and weightlifting. Her sexual fantasy is to appear as a HUSTLER Honey of the Month. Whatever happens, Amber, we're even. We're in your dreams—now you're in ours.

Photo by Husband

Homemaker Cin, 34, hails from East Detroit, Michigan, where she spends her days eating cock and sunning her tits. She says her fantasy is eating pussy while her husband eats *her*. Since her dream is to have multiple orgasms, that's a good way to start.

Photo by Husband

Thirty-year-old Robin is a part-time dancer from Columbia, Missouri, who wants to model for men's magazines someday. Her hobbies include raising mastiffs, weightlifting and camping. Her fantasies are to fuck bodybuilders in a live-sex show and pull a train for the Minnesota Vikings (because, she says, they have the biggest horns!).

Photo by Husband

Chrissy is a 23-year-old accounts receivable clerk from Colchester, Connecticut. Her hobbies are skiing, shopping, music and fooling around. She doesn't fool us a bit. It's easy to see that when she plays, she plays hard! Her fantasy is to do a fuck flick or a HUSTLER spread with two well-hung studs.

Photo by Boyfriend

Sin-Sual, 28, comes to us from Queens Village, New York. Her hobbies are singing, posing and sex. More than just a cabaret act with an active social life, Sin-Sual has enlisted Beaver Hunt to increase her audience by millions. Her fantasy is to have every person get off on her picture.

Photo by Husband

Forty-eight-year-old Karen is a homemaker from Chandler, Arizona. Her hobbies include reading and swimming, and she must be a very busy lady. Karen's fantasy is to have one week of sex with her husband with no interruptions. We hope she can wrangle some way of working it out.

Photo by Husband

Twenty-eight-year-old Starr, from Wilkes-Barre, Pennsylvania, is as heavenly a body as any mere mortal could ask for. She's the owner of a business whose hobbies include motorcycle touring and cooking. As for sexual fantasies, Starr has no need to roam. Her husband, she says, has fulfilled every one. However, she adds that she's open to suggestions!

Photo by Husband

Celeste is a 24-year-old dancer from Atlanta, Georgia. Her hobbies include movies, photography and cosmetology. Celeste's fantasy is to be with a woman as beautiful as she is, and we're sure, with that on her agenda, she'll find a whole new way to fire up Atlanta.

I fucked his pussy with the dildo and gave his dick a handjob while he vigorously frigged his clitoris.

size and who could walk perfectly in four-inch stilettos. Sometimes he dropped little hints to let me know he was still a woman deep down. He said that when he goes out into the world "it's like being a spy."

Sometimes I became the more aggressive, dominant lover. I reached for my favorite dildo, a four-inch rock-hard quartz-crystal cock, and I slipped it up inside his pussy. He was so wet and juicy. Apparently the hormone pills make his pussy extra wet and give it a strong, musky odor, which I really liked. (Hormones also greatly increase the sex drive. Perhaps this is why F2Ms are often notorious womanizers. Unfortunately, the pills are dangerous and very hard on the liver.) His vagina was tight. He has never had intercourse with a man; so technically he's still a virgin. I imagined a threesome with Les fucking me while he was getting fucked by a guy. Les went for an orgasm. (We wouldn't want him to get blue balls.) I fucked his pussy with the dildo *and* gave his dick a handjob while he vigorously frigged his clitoris. It was so far-out to see a man frig his clit. When he came, it sounded like a woman's orgasm, but with a man's voice. He was, of course, capable of multiple orgasms.

We took little breaks for drinks of sparkling apple cider, for a luxurious bath together, to kiss grapes into each other's mouths and for talking. He told me about his life as Linda, the lesbian separatist, when she hated men and avoided them at all costs. I found it a little hard to figure out why someone who hated men so much would want to become one. Les thought it made perfect sense—a classic case of the oppressed becoming the oppressor, with forced integration as a radical therapy.

Since becoming a man, she likes men a lot more and has even been noticing a slight sexual attraction. Perhaps one day this lesbian separatist will become a gay man. Now she feels she gets treated much better and is constantly aware of the male privilege. "After all, men run the world and have their faces on the coins." Sometimes he does wonder if he may regret passing up the lesbian scene, "especially now since Madonna is hanging out in lesbian bars." A lot of his old lesbian friends won't even speak to him anymore.

What does his mother think about it all? It must be hard for a mother to take. "She can't quite understand it. 'You were such a beautiful girl. You could have had any man you wanted.' " But she is fairly supportive, and she still loves him.

Has it affected his career? He's never really had one. Up to this point, he's always been a student. He's studied art and graphic design, has a bachelor's and master's degree in psychology, and at present is a Ph.D. candidate in human behavior. He's considering careers in either video production, psychology or pastoral counseling. Even though he was at one time a good Catholic girl, I can't imagine him as a pastoral counselor, especially after this HUSTLER spread. Where he gets his money, he prefers to keep a mystery.

I hadn't laughed, played and fucked so hard in ages. Les announced that his cock felt a lot bigger now that he'd finally used it. I was pleased. We stood looking out my 11th-floor apartment window into the sky and watched the sunrise with Les fucking me from behind. I had several waves of cosmic, full-bodied orgasms. Time stood still; I became one with Les, the sky and with everything in the universe. When I came to, all I could think of was how beautiful life is. Eventually we drifted off to sleep wrapped around one another, satiated and satisfied.

When we woke up in the afternoon, Les read the *Times* while I made breakfast. He did the dishes while I made some business calls. Then he blew my mind one more time when he came walking into my room naked with a bunch of carnations sprouting from his cock and said, "Look, Annie; I'm a Greek vase."

I have the greatest respect for Les. I see him as a unique avant-garde artist whose medium is his body, whose subject matter is sex, and whose message is—as it is tattooed across his chest—FREEDOM.

Postscript—Les and I are now completing production of a video about his sex change and our love affair. It is an informative, sexually explicit docudrama about Les Nichols's sex change, and it offers an intimate portrayal of the night Les tried out his surgically created penis for the first time, with Annie Sprinkle. This unique video includes revealing interviews with Les and Annie and features explicit scenes, with Les's phenomenal dual genitals and all of their functions in graphic detail. The video is rated X. Send a check or money order (with a statement that you are 21 or older) for $65 (postage included) to He Was She Video, P.O. Box 615, Tenafly, NJ 07670. Also, for a subscription to *Rites of Passage*, a newsletter for F2Ms, send $30 for eight issues or $5 for one issue to *Rites of Passage*, P.O. Box 615, Tenafly, New Jersey 07670. Make checks payable to *Linda/Les and Annie*. You can write Les Nichols at P.O. Box 123, Wakefield, MA 01880.

"PRINCES AND PRESIDENTS, PAID ME MILLIONS FOR THIS."

"As The Happy Hooker, I fulfilled the fantasies of some of the greatest men in the world. They bared things to me that they wouldn't lay bare to anyone else.

Now, for the first time, you can be turned on the way they were. All you've got to do is call, and listen in on my private phone conversations with American men and women. But you can also eavesdrop on the Question & Answer part of this program (it's as exciting as my famous Penthouse column!). Here's all you have to do to get hot and horny: Call 1-800-759-2843.

Then dial 1 to hear my Answer to the Question of the Day.

Dial 2 to listen to my Daily Live Phone Conversation. Dial 3 to listen to Messages Left By Others. And dial 4 to leave Your Own Personal Message.

So what are you waiting for? Pick up the phone and call me. You know I'm worth it."

ADD 3 to 4 INCHES to Any Size Penis And We Guarantee It!

Plus Add 30% to 40% in diameter!

SHE'LL LOVE THE NEW YOU!

BATTERY ENERGIZED! DOES THE JOB FOR YOU AND FEELS GOOD TOO!

Our competition offers regular models (not powered) or electric models (uses electricity and may be dangerous) for up to $40. Now with the original battery-powered Komet sex aid you can prosthetically add 3 to 4 inches to any size penis. All this without strenuous exercise or electricity. The Komet's state-of-the-art engineering produces a steady flow of energy to produce the desired results and pleasurable sensations.

IF THE SIZE OF YOUR PENIS IS IMPORTANT TO YOU, THEN YOU OWE IT TO YOURSELF AND YOUR PARTNER TO ADD 3 OR 4 EXTRA INCHES!

You have everything to gain and nothing to lose. Why use a non-powered unit or risk inserting your penis into an electric unit. (You know liquids, cremes and jells and electricity don't mix and can be dangerous.) Why take chances. We will replace any defective model for 1 year plus shipping and handling charges.

CAUTION: Komet is the original, highest quality battery powered aid. Do not accept any cheaper model at any price.

HUSTLER

March HUSTLER on sale January 23, 1990

RAUNCH FROM A TO Z

The alphabet for the March HUSTLER stops at *B* for Babes and Boners. We've got the lowdown on kitchen sex as a Brunette Bones a Bare-assed Bastard right on the kitchen floor. Catch a Blossoming British tart's solitary Bath, then head to the Backyard, where hard-nippled Barbara Dare does some heavy reclining by the pool, and then take a trip to the Beach, where a gorgeous gal is Baking an all-over tan. For Beautiful Babes' Bodies, Bountiful Breasts and Beavs, there's a lot to see in the March HUSTLER. Bring your appetite.

PRICK SCORES

In *The Stud*, writer Josh Alan Friedman profiles a real-life pickup artist whose conquests in the Big Apple make Don Juan look like Pee-wee Herman. Join Josh and the Stud on a breakneck cruise through the fast lane of New York's meat-rack night spots, where the Stud picks up and lets down more fashion dolls in one evening than the average Josh meets in a lifetime—among them super-model Carol Alt.

THE ORIGINAL "UH-HUH" GIRL

Porn queen Barbara Dare has not left the scene. Mal O'Ree interviews the hearty hardbody, and in words and pictures, you'll see that after five years and 50 fuck films, Barbara's bottom is still tops.

RINSE CYCLE DON'T COME CLEAN

Of all the dirty tricks the CIA has played on unsuspecting American citizens since its inception in 1947, the secret brainwashing experiments it carried out between 1948 and 1973 stink worst. Reporter Larry Wichman documents one of the ugliest chapters of governmental abuse in U.S. history—don't miss it.

BLOWING OUR HORN

Never say HUSTLER ignores the scores of ugly women who make up the majority of the female population! March's *Sex Play*, "Sex With Ugly Chicks," rights an age-old wrong. You *can* make a silk snatch from a sow's ear. We've also got the ultimate review of Hollywood's latest flock of dreck—*Manson and Ramirez at the Movies* tells it like it really is. *Bits & Pieces* returns in an eye-popping make-over—not only new and improved, but better than ever. *Hot Letters* makes reading as fun as fucking; more Beavers than ever fill the pages of *Beaver Hunt*; and *Erotic Entertainment* keeps eyes peeled for a Fully Erect. It's all in the March HUSTLER—in like a lion, out by January!
